Online Products Institutional Access Agreement

This Online Products Institutional Access Agreement ("Agreement") is entered into this 19th day of December 2013, between the American Chemical Society ("ACS"), a federally-chartered nonprofit located at 1155 16th Street NW, Washington DC 20036 and The Regents of The University of New Mexico located at _____ ("Grantee") (ACS and the Grantee are collectively referred to in this Agreement as "the Parties").

1. SCOPE OF GRANT

ACS grants Grantee non-exclusive and nontransferable permission to access ACS products and services as identified in the attachments to this Agreement (collectively "ACS Products"), subject to the terms and conditions set forth in this Agreement, including all attachments.

2. TERM

a. The Initial Term of this Agreement shall be through December 31, 2016. Unless otherwise agreed to by ACS and Grantee in writing, or modified or terminated as provided for herein, the Agreement shall automatically renew for additional one-year terms on payment of annual access, subscription and/or platform maintenance fees as set by ACS and agreed to by the Grantee.

b. From time to time, ACS may require the Parties to execute a new Agreement.

3. FEES AND PAYMENTS

a. Grantee agrees to pay ACS the amounts (Access Fee) set forth in the attached "Access Fee" attachment, as may be supplemented by mutual consent. ACS will not activate Grantee's access to the ACS Products until Grantee provides ACS with: (1) the email address of a contact person; (2) a duly executed Agreement; and (3) any other information required by ACS to set-up and activate Grantee's access.

b. Grantee agrees to pay all ACS invoiced Access Fees within forty-five (45) days of receipt of the invoice date. ACS reserves the right to discontinue Grantee's access to the ACS Products and to terminate this Agreement in the event Grantee fails to pay all Access Fees in accordance with the ACS invoice.

c. ACS reserves the right to modify the Access Fee for any renewal term upon written notice to Grantee.

4. INSTITUTIONAL CUSTOMER TYPE; AUTHORIZED USERS; SITES; ADDRESSES

a. If Grantee is a "consortium," Grantee shall, prior to ACS's activation of Grantee's access to the ACS Products, provide ACS with a current listing of all participating consortium members, including physical location and IP addresses. Further, by entering into this Agreement, Grantee affirms its authority to enter into this Agreement on behalf of each of the listed consortium members. During the Term of this Agreement, Grantee shall promptly notify ACS of any changes to the membership of the consortium. Grantee acknowledges that any such changes to the membership of the consortium may necessitate a change in the Access Fee due under this Agreement. Grantee shall notify each consortium member of the terms and conditions for accessing the ACS Products. Grantee further agrees to notify ACS promptly upon learning of any violations of this Agreement by any consortium members and/or consortium members' authorized users and will cooperate with the ACS in investigating any such violations or unauthorized uses and in taking reasonable steps to prevent a reoccurrence.

b. ACS grants to Grantee and its Authorized Users at the authorized sites approved by ACS ("Authorized Sites") identified in the Site List and IP Address Attachment ("Site List Attachment"), online access to the ACS Products. This Agreement extends to Grantee and Authorized Users individually at Authorized Sites. For purposes of this Agreement, "Authorized Users" means, those serving in the capacity of employees, faculty and other teaching staff, and persons officially registered as full or part-time students located at an Authorized Site. Authorized Users may access the

University of New Mexico - 2257244

ACS Products from remote sites. Others who are physically present at an Authorized Site may access the ACS Products but may not do so from locations outside of an Authorized Site ("Other Users").

c. Authorized Users will be recognized and authorized by their Internet Protocol ("IP") addresses. Grantee is responsible for providing valid IP addresses. The form of the IP addresses must be acceptable to ACS as defined on the IP Address and Site List Attachment. IP Ownership must be verifiable and IP addresses must be directly affiliated with Grantee. Only those IP addresses submitted by Grantee, listed on the Site List Attachment, and approved by ACS will have access to the ACS Products. If the Grantee(s) plan to use a Proxy Server or enable Virtual Private Network (VPN) access, such access must be registered with ACS and use an ACS-approved configuration.

d. Grantee shall exercise reasonable care and shall be responsible for all access control to ensure only Authorized Users and Other Users access the ACS Products for Permitted Use as defined herein. All usage/downloads of ACS content by Authorized Users and Other Users that gain access through the Grantee's firewall, proxy servers and other gateways for users authorized via the ACS Approved IP addresses listed on the Site List Attachment will be factored into the Grantee's Access Fee. Grantee agrees to notify Authorized Users and Other Users of the relevant conditions for accessing ACS Products. Grantee further agrees to notify ACS promptly upon learning of any violations of this Agreement by Authorized Users and Other Users and will cooperate with the ACS in investigating any such violations or unauthorized uses and in taking reasonable steps to prevent a reoccurrence.

5. PERMITTED USES

a. Authorized Users and Other Users may view, download, save, or print individual articles, individual book chapters, proceedings, Reagent Chemicals monographs or other individual items from the ACS Products for their personal scholarly, research, and educational use. If the Grantee is a commercial entity, Authorized Users may use ACS Products to support their scientific research undertaken in the normal course of their employment or in connection with the process of obtaining regulatory approval for drug products as provided herein. Authorized Users and Other Users may make a printed copy of individual articles, individual book chapters, proceedings, Reagent Chemical monographs, or other individual items from the ACS Products for the internal or personal use of others who are Authorized Users but who are unable to access the ACS Products. Authorized Users and Other Users may include (and are encouraged to provide) links to the ACS Products as part of course pack offerings or within an e-mail communications.

b. Except as set forth in Prohibited Uses herein, Grantee may use the ACS Products to fulfill requests for Interlibrary Loans ("ILL"). ILLs are permitted to support non-commercial scholarly research by patrons of other libraries such as public, school, or college libraries. Grantee may obtain a copy of an individual article, individual book chapters, proceedings, Reagent Chemicals monographs, or other individual items from the ACS Products in PDF format (Portable Document Format) and transmit it to the ILL requesting Library by mail, fax, or electronic transmission. The Grantee may make up to five (5) free article copies of individual journal articles, proceedings, individual book chapters, Reagent Chemicals monographs or other individual items from the ACS Products per year for ILL purposes. Additional requests may be fulfilled only if the applicable single copy fees are paid either to the Copyright Clearance Center or directly to ACS through its sales procedures for single articles, individual book chapters, proceedings, Reagent Chemicals monographs or other individual items from the ACS Products.

