ELSEVIER SUBSCRIPTION AGREEMENT

This agreement ("Agreement") is entered into as of 07 December 2012 by and between **Colorado Alliance Consortium**, 3801 E. Florida Ave, Ste 515, Denver CO 80210 USA (the "Alliance"), authorized to enter into this Agreement on behalf of itself and its member institutions, identified on Schedule 2 (the "Institutions"), and to enforce the obligations herein on the Institutions (collectively, the "Subscriber") and **Elsevier B.V.**, Radarweg 29, 1043 NX Amsterdam, The Netherlands ("Elsevier").

The parties hereto agree as follows:

SECTION 1. SUBSCRIPTION.

1.1 *Subscribed Products.*

Elsevier hereby grants to the Subscriber the non-exclusive, non-transferable right to access and use the products and services identified in Schedule 1 ("Subscribed Products") and provide the Subscribed Products to its Authorized Users (as defined herein) subject to the terms and conditions of this Agreement.

1.2 *Authorized Users/Sites.*

Authorized Users are the full-time and part-time students, faculty, staff, researchers, and individuals who are or are employed by independent contractors of the Subscriber affiliated with the Subscriber's locations listed on Schedule 2 (the "Sites") and individuals using computer terminals within the library facilities at the Sites permitted by the Subscriber to access the Subscribed Products for purposes of personal research, education or other non-corporate use.

Alliance shall promptly notify Elsevier of any material changes in the number of Sites or Authorized Users, which changes may result in early termination unless the parties are able to agree to appropriate fee adjustments.

1.3 *Authorized Uses.*

Each Authorized User may:

- access, search, browse and view the Subscribed Products;
- print, make electronic copies of and store for the exclusive use of such Authorized User individual items from the Subscribed Products;
- incorporate links to the Subscribed Products on the Subscriber's intranet and internet websites and in electronic coursepacks, reserves and course management systems and instructor websites, provided that the appearance of such links and/or statements accompanying such links shall be changed as reasonably requested by Elsevier; and
- provide print or electronic copies of individual items from the Subscribed Products to other Authorized Users and to third-party colleagues for their scholarly or research use; and
- access, search, browse, view, print, make electronic copies and store for the exclusive use of such Authorized User or, if the Authorized User is a librarian/information specialist, for the exclusive use of another Authorized User certain journal articles and

book chapters from the SciVerse® ScienceDirect® online service that are not subscribed to as part of the Subscribed Products, with each twenty-four (24) hour access period for a selected article or chapter, a “Transaction.”

- If the Subscriber wishes to use the Subscribed Products to perform and engage in text-mining/data-mining activities, the Subscriber shall priorly provide Elsevier with a description of the scope and purpose for Elsevier’s review. Elsevier will, in good faith, review such proposal in a timely fashion. Any such grant of permission by Elsevier shall be documented in a separate written agreement between the parties

The Subscriber may:

- deliver journal articles from Subscribed Titles (as defined herein) and, if any, book chapters from the Subscribed Products to fulfill requests as part of the practice commonly known as “interlibrary loan” (ILL) provided that:
 - The ILL request comes from an academic or other non-commercial, non-corporate research library located in the same country as the subscriber.
 - The requested article is printed by the subscriber mailed, faxed or transmitted by Ariel (or a similar ILL system) to the requesting library. For libraries in the U.S. complying with the **CONTU guidelines**, it is not necessary to first print the article and then scan it for electronic transmission.

1.4 *Restrictions on Use of Subscribed Products.*

Except as expressly stated in this Agreement or otherwise permitted in writing by Elsevier, the Subscriber and its Authorized Users may not:

- abridge, modify, translate or create any derivative work based on the Subscribed Products, except to the extent necessary to make them perceptible on a computer screen to Authorized Users;
- remove, obscure or modify in any way any copyright notices, other notices or disclaimers as they appear in the Subscribed Products; or
- substantially or systematically reproduce, retain or redistribute the Subscribed Products.
- a breach by one participating Institution shall not abridge the rights of the other Institutions.

Authorized Users who are individuals who are or are employed by independent contractors may use the Subscribed Products only for the purposes of the contracted research work for the Subscriber.

1.5 *Intellectual Property Ownership.*

The Subscriber acknowledges that all right, title and interest in and to the Subscribed Products remain with Elsevier and its suppliers, except as expressly set forth in this Agreement, and that the unauthorized redistribution of the Subscribed Products could materially harm Elsevier and its suppliers.