c. Grantee or Authorized Users may provide print or electronic copies of individual items taken from ACS Products to national or international regulatory authorities in connection with the preparation or submission of the Grantee's or Authorized User's applications for drug and product approval, provided that such applications do not amount to commercial redistribution for direct profit. Grantee and Authorized Users may supply print or electronic copies of individual items taken from the ACS Products when required by law.

d. Grantee or Authorized Users may reactively supply print or electronic copies of individual items taken from ACS Products to healthcare professionals or other third parties in response to enquiries relating to Grantee's medical products. Such copies must carry, without modification, those copyright notices already incorporated in the ACS Products. This use of the ACS Products is restricted to responding to enquiries only. For the avoidance of doubt, this excludes proactive or multiple supplies of articles for marketing, sales, or other purposes, including any activity that would replace a subscription or the purchase of reprints.

6. PROHIBITED USES

a. Except as provided in Permitted Uses herein, Grantee, its Authorized Users and Other Users agree not to forward, transfer, sell, rent, or otherwise knowingly distribute or provide access to the ACS Products or any portions thereof, to any third party. Individual articles, individual book chapters, proceedings, Reagent Chemicals monographs or other individual items from the ACS Products and other information obtained under this Agreement may not be used for fee-for-service purposes such as document delivery, except under a separately negotiated transactional agreement. The ACS Products may not be used to supply single articles, individual book chapters, proceedings, Reagent Chemicals monographs, or other individual items to ILL requesters that are employed by a commercial organization or by a library that belongs to a for-profit company without prior written approval of ACS.

b. Authorized Users and Other Users may not use ACS Products to support work performed on behalf of any commercial entity other than the Grantee. Grantee agrees to take all reasonable measures to ensure proper use of ACS Products by Authorized Users and Other Users, and agrees to remedy identified cases of prohibited use.

c. Authorized Users and Other Users may not modify, alter, or create derivative works of the materials contained in the ACS Products without prior written permission from ACS. Indexing, by human or machine means, aggregating, data mining, peer-to-peer (or similar) file-sharing are all prohibited uses unless an institution concludes a specific, separate agreement with ACS to do so. Authorized Users and Other Users may not use illustrations or other graphic excerpts or abstracts without a complete citation and the inclusion of a persistent URL link to the appropriate material within ACS Products.

d. Individual articles, book chapters, Reagent Chemicals monographs, and other individual items from the ACS Products that include information obtained as a result of access to the ACS Products are not to be systematically downloaded, re-published in any media, print or electronic form. Individual articles, book chapters, Reagent Chemicals monographs, or other individual items from the ACS Products may not be downloaded in aggregate quantities or centrally stored for later retrieval.

e. Grantee acknowledges that ACS may prevent Grantee, its Authorized Users and Other Users from using, implementing, or authorizing use of any computerized or automated tool or application to search, index, test, or otherwise obtain information from ACS Products (including without limitation any "spidering" or web crawler application) that has a detrimental impact on the use of the services under this Agreement. Grantee agrees to assist ACS in correcting unauthorized use of such methods or applications and acknowledges that ACS may from time-to-time implement tools or other controls on the ACS Products to regulate or restrict use of computerized or automated applications that are used to search, index, test, or obtain information from the ACS Products. ACS acknowledges that Grantee may not be able to prevent its Authorized Users and Other Users from using such methods or applications.

f. Grantee is required to notify ACS of any infringements of copyrights or unauthorized use of which they become aware. Grantee will cooperate with the ACS in investigating any unauthorized uses and in taking reasonable steps to prevent a reoccurrence.

7. TRIAL AND/OR NEW SUBSCRIPTIONS

Grantee may from time to time during the Term of this Agreement desire access to other ACS products and/or services not identified in this Agreement as ACS Products, either for a limited, trial period ("Trial Subscription") to determine its usefulness or suitability to Grantee or for changes to the list of ACS Products for the remainder of the Term of this Agreement. Similarly, Grantee may from time-to-time during the term of this Agreement desire access to other ACS products and/or services through the Metered Access Plan (MAP). Grantee's access to and use of any and all such additional ACS products and/or services shall be subject to and governed by all applicable Terms and Conditions of this Agreement.

8. ACCESS

a. ACS shall use reasonable commercial efforts to provide continuous availability of ACS Products through the Internet. It is understood that availability will be subject to periodic interruption due to maintenance of the server(s), installation or testing of software, loading new information files, and downtime related to equipment or services outside

the control of ACS including public and private telecommunications services or Internet nodes or facilities. ACS shall not be liable for any delay, downtime, transmission error, software or equipment incompatibilities, force majeure or other failure of performance.

b. Except for termination for cause, upon request at the time of cancellation or expiration of this Agreement, Grantee will be provided access to the ACS Products from the ACS Web Editions published during Grantee's subscribed access period only. Upon cancellation of all or part of subscribed access, Grantee may retain digital access rights to only those journals that were subscribed to and published during the time the Grantee had an active, paid subscription to ACS Web Editions. Such digital access rights shall be contingent upon payment of an annual post-cancellation platform maintenance fee. *Chemical & Engineering News*, Backfile or Archive products, eBooks Symposium Series, or content acquired via ACS Articles on Command, ACS Metered Access, and ACS Lab Packs have no post cancellation rights. Agreements that terminate through cause or default have no post cancellation rights under this program. The contents of ACS Division Proceedings Online will be made available for all years in which the Grantee was a paid subscriber to ACS Division Proceedings Online. Upon cancellation of ACS Products, no additional service will be provided save the aforementioned options for the ACS Web Editions.

c. ACS will make reasonable efforts to maintain the legacy archive of journal articles published in PDF format between 1879 and 1995. In the event that it proves commercially unreasonable for ACS to maintain the ongoing availability of the PDF legacy archive, ACS, in consultation with its Customer Advisory Panel, will make a conservation copy of the archive available through an acceptable repository to institutions that have access via a separate agreement.

d. ACS will make reasonable efforts to maintain the ACS Symposium Series Archive, Current Editions of the Symposium Series, and other similar eBook published content, online published in PDF and/or HTML format. In the unlikely event that it proves commercially unreasonable for ACS to maintain the ongoing availability of the content, ACS, in consultation with its Customer Advisory Panel, will make a conservation copy of the ACS Symposium Series Archive and Current Editions of the Symposium Series online available through an acceptable repository.

e. ACS agrees to provide Grantee COUNTER compliant or, in the event that COUNTER is superseded by another reporting standard, comparable usage reports via a self-service web site on a monthly basis for applicable ACS Products subscribed to by Grantee under this Agreement.

9. DISPUTES

The Parties agree to enter into negotiations to resolve any controversy, claim or dispute ("Dispute") arising under or relating to this Agreement. The Parties agree to negotiate in good faith to reach a mutually agreeable resolution of such dispute within ten (10) days of written notice of the dispute or such other time period as ACS and Grantee mutually agree. If the dispute is not timely resolved, the Parties agree, on request of either Party, to resolve the dispute by binding and final arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect. The arbitration shall take place in the District of Columbia, USA. The arbitrator(s) shall be bound to follow the provisions of this Agreement in resolving the dispute, and may not award specific performance or punitive damages. The decision of the arbitrator(s) shall be final and binding on the Parties, and any award of the arbitrator(s) may be entered or enforced in any court of competent jurisdiction. The Parties agree that the conduct and results of the arbitration will be kept confidential except as required by law. Notwithstanding anything in this Section to the contrary, disputes in which there is a claim for injunctive relief or other equitable remedy, including specific performance, may be brought in any court having competent jurisdiction throughout the world.

10. TERMINATION

a. **Termination for Default.** If either party breaches a term of this Agreement, the other may send written notice of the breach, including a reasonable cure period of not less than seven (7) business days. If the breach is not cured within that time, or if the Parties do not reach a satisfactory agreement on extending the cure period, then the non-breaching party may terminate this Agreement effective immediately upon written notice. In the event Grantee wishes to restore access after a termination for default, if the reduced access period is less than ninety (90) days, there will be no

reduction in Grantee's current subscription price. If the Grantee is reinstated after ninety (90) days access cancellation, the Grantee shall be required to pay a \$500 service charge prior to reinstatement. Once Grantee's account is in good standing, ACS will provide Grantee with a prorated credit for its following year's subscription fee equivalent to the reduced or terminated access period.

b. Termination for Convenience. Either party may cancel this Agreement at any time by providing the other party with sixty (60) days prior written notice. In the event of such a termination by Grantee, Grantee shall not receive a pro-rated refund of the unused Access Fee, and in the event of such a termination by ACS, Grantee shall be entitled to receive a pro-rated refund of the unused Access Fee.

11. COPYRIGHTS; OTHER INTELLECTUAL PROPERTY RIGHTS

Except as otherwise specifically noted, ACS is the owner of all right, title and interest in the content of the ACS Products, including, without limitations, individual journals, articles, abstracts, book chapters, proceedings. All ACS Products are protected under the Copyright Laws of the United States Codified in Title 17 of the U.S. Code and subject to the Universal Copyright Convention and the Berne Copyright Convention. Grantee agrees not to remove or obscure copyright notices. Grantee acknowledges that it has no claim to ownership of any part of the ACS Products or other proprietary information accessed under this Agreement.

The names "American Chemical Society," "ACS" and the titles of the journals and other ACS Products are trademarks of ACS.

12. DISCLAIMER OF WARRANTIES; LIMITATION OF LIABILITY

ACS warrants that it is entitled to grant this Agreement. EXCEPT AS SET FORTH IN THE PRECEDING SENTENCE, ACS MAKES NO WARRANTY OR REPRESENTATION OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO THE ACS PRODUCTS INCLUDING THEIR QUALITY, ORIGINALITY, SUITABILITY, SEARCHABILITY, OPERATION, PERFORMANCE, COMPLIANCE WITH ANY COMPUTATIONAL PROCESS, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

ACS SHALL NOT BE LIABLE FOR: EXEMPLARY, SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR OTHER DAMAGES ARISING OUT OF OR IN CONNECTION WITH THE AGREEMENT GRANTED HEREUNDER, THE USE OR INABILITY TO USE ANY ACS PRODUCT, ACS'S PERFORMANCE UNDER THIS AGREEMENT, TERMINATION OF THIS AGREEMENT BY ACS OR THE LOSS OF DATA, BUSINESS OR GOODWILL EVEN IF ACS IS ADVISED OR AWARE OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL THE TOTAL AGGREGATE LIABILITY OF ACS OUT OF ANY BREACH OR TERMINATION OF THIS AGREEMENT EXCEED THE TOTAL AMOUNT PAID BY GRANTEE FOR ACCESS TO ACS PRODUCTS FOR THE CURRENT YEAR IN WHICH SUCH CLAIM, LOSS OR DAMAGE OCCURRED, WHETHER IN CONTRACT, TORT OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, DUE TO NEGLIGENCE. The foregoing limitations and exclusions of certain damages shall apply regardless of the success or effectiveness of other remedies. No claim may be made against ACS unless suit is filed within one (1) year after the event giving rise to the claim.

13. GRANTEE'S AUTHORIZATION

In the event this Agreement is for a Consortium, Grantee represents that it has the right to enter into this Agreement on behalf of each and every one of the Consortium members. Grantee shall be responsible for compliance with all terms and conditions of this Agreement by all Consortium members and by all Authorized Users and Other Users. In the event this Agreement is not for a consortium, the undersigned represents that he/she has the right to enter into this Agreement on behalf of the Grantee.

14. INDEMNIFICATION

Copyright Indemnification: ACS shall defend, indemnify and hold Grantee harmless from all damages, costs, fees (including reasonable attorney's fees) resulting from any judgment or settlement agreement arising out of the claim by a third party that Grantee's use of the ACS Web Editions, as permitted herein, constitutes an infringement of any the copyright or other proprietary or intellectual property rights of any third party. Grantee shall give prompt notice of an

University of New Mexico - 2257244

infringement claim to ACS, provide such cooperation and assistance to ACS as is reasonably necessary to defend the claim, and shall allow ACS to have sole control of the defense, provided, however, that Grantee retains the right to participate in the defense at its own expense. The foregoing indemnity obligation shall not apply with respect to any claim of infringement of materials contained in ACS Web Editions which have been modified by Grantee without the prior authorization of ACS.