SECTION 2. ELSEVIER PERFORMANCE OBLIGATIONS.

2.1 *Access to Subscribed Products.*

Elsevier will make the Subscribed Products accessible to the Subscriber and its Authorized Users from the internet address set forth on Schedule 1 or as may be otherwise set forth herein.

2.2 *Quality of Service.*

Elsevier shall use reasonable efforts to provide the Subscribed Products with a quality of service consistent with industry standards, specifically, to provide continuous service with an average of 98% up-time per year, with the 2% down-time including scheduled maintenance and repairs performed at a time to minimize inconvenience to the Subscriber and its Authorized Users, and to restore service as soon as possible in the event of an interruption or suspension of service.

2.3 *Withdrawal of Content.*

Elsevier reserves the right to withdraw from the Subscribed Products content that it no longer retains the right to provide or that it has reasonable grounds to believe is unlawful, harmful, false or infringing.

2.4 *Usage Data Reports.*

Elsevier will make usage data reports on the Subscriber's usage activity accessible online on a monthly basis to the librarians/administrators employed by the Subscriber for internal use only. Such reports may be accessed by vendors or other third parties retained by the Subscriber only with the express written permission of Elsevier and for the purpose of usage analysis of the Subscriber.

SECTION 3. SUBSCRIBER PERFORMANCE OBLIGATIONS.

3.1 *Authentication.*

Access to the Subscribed Products shall be authenticated by the use of Internet Protocol ("IP") address(es) and/or usernames and passwords and/or a delegated authentication mechanism requiring at least two different credentials, as identified on Schedule 2.

3.2 *Protection from Unauthorized Access and Use.*

The Subscriber shall use reasonable efforts to:

- limit access to and use of the Subscribed Products to Authorized Users and notify all Authorized Users of the usage restrictions set forth in this Agreement and that they must comply with such restrictions;
- issue any passwords or credentials used to access the Subscribed Products only to Authorized Users, not divulge any passwords or credentials to any third party, and notify all Authorized Users not to divulge any passwords or credentials to any third party; and
- promptly upon becoming aware of any unauthorized use of the Subscribed Products, inform Elsevier and take appropriate steps to end such activity and to prevent any recurrence.

In the event of any unauthorized use of the Subscribed Products, Elsevier may suspend the access and/or require that the Subscriber suspend the access from where the unauthorized use occurred upon notice to the Subscriber. The Subscriber shall not be liable for unauthorized use of the Subscribed Products by any Authorized Users provided that the unauthorized use did not result from the Subscriber's own negligence or willful misconduct and that the Subscriber did not permit such unauthorized use to continue after having actual notice thereof.

SECTION 4. FEES AND PAYMENT TERMS.

The Subscriber will pay to Elsevier the fees set forth in Schedule 1 (the "Fees") within thirty (30) days of date of invoice. The Fees will be exclusive of any sales, use, value added, withholding or similar tax and the Subscriber will be liable for any such taxes in addition to the Fees.

SECTION 5. TERM.

5.1 *Term.*

The term of this Agreement shall commence on 01 January 2013 and continue until 31 December 2015.

5.2 *Renewal.*

This Agreement will be automatically renewed for successive one-year terms, subject to appropriate adjustments to Schedule 1, unless either party gives notice to the other no later than ninety (90) days prior to the end of the then current term that it does not intend to renew.

5.3 *Early Termination Due To Insufficient Budgetary Allotment.*

An Institution may withdraw from participation in this Agreement within thirty (30) days of notification from the applicable funding authorities of its annual budget allocation for the fiscal year 2013 or succeeding years if such allocation results in a substantial loss of funding from which the Institution intended to satisfy its share of the Fees. Such withdrawing Institution shall be removed from the Schedules and the Fees due for the remainder of the term of the Agreement shall be reduced in the amount of such withdrawing Institution's subscription. This Institutions remaining in the Agreement shall not required to replace the reduced Fees.

SECTION 6. ELSEVIER WARRANTIES AND INDEMNITIES.

6.1 *Warranties.*

Elsevier warrants that use of the Subscribed Products in accordance with the terms and conditions herein will not infringe the intellectual property rights of any third party.

6.2 *Indemnities.*

Elsevier shall indemnify, defend and hold harmless the Subscriber and its Authorized Users from and against any loss, damage, costs, liability and expenses (including reasonable attorneys' fees) arising from or out of any third-party action or claim that use of the Subscribed Products in accordance with the terms and conditions herein infringes the intellectual property rights of such third party. If any such action or claim is made, the Subscriber will promptly notify and reasonably cooperate with Elsevier. This indemnity obligation shall survive the termination of this Agreement.

6.3 *Disclaimer.*

EXCEPT FOR THE EXPRESS WARRANTIES AND INDEMNITIES STATED HEREIN AND TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE SUBSCRIBED PRODUCTS ARE PROVIDED "AS IS" AND ELSEVIER AND ITS SUPPLIERS EXPRESSLY DISCLAIM ALL WARRANTIES AND REPRESENTATIONS OF ANY KIND WITH REGARD TO THE SUBSCRIBED PRODUCTS AND ANY OTHER DATA, DOCUMENTATION OR MATERIALS PROVIDED IN CONNECTION WITH THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO ANY ERRORS, INACCURACIES, OMISSIONS, OR DEFECTS CONTAINED THEREIN, AND ANY IMPLIED OR EXPRESS WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

6.4 *Limitation of Liability.*

Except for the express warranties and indemnities stated herein and to the extent permitted by applicable law, in no event shall Elsevier or its suppliers be liable for any indirect, incidental, special, consequential or punitive damages including, but not limited to, loss of data, business interruption or loss of profits, arising out of or in connection with this Agreement, or shall the liability of Elsevier and its suppliers to the Subscriber exceed a sum equal to the Fees paid by the Subscriber hereunder, even if Elsevier or any supplier has been advised of the possibility of such liability or damages.

SECTION 7. GENERAL.

7.1 *Force Majeure.*

Neither party's delay or failure to perform any provision of this Agreement as a result of circumstances beyond its control (including, but not limited to, war, strikes, fires, floods, power failures, telecommunications or Internet failures or damage to or destruction of any network facilities or servers) shall be deemed a breach of this Agreement.

7.2 *Severability.*

The invalidity or unenforceability of any provision of this Agreement shall not affect any other provisions of this Agreement.

7.3 *Entire Agreement.*

This Agreement contains the entire understanding and agreement of the parties and merges and supersedes any and all prior and contemporaneous agreements, communications, proposals and purchase orders, written or oral, between the parties with respect to the subject matter contained herein.

7.4 *Modification.*

No modification, amendment or waiver of any provision of this Agreement shall be valid unless in writing and signed by the parties.

7.5 *Assignment.*

The Subscriber shall not assign, transfer or license any of its rights or obligations under this Agreement unless it obtains the prior written consent of Elsevier, which consent shall not unreasonably be withheld.

7.6 *Privacy.*

Elsevier shall not, without the prior written consent of the Subscriber, transfer any personal information of any Authorized Users to any non-affiliated third party or use it for any purpose other than as described in this Agreement and in the online privacy policy for the relevant online service.

7.7 *Notices.*

All notices given pursuant to this Agreement shall be in writing and delivered to the party to whom such notice is directed at the address specified below or the electronic mail address as such party shall have designated by notice hereunder.

If to Elsevier: Elsevier B.V. c/o Regional Sales Office, Elsevier Inc., 360 Park Avenue South, New York, NY 10010-1710, USA.

If to the Subscriber: Colorado Alliance Consortium, 3801 E. Florida Ave, Ste 515, Denver CO 80210 USA

7.8 *Execution.*

This Agreement and any amendment thereto may be executed in counterparts, and signatures exchanged by facsimile or other electronic means are effective to the same extent as original signatures.

IN WITNESS WHEREOF, the parties have executed this Agreement by their respective, duly authorized representatives as of the date first above written.

ELSEVIER SUBSCRIPTION AGREEMENT
Schedule 1.1
Journal Subscription

Journal Collection(s):

Complete Collection: Electronic access to the full text of all articles from the Elsevier journal titles published since 1 January 1995 identified on Annex A to Schedule 1.1.

Freedom Collection: Electronic access to the full text of all articles from the Elsevier journal titles published since 1 January 1995 set forth in the Freedom Collection Journal Title List at <http://www.info.sciverse.com/sciedirect/content/journals/titles>, as may be updated annually with the changes effective as of 1 January of the following calendar year of the term of the Agreement.

Cell Press Collection: Electronic access to the full text of all articles from the Cell Press journal titles published since 1 January 1995 identified on Annex A to Schedule 1.1.