15. GENERAL

This Agreement sets forth the entire understanding of the Parties and, except as provided herein, may not be modified without the express written consent of both Parties. The validity, construction and performance of this Agreement shall be governed by and construed in accordance with the laws of the District of Columbia, USA without reference to its conflicts of laws principles. Grantee acknowledges that the delivery of the ACS Products will occur in the District of Columbia, USA. Grantee shall pay any taxes lawfully due from it, other than taxes on ACS's net income, arising out of Grantee's use of ACS Products and/or other rights granted under this Agreement. Grantee may not assign or transfer its rights under this Agreement without the express written consent of ACS.

16. ACCEPTANCE

Signing this Agreement constitutes acceptance by Grantee of the terms and conditions contained herein. Grantee represents that it has read and understands this Agreement. ACS reserves the right to modify this Agreement at any time by posting the modified terms and conditions on the ACS Publications Web site. Any use of ACS Products after such posting shall constitute acceptance of the terms and conditions as modified.

The parties hereto agree as follows:

SECTION 1. SUBSCRIPTION.

1.1 *Subscribed Products.*

Elsevier hereby grants to the Subscriber the non-exclusive, non-transferable right to access and use the products and services identified in Schedule 1 ("Subscribed Products") and provide the Subscribed Products to its Authorized Users (as defined herein) subject to the terms and conditions of this Agreement.

1.2 *Authorized Users/Sites.*

Authorized Users are the full-time and part-time students, faculty, staff, researchers, and independent contractors of the Subscriber affiliated with the Subscriber's locations listed on Schedule 2 (the "Sites") and individuals using computer terminals within the library facilities at the Sites permitted by the Subscriber to access the Subscribed Products.

1.3 *Authorized Uses.*

The Subscriber and its Authorized Users may:

- access, search, browse and view the Subscribed Products;
- print and download a reasonable portion of the Subscribed Products;
- incorporate links to the Subscribed Products on the Subscriber's intranet and internet websites, provided that the appearance of such links and/or statements accompanying such links shall be changed as reasonably requested by Elsevier;
- access, search, browse, view, print and download certain journal articles and book chapters on the ScienceDirect® online service that are not subscribed to as part of the Subscribed Products, with each twenty-four (24) hour access period for a selected article or chapter, a "Transaction"; and
- incorporate links to the Subscribed Products in electronic coursepacks, reserves and course management systems.

The Authorized Users may:

- transmit single journal articles and book chapters from the Subscribed Products to other Authorized Users and to third-party colleagues for their scholarly or research use.

The Subscriber may:

- print and deliver journal articles from Subscribed Titles (as defined herein) and, if any, book chapters from the Subscribed Products to fulfill requests as part of the practice commonly known as "interlibrary loan" from non-commercial libraries located within the same country as the Subscriber.

1.4 *Restrictions on Use of Subscribed Products.*

Except as may be expressly permitted in this Agreement, the Subscriber and its Authorized Users may not:

- abridge, modify, translate or create any derivative work based on the Subscribed Products without the prior written permission of Elsevier, except to the extent necessary to make them perceptible on a computer screen to Authorized Users;
- remove, obscure or modify in any way any copyright notices, other notices or disclaimers as they appear in the Subscribed Products; or
- substantially or systematically reproduce, retain or redistribute the Subscribed Products.

1.5 *Intellectual Property Ownership.*

The Subscriber acknowledges that all right, title and interest in and to the Subscribed Products remain with Elsevier and its suppliers, except as expressly set forth in this Agreement, and that the unauthorized redistribution of the Subscribed Products could materially harm Elsevier and its suppliers.

SECTION 2. ELSEVIER PERFORMANCE OBLIGATIONS.

2.1 *Access to Subscribed Products.*

Elsevier will make the Subscribed Products accessible to the Subscriber and its Authorized Users from the World Wide Web address set forth on Schedule 1 or as may be otherwise set forth herein.

2.2 *Quality of Service.*

Elsevier shall use reasonable efforts to provide the Subscribed Products with a quality of service consistent with industry standards, specifically, to provide continuous service with an average of 98% up-time per year, with the 2% down-time including scheduled maintenance and repairs performed at a time to minimize inconvenience to the Subscriber and its Authorized Users, and to restore service as soon as possible in the event of an interruption or suspension of service.

2.3 *Withdrawal of Content.*

Elsevier reserves the right to withdraw from the Subscribed Products content that it no longer retains the right to provide or that it has reasonable grounds to believe is unlawful, harmful, false or infringing.

2.4 *Usage Data Reports.*

Elsevier will make usage data reports on the Subscriber's usage activity accessible online on a monthly basis to the librarians/administrators employed by the Subscriber for internal use only. Such reports may be accessed by vendors or other third parties retained by the Subscriber only with the express written permission of Elsevier and for the purpose of usage analysis of the Subscriber.

SECTION 3. SUBSCRIBER PERFORMANCE OBLIGATIONS.

3.1 *Authorized Access.*

Access to the Subscribed Products shall be authenticated by the use of Internet Protocol ("IP") address(es) indicated by the Subscriber on Schedule 2 and/or usernames and passwords and/or a delegated authentication mechanism, identified on Schedule 2, requiring at least two different credentials.

3.2 *Protection from Unauthorized Access and Use.*

The Subscriber shall use reasonable efforts to:

- ensure that access to and use of the Subscribed Products is limited to Authorized Users and that all Authorized Users are notified of and comply with the usage restrictions set forth in this Agreement;
- ensure that any passwords or credentials used to access the Subscribed Products are issued only to Authorized Users and that neither the Subscriber nor its Authorized Users divulge any passwords or credentials to any third party; and
- immediately upon becoming aware of any unauthorized use of the Subscribed Products, inform Elsevier and take appropriate steps to ensure that such activity ceases and to prevent any recurrence.

In the event of any unauthorized use of the Subscribed Products, Elsevier may suspend the access and/or require that the Subscriber suspend the access from where the unauthorized use occurred upon notice to the Subscriber. The Subscriber shall not be liable for unauthorized use of the Subscribed Products by any Authorized Users provided that the Subscriber did not intentionally assist in or encourage such unauthorized use or permit such unauthorized use to continue after having actual notice thereof.

SECTION 4. FEES AND PAYMENT TERMS.

The Subscriber shall pay to Elsevier the fees set forth in Schedule 1 (the "Fees") within thirty (30) days of date of invoice. Late payments shall be subject to interest charges of 1% per month on the unpaid balance. The Fees shall be exclusive of any sales, use, value added, withholding or similar tax and the Subscriber shall be liable for any such taxes in addition to the Fees. Elsevier shall send a copy of Elsevier's invoice to the Subscriber's subscription agent identified as the Billing Contact on Schedule 2 (the "Agent"), and the Subscriber shall cause the Agent to pay Elsevier in accordance with the payment terms set forth above. If the Agent fails to pay the full amount of Elsevier's invoice on a timely basis, Elsevier may suspend the Subscriber's access to the Subscribed Products until the unpaid amounts of such invoice, and any interest charges, are paid.

SECTION 5. TERM.

5.1 *Term.*

The term of this Agreement shall commence on 1 January 2010 and continue until 31 December 2014.

5.2 *Renewal.*

This Agreement will be automatically renewed for successive one-year terms, subject to appropriate adjustments to Schedule 1, unless either party gives notice to the other by 1 August prior to the end of the then current term that it does not intend to renew.

5.3 *Early Termination Due To Insufficient Budgetary Allotment From Government.*

The Subscriber may terminate this Agreement if sufficient funds are not provided or allotted in future government-approved budgets of the Subscriber (or reasonably available or expected to become available from other sources at the time the Subscriber's payment obligation attaches) to permit the Subscriber, in the exercise of its reasonable administrative discretion, to continue this Agreement.

SECTION 6. ELSEVIER WARRANTIES AND INDEMNITIES.

6.1 *Warranties.*

Elsevier warrants that use of the Subscribed Products in accordance with the terms and conditions herein will not infringe the intellectual property rights of any third party.

6.2 *Indemnities.*

After the initial year of the term, the Fees for the Subscriber's ScienceDirect Journal Collection(s) shall be subject to an adjustment to account for any titles added to or removed from the Journal Collection(s) during the remainder of the term of this Agreement, and the Subscriber shall receive a refund in the amount of a "price cap credit" to account for any increase in the prices of its paid print subscriptions that exceed the annual subscription price increase cap of 5% herein.

Journal Collection(s)

The Subscriber's ScienceDirect Journal Collection(s) is described in Schedule 1.1.

Transaction Fee

The Subscriber shall be charged a fee of Science Direct \$22.00 Article per Transaction (as defined in Section 1.3) from Elsevier journals and books. Unused pre-paid Transactions shall be forfeited upon termination of the Subscriber's subscription to ScienceDirect online.

ELSEVIER SUBSCRIPTION AGREEMENT

Schedule 1.1

Journal Collection(s)

Journal Collection(s):

Complete Collection: Electronic access to the full text of all articles from the Elsevier journal titles published since 1 January 1999 identified on Annex A.

Cell Press Collection: Electronic access to the full text of all articles from the Cell Press journal titles published since 1 January 1995 identified on Annex A.

Freedom Collection: Electronic access to the full text of all articles from the Elsevier journal titles published since 1 January 2006 set forth in the Freedom Collection Journal Title List at <http://www.info.sciencedirect.com/content/journals/titles/#freedom>, as may be updated annually with the changes effective as of 1 January of the following calendar year of the term of the Agreement.

Option to Substitute Subscribed Titles

The Subscriber may substitute any of the subscribed journal titles identified on Annex A ("Subscribed Titles") with one or more journal titles of total comparable value (in current year list price) once annually upon notice to Elsevier by 1 August prior to the start of the next calendar year or at any time upon mutual agreement of the parties in writing.

Option to Substitute or Refund Withdrawn Subscribed Titles

The Subscriber may substitute any withdrawn Subscribed Title with one or more journal titles of total comparable value (in current year list price) at any time upon notice to Elsevier. In the event that no substitute journal title is available, Elsevier shall refund to the Subscriber the amount of the Fees paid for the withdrawn Subscribed Title for the remainder of the term.

Access to Formerly Subscribed Titles

Upon termination of all of the Subscriber's annual subscriptions on ScienceDirect online, the Subscriber may, at its option, (1) acquire, load and technically format on a server that enables access and use by Authorized Users an electronic copy of all or part of its Subscribed Titles for the publication years paid for cost and/or (2) continue to access such Subscribed Titles online for an annual access fee based on the number of full-text articles downloaded from such titles during the prior twelve (12) months at a rate of \$0.081 per download (adjusted annually for inflation and cost increases), in accordance with the usage provisions of this Agreement, which provisions shall survive the termination of the Agreement. Elsevier shall make available for inspection by a duly authorized auditor of the Subscriber, at the Subscriber's sole expense, the records concerning the calculation of the annual access fee one time per year during regular business hours upon thirty (30) days written notice to Elsevier. The electronic copy may not contain links and other features and functionality associated with the online version. If a particular Subscribed Title is withdrawn by Elsevier or not renewed by the Subscriber, but the Subscriber remains a ScienceDirect online subscriber, the Subscriber may continue to access online, at no additional charge, such formerly Subscribed Title for the publication years paid, provided that Elsevier continues to hold the electronic rights thereto.

Print Subscriptions and Expenditure Commitment

The Subscriber has provided to Elsevier a complete list of Subscribed Titles from its Freedom Collection in print, including multiple subscriptions, the value of which, set forth above, shall be separately invoiced to and paid by the Subscriber in full no later than 31 March of each calendar year of the term of the Agreement. If the Subscriber fails to make full payment on a timely basis, the Subscriber shall pay to Elsevier the value (in current year list price) of the unpaid print subscriptions. The Subscriber may substitute an electronic-only subscription for an existing print subscription during the term of the Agreement by giving Elsevier notice by 1 August prior to the start of the next calendar year of the Agreement, which substitution will not be considered a breach of the Subscriber's foregoing print expenditure commitment. An "e-only" discount of ten (10%) percent off the value of the then current year list price of the Subscriber's subscriptions that are accessed electronically only will be applied to the annual subscription renewal of the next calendar year and continue for each calendar year thereafter remaining in the term of this Agreement.