Option to Substitute Subscribed Titles

The Subscriber may substitute any of the subscribed journal titles identified on Annex A to Schedule 1.1 (“Subscribed Titles”) with one or more journal titles of total comparable value (in current year list price) once annually upon notice to Elsevier by 1 August prior to the start of the next calendar year or at any time upon mutual agreement of the parties in writing. The foregoing does not apply to the Cell Press Collection.

Option to Substitute or Refund Withdrawn Subscribed Titles

The Subscriber may substitute any withdrawn Subscribed Title with one or more journal titles of total comparable value (in current year list price) at any time upon notice to Elsevier. In the event that no substitute journal title is available, Elsevier shall refund to the Subscriber the amount of the Fees paid for the withdrawn Subscribed Title for the remainder of the term.

Transferred Titles

Society journal titles for which the Subscriber holds an electronic subscription through a third-party publisher whose publication rights are transferred to Elsevier and made accessible on SciVerse ScienceDirect during the term (“Transferred Titles”) shall be deemed Subscribed Titles effective as of the date of transfer and for the then current publication year and the publication years previously paid unless and until the Subscriber notifies Elsevier that it no longer wishes to continue such electronic subscription on SciVerse ScienceDirect. The option to substitute Subscribed Titles does not apply to Transferred Titles.

Access to Formerly Subscribed Titles

Upon termination of all of the Subscriber’s annual subscriptions on SciVerse ScienceDirect online, the Subscriber may, at its option, (1) acquire, load and technically format on a server that enables access and use by Authorized Users an electronic copy of all or part of its Subscribed Titles for the publication years paid for cost and/or (2) continue to access such Subscribed Titles online for an annual access fee based on the number of full-text articles downloaded from such titles during the prior twelve (12) months at a rate of US\$0.081 per download, with a minimum annual fee of US\$500 (adjusted annually for inflation and cost increases) for the Subscriber’s access to the platform, in accordance with the usage provisions of this Agreement, which provisions shall survive the termination of the Agreement. Elsevier shall make available for inspection by a duly authorized auditor of the Subscriber, at the Subscriber’s sole expense, the records concerning the calculation of the annual access fee one time per year during regular business hours upon thirty (30) days written notice to Elsevier. The electronic copy may not contain links and other features and functionality associated with the online version. If a particular Subscribed Title is withdrawn by Elsevier or not renewed by the Subscriber, but the Subscriber remains a SciVerse ScienceDirect online subscriber, the Subscriber may continue to access online, at no additional charge, such formerly Subscribed Title for the publication years paid, provided that Elsevier

continues to hold the electronic rights thereto. Notwithstanding the foregoing, if the Subscriber terminates all of the Subscriber's annual subscriptions on SciVerse ScienceDirect online, but the Subscriber remains a ClinicalKey online subscriber, the Subscriber may continue to access online, at no additional charge, its SciVerse ScienceDirect online Subscribed Titles for the publication years paid.

Deep Discounted Price for Print Subscription

Provided that the Fees have been paid, the Subscriber shall have the option to place orders for annual subscriptions to a selection of Elsevier print publications at a price reduced from the list price ("Deep Discounted Price" or "DDP"), by 1 August prior to the start of the next calendar year from the Publisher directly and from only one (1) authorized subscription agent, which shall be selected by the Subscriber, and the Publisher will fulfill such orders in accordance with its customary practices. The Subscriber shall notify Elsevier of its subscription agent's contact information upon placing such orders. The Subscriber may change its subscription agent no more than once annually by giving Elsevier notice by 1 August prior to the start of the next calendar year. The Subscriber will not place orders for such DDP subscriptions on behalf of any other person or entity or with the intent to resell, rent, license, lease or otherwise transfer them to another person or entity.

Option to Purchase Additional Elsevier Journal Titles

Any Alliance member institution may purchase an electronic subscription to, and thus add to its list of Subscribed Titles, any Elsevier journal title that is available on ScienceDirect at the current list price, subject to the Content Fee and e-Only Discount. Such purchase will provide the subscribing member with access and post-termination rights as described above. Should an additional member require access to the same title, it can add the title to their subscribed list at the same cost. If a third member purchases the title, all members will gain shared access and post-termination rights. Alternatively, the Subscriber can obtain immediate access for all members to such titles by paying three (3) times the current list price subject to the Content Fee and e-Only Discount. Titles which are excluded from shared access or discounted collections for any reason are not available to the members using this mechanism, but must be acquired separately by each member who requires access.