Emerald will not be liable to the Licensee (or any Authorized User or any other person) for any losses or damages, arising out of the inability to use, or the use of, the Licensed Material including, but not limited to, any special, exemplary, incidental or consequential damages.

Emerald's aggregate liability for any claims, losses, or damages arising out of any breach of this License shall in no circumstances exceed the fee paid by the Licensee under this License in respect of the Subscription Period during which such claim, loss or damage occurred.

Nothing in this clause 5 shall affect Emerald's liability for death or personal injury arising from negligence, nor Emerald's liability for fraudulent misrepresentation or misrepresentation as to a fundamental matter, nor any other liability which cannot be excluded or limited under applicable law.

6. Term

The Agreement shall commence on the date specified in the Subscription Order form and shall remain in effect for the Subscription Period unless terminated in accordance with clause 7 (Termination) below.

At the end of the Initial License Period, the License may be renewed for Renewal Periods of 12 months, unless the Licensee provides written notice to Emerald's Customer Service Department 30 days prior to the end of the Initial License Period or, if renewed, the end of the applicable Renewal Period informing Emerald that it does not wish to renew the Agreement.

7. Termination

Either party may terminate the Agreement and/or License:

if the other party commits a material or persistent breach of any term of the Agreement and fails to remedy the breach (if capable of remedy) within 30 days of notification in writing by the aggrieved party; or
if the other party becomes insolvent or becomes subject to receivership, liquidation or similar external administration.

Emerald may terminate the Agreement and/or License:

Emerald shall provide continuing access to that part of the Licensed Material published only during the Subscription Period, subject to the License; and
Emerald shall not be obliged to provide continuing access to any other part of the Licensed Material.

the Licensee shall immediately cease to distribute or make available the Licensed Material to Authorized Users; and
at the request of Emerald shall return to Emerald or destroy all Licensed Material on the Licensee's computer network.

On termination of this Agreement for any reason, the Licensee's obligations in relation to the Licensed Material pursuant to the License shall continue, including, but not limited to, the Licensed Material to which access continues to be permitted in accordance with clause 7.3.1 above.

8. General

This License together with the Subscription Order Form and the attached Appendix constitutes the entire agreement (the "Agreement") of the parties and supersedes all prior communications, understandings and agreements relating to the subject matter of the Agreement, whether oral or written.

This License may not be assigned or sub-contracted by either party to any other person or organization, except as herein, without the prior written consent of the other party, which shall not unreasonably be withheld.

Any variations to this Agreement, including any modification or alteration of fees or charges occurring during the time frame specified in the Appendix to the Subscription Order Form accompanying this License, must be mutually agreed upon, and signed by both parties.

Neither party's delay nor failure to perform any provision of the Agreement, as result of circumstances beyond its control (including, without limitation, war, strikes, floods, governmental restrictions, power, telecommunications or Internet failures, or damage to or destruction of any network facilities) shall be deemed to be, or to give rise to, a breach of the Agreement.

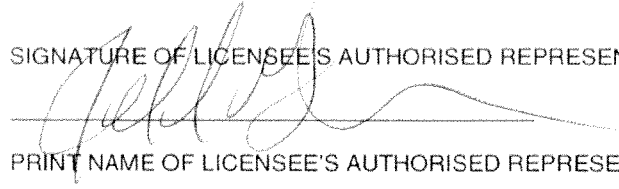

The invalidity or un-enforceability of any provision of the Agreement shall not affect the continuation or enforceability of the remainder of the Agreement.

Either party's delay or failure to require performance by the other of any provision of the Agreement will not affect its full right to require such performance at any subsequent time or be taken or held to be a waiver of the provision itself.

The Agreement shall be governed by and construed in accordance with laws of the State of New Mexico and the parties irrevocably agree that any dispute arising out of or in connection with the Agreement will be within the State Courts of New Mexico.

OXFORD UNIVERSITY PRESS ONLINE JOURNALS: INSTITUTIONAL AGREEMENT TERMS

1. DEFINITIONS

In this Agreement, the following expressions shall have the following meanings:

"Authorised User" shall mean an individual who is authorised by the Licensee to access the Licensee's information services available through the Licensee's Secure Network and who is (i) affiliated with the Licensee as a current student, faculty, library patron, employee, or in some other capacity whereby they are permitted to access such services in the Licensee's ordinary course of business, whether from a computer or terminal on the Licensee's Secure Network, or offsite via a modem link to a valid IP address on the Licensee's Secure Network; or (ii) physically present on the Licensee's premises;

"Commercial Use" shall mean use for the purposes of monetary reward (whether by or for the Licensee, an Authorised User, or any other person or entity) by means of sale, resale, loan, transfer, hire, or other form of exploitation of the Licensed Works;

"Online Registration Materials" shall mean the registration materials appearing at www3.oup.co.uk/oup-bin/Register required to be submitted by the Licensee before the Licensee can access the Licensed Work; "Licensor Trademarks" shall mean the designations OXFORD, and OXFORD UNIVERSITY PRESS;

"Material" shall mean any abstract, article, index, advertising or other material contained in the Licensed Works and accessed online;

"Passwords" shall mean any Licensee's password(s) required to be created in the Online Registration Materials;

"Secure Network" shall mean a network (whether a stand alone network or a virtual network within the Internet) which is only accessible to Authorised Users. A cache server or any server or network which can be accessed by unauthorised users is not a secure network for these purposes;

"Server" shall mean either Licensor's server or a third party server designated by Licensor on which the Licensed Works are mounted and through which the Licensee and its authorised Users may gain access to the Licensed Works by means of the World Wide Web.

2. GRANT OF LICENCE, USAGE RIGHTS AND LIMITATIONS ON USE

2.1 In respect of each Site, Licensor grants the Licensee the non-exclusive and non-transferable right to allow Authorised Users to access and use the Licensed Works throughout the Subscription Period by means of one or more Secure Networks for the purposes of research, teaching, and private study.

2.2 Throughout the Subscription Period, Authorised Users may:

- 2.2.1 access the Server by means of a Secure Network in order to search the Licensed Works and to view, retrieve, and display portions thereof;
- 2.2.2 electronically save portions of the Licensed Works;
- 2.2.3 print out single copies of portions of the Licensed Works;
- 2.2.4 provide print or electronic copies of all or any part of the Licensed Works to national or international regulatory authorities for the purposes of or in anticipation of regulatory approval and/or trademark applications or other regulatory purposes in respect of the Licensee's products or services.

2.3 The Licensee and Authorised Users may not:

- 2.3.1 remove or alter Licensor's copyright notices or other means of identification or disclaimers as they appear in the Licensed Works;
- 2.3.2 systematically make printed or electronic copies of multiple portions of the Licensed Works for any purpose;
- 2.3.3 display or distribute any part of the Licensed Works on any electronic network, including without limitation the Internet and the World Wide Web, other than a Secure Network;
- 2.3.4 permit anyone other than Authorised Users to access or use the Licensed Works;
- 2.3.5 use all or any part of the Licensed Works for any Commercial Use.

2.4 Where the Licensee is an academic library or part of a non-commercial organisation, then notwithstanding any restriction in clause 2.3, the Licensor hereby grants the Licensee the non-exclusive right to supply (whether by post, fax or secure electronic transmission, using Ariel or its equivalent, whereby the electronic file is deleted after printing) to an authorised user of another academic library in the same country as the Licensee or library which is part of a non-commercial organisation in the same country as the Licensee, for the purposes of research or private study and not for commercial use, a single paper copy of an electronic original of an individual document from a journal included in the Licensed Works. If the number of copies provided in any one calendar year for any one journal title to any one library exceeds five articles, the Licensee may (i) supply the article and pay the Licensor's standard document delivery copyright royalty rate; (ii) forward the request to the Licensor who will undertake to provide the article on a pay per view basis; (iii) forward the request to a document delivery company; or (iv) return the request unfulfilled. The Licensor may request reports in respect of the Licensee's use of the Licensed Works in such inter-library loans, provided the confidentiality of user data shall be maintained.

If the Licensee is located in the United States of America, the Licensee agrees to fulfil such requests in compliance with Section 108 of the United States Copyright Law (17 USC §108, "Limitations on exclusive rights: reproduction by libraries and archives") and with guidelines developed by the National Commission on New Technological Uses of Copyrighted Works (CONTU Guidelines) from time to time, the text of which is available as part of the US Copyright Office Circular 21.

2.5 On expiry of the Subscription Period, the Licensee shall be entitled to continue to exercise at no charge the non-exclusive rights granted herein (subject to the terms and conditions hereof) but only in respect of Material published for the first time during the Subscription Period. Nothing in this sub-clause requires the Licensor to continue to host the Material on its servers after the expiry of the Subscription Period or to make the Material available in any other form to the Licensee. The rights granted in this sub-clause will terminate immediately in respect of any Material which the Licensor ceases to have the right to publish.

3. **RESPONSIBILITIES OF THE LICENSEE**

3.1 The Licensee will provide all identifying information relating to the Licensee and its Authorised Users required by the Online Registration Materials. The Licensee acknowledges that access to the Licensed Works under this Agreement is conditional upon the Licensee completing the Online Registration Materials. The Licensee will amend the Online Registration Materials promptly following any additions, deletions or other alterations to the information supplied.

3.2 The Licensee will obtain at its cost all telecommunications and other equipment and software (including an Internet browser and portable document file reader) together with all relevant software

licenses necessary to access the Licensed Works online via the Licensee's Secure Network.

3.3 The Licensee will:

- 3.3.1 be responsible for the confidentiality and all use of its Password(s);
- 3.3.2 use all reasonable efforts to ensure that only Authorised Users are permitted access to the Licensed Works by means of the Licensee's Secure Network;
- 3.3.3 take all reasonable steps to ensure that all Authorised Users abide by terms of this Agreement.

3.4 The Licensee will notify Licenser as soon as practicable if it becomes aware of any of the following: (a) any loss or theft of the Licensee's Password(s); (b) any unauthorised use of any of the Licensee's Password(s); or (c) any breach by an Authorised User of the terms of this Agreement. Upon becoming aware of any breach of the terms of this Agreement by an Authorised User, the Licensee further agrees promptly to initiate disciplinary procedures in accordance with the Licensee's standard practice.

4. RESPONSIBILITIES OF LICENSOR

4.1 Licenser shall provide the Licensee with a customer number necessary to enable the Licensee to submit the Online Registration Materials.

4.2 Licenser shall use all reasonable efforts:

- 4.2.1 to make the Licensed Works available by means of the World Wide Web to the Licensee throughout the Subscription Period;
- 4.2.2 to ensure that the Server has sufficient capacity and rate of connectivity to provide the Licensee with a quality of service consistent with current standards in the World Wide Web on-line information provision industry;
- 4.2.3 to restore access to the Licensed Works as soon as possible in the event of an interruption or suspension of the service.

4.3 Licenser agrees to make available to the Licensee a monthly usage report throughout the Subscription Period detailing the level of use of the Licensed Works by the Licensee's Authorised Users per month, but only to the extent such monthly usage reports are made available by the party hosting the Licensed Works on behalf of the Licenser. This report will not identify individual Authorised User usage, but will be provided in respect of the IP address range(s) given by the Licensee in the Online Registration Materials as a whole. The Licenser will not be able to provide accurate usage reports if the Licensee stores the Licensed Works on any cache or proxy server, or accesses the Licensed Works through an agent gateway.

5. PAYMENTS BY THE LICENSEE AND RENEWALS

5.1 In consideration of the rights granted by Licenser under this Agreement, the Licensee shall pay the Charges due to Licenser within 30 days of the Effective Date, upon receipt of an appropriate invoice. Notwithstanding any other provision of this Agreement, no access will be granted hereunder to the Licensee until all Charges have been received by the Licenser.

5.2 No later than 30 days before the end of the Subscription Period, the Licenser will send the Licensee an invoice for fees for renewal of this Agreement for a further twelve-month period, together with any amendments to Appendix A (list of Licensed Works) which would apply to the renewal period in question. These fees may be higher than the Charges. If the Licensee does not pay the renewal fees by the

end of the Subscription Period, this Agreement will terminate automatically at that time.

6. ACKNOWLEDGMENT AND PROTECTION OF INTELLECTUAL PROPERTY RIGHTS

6.1 The Licensee acknowledges that all copyrights, patent rights, Licensor Trademarks, services marks, database rights, trade secrets and other intellectual property rights relating to the Licensed Works (collectively the "Licensor Intellectual Property"), are the sole and exclusive property of Licensor and that this Agreement does not convey to the Licensee any right, title, or interest therein except for the right to use the Licensed Works in accordance with the terms and conditions of this Agreement.

6.2 The Licensee shall notify Licensor promptly (i) of the facts and circumstances surrounding any unauthorised possession or use of the Licensed Works, or Licensor Intellectual Property, or any portion thereof; and (ii) on becoming aware of any claim by any third party that the Licensed Works infringes an intellectual property or proprietary right of any third party.

7. REPRESENTATIONS AND WARRANTIES

7.1 LICENSOR REPRESENTS AND WARRANTS THAT IT HAS THE POWER TO ENTER INTO THIS AGREEMENT AND TO GRANT THE RIGHTS CONFERRED HEREIN TO THE LICENSEE AND THAT THE LICENSED WORKS DONOT VIOLATE OR INFRINGE UPON ANY PATENT, COPYRIGHT, TRADEMARK, TRADE SECRET OR OTHER PROPRIETARY RIGHT OR CONTRACT RIGHT OF ANY THIRD PARTY.

7.2 SAVE AS PROVIDED ABOVE, LICENSOR GIVES NO WARRANTY, EXPRESS OR IMPLIED, AND MAKES NO REPRESENTATION THAT (I) THE LICENSED WORKS WILL BE OF SATISFACTORY QUALITY, SUITABLE FOR ANY PARTICULAR PURPOSE OR FOR ANY PARTICULAR USE UNDER SPECIFIED CONDITIONS, NOTWITHSTANDING THAT SUCH PURPOSE, USE, OR CONDITIONS MAY BE KNOWN TO LICENSOR; OR (II) THAT THE LICENSED WORKS WILL OPERATE ERROR FREE OR WITHOUT INTERRUPTION OR THAT ANY ERRORS WILL BE CORRECTED; OR (III) THAT THE MATERIAL PUBLISHED IN THE LICENSED WORKS IS EITHER COMPLETE OR ACCURATE.

7.3 IN NO CIRCUMSTANCES WILL LICENSOR BE LIABLE TO THE LICENSEE OR ANY THIRD PARTY FOR ANY LOSS RESULTING FROM A CAUSE OVER WHICH LICENSOR DOES NOT HAVE DIRECT CONTROL, INCLUDING BUT NOT LIMITED TO FAILURE OF ELECTRONIC OR MECHANICAL EQUIPMENT OR COMMUNICATION LINES, TELEPHONE OR OTHER INTERCONNECT PROBLEMS, UNAUTHORISED ACCESS, THEFT, OR OPERATOR ERRORS.

7.4 IN NO CIRCUMSTANCES WILL LICENSOR BE LIABLE TO THE LICENSEE OR ANY THIRD PARTY FOR ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL OR INDIRECT DAMAGES OR LOSS OF PROFITS INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF DATA OR CORRUPTION OF DATA, LOSS OF PROGRAMS, LOSS OF BUSINESS OR GOODWILL, OR OTHER DAMAGES OR LOSSES OF ANY NATURE ARISING OUT OF THE USE OF, OR INABILITY TO USE THE LICENSED WORKS.

7.5 WITHOUT PREJUDICE TO THE INDEMNITY IN CLAUSE 8.1, THE LICENSEE AGREES THAT THE ENTIRE LIABILITY OF LICENSOR TO THE LICENSEE OR AUTHORISED USERS ARISING OUT OF ANY KIND OF LEGAL CLAIM (WHETHER IN CONTRACT, TORT, BY STATUTE OR OTHERWISE) IN ANY WAY CONNECTED WITH THE USE OR INABILITY TO USE THE LICENSED WORKS SHALL BE THE REFUND OF ANY CHARGES PAID UNDER THIS AGREEMENT.

8. SUBSCRIPTION PERIOD AND TERMINATION

8.1 Licensor reserves the right at any time on 30 days notice to the Licensee to terminate this Agreement in respect of any Licensed Work(s) due to ceasing publication of such Licensed Work(s).

9.2 Either party may terminate this Agreement forthwith by serving written notice on the other in the event that the other party commits a material breach of this Agreement and in the case of a breach capable of remedy fails to remedy the same within 30 days of a request so to do. For the avoidance of doubt, a material breach by the Licensee shall be defined as one or more of the following:

(i) a breach of the provisions of Clause 3.3 and Clause 4.2,

(ii) any unauthorised use or dissemination of the Licensed Work(s) by the Licensee or Authorised Users and,

(iii) any violation of this Agreement or of any third-party's rights by the Licensee or Authorised Users, including but not limited to infringement of any copyright, violation of any proprietary right and invasion of any privacy rights.

9. GENERAL

9.1 This Agreement is personal to and binding on the parties and neither this Agreement nor any of the rights under it may be assigned or sublicensed.

9.2 All notices required to be given under this Agreement shall be given in writing in English and left at or sent by first class registered or recorded delivery to the appropriate address shown at the head of this Licence, or such other address as the party concerned shall from time to time designate by notice pursuant to this Clause. Such notices shall be deemed to be delivered (i) when left at the addressee's address; or (ii) if posted 10 (ten) days after posting. All notices to Licensor shall be marked for the attention of the Group Legal Director. All notices to the Licensee shall be marked for the attention of the person whose contact details are given in the Schedule.

9.3 This Agreement constitutes the entire agreement of the parties about its subject matter, supersedes all prior communications, understandings and agreements (whether written or oral) relating to its subject matter and may not be amended or modified except by agreement in writing signed by both parties.

9.4 No provision in this Agreement is intended to be enforceable by a person who is not a party to this Agreement.

9.5 The rights of the parties arising under this Agreement shall not be waived except in writing. Any waiver of any of a party's rights under this Agreement or of any breach of this Agreement by the other party shall not be construed as a waiver of any other rights or of any other further breach.

9.6 Headings used in this Agreement are for convenience only and are deemed not to be part of the Agreement.
