 - 2.3.1 the Publisher shall provide continuing access for Authorised Users to that part of the Licensed Materials which was published and paid for within the Subscription Period, either from the Server or by supplying electronic files to the Institution or via a third party;
 - 2.3.2 notwithstanding 2.3.1, the Publisher may in certain circumstances no longer have the right to fulfil the terms of clause 2.3.1 in respect of a particular Journal, but the Publisher undertakes to try to avoid this by using all commercially reasonable endeavours to ensure that any sale or re-assignment of any part of the Licensed Materials is without prejudice to the ongoing fulfilment of the terms of this License. The Publisher will use all reasonable effort to retain a non-exclusive copy of the volumes published and paid for within the Subscription Period, and make them available free of charge

 - 6.1.4 alter, abridge, adapt or modify the Licensed Materials except to the extent necessary to provide access to Authorised Users under the terms of this License.
- 6.2 The Publisher's explicit written permission must be obtained in order to:
- 6.2.1 use all or any part of the Licensed Materials for any Commercial Use;
 - 6.2.2 distribute the whole or any part of the Licensed Materials to anyone other than Authorised Users except as stipulated in clause 4.1;
 - 6.2.3 publish, distribute or make available the Licensed Materials, works based on the Licensed Materials or works which combine them with any other material, other than as permitted in this License;

7 PUBLISHER'S UNDERTAKINGS

- 7.1 The Publisher warrants to the Licensee that the Licensed Materials used as contemplated by this License do not infringe the copyright or any other proprietary or intellectual property rights of any person. The Publisher shall indemnify and hold the Licensee harmless from and against any loss, damage, costs, liability and expenses (including reasonable legal and

professional fees) arising out of any legal action taken against the Licensee claiming actual or alleged infringement of such rights. This indemnity shall survive the termination of this Licence for any reason. This indemnity shall not apply if the Licensee has amended the Licensed Materials in any way not permitted by this License.

7.2 The Publisher shall:

- 7.2.1 make the Licensed Materials available to the Licensee from the Server in the media, format and time schedule specified in Schedule 1. The Publisher will notify the Licensee at least ninety (90) in advance of any anticipated specification change applicable to the Licensed Materials. If the changes render the Licensed Materials less useful in a material respect to the Licensee, the Licensee may within sixty (60) days of such notice treat such changes as a breach of this Licence under clause 10.1.2
- 7.2.2 make every reasonable effort to provide journal content online promptly after publication in print and where possible prior to publication in print.
- 7.2.3 provide the Licensee, within thirty (30) days of the date of this License, with information sufficient to enable the Licensee to access the Licensed Material.
- 7.2.4 use reasonable endeavours to ensure that the Server has adequate capacity and bandwidth to support the usage of the Licensee at a level commensurate with the standards of availability for information services of similar scope operating via the World Wide Web, as such standards evolve from time to time over the term of this License
- 7.2.5 use reasonable endeavours to make the Licensed Materials available to the Licensee and to Authorised Users at all times and on a twenty-four hour basis, save for routine maintenance (which shall be notified to the Licensee in advance wherever possible), and to restore access to the Licensed Materials as soon as possible in the event of an interruption or suspension of the service.

7.3 The Publisher reserves the right at any time to withdraw from the Licensed Materials any item or part of an item for which it no longer retains the right to publish, or which it has reasonable grounds to believe infringes copyright or is defamatory, obscene, unlawful or otherwise objectionable. The Publisher shall give written notice to the Licensee of such withdrawal. If in the reasonable opinion of the Licensee the withdrawal results in the Licensed Materials being no longer useful to the Licensee, the Licensee may within sixty (60) days of such notice treat such changes as a breach of this Licence under clause 10.1.2.

7.4 The Publisher reserves the right to discontinue online access to the Server by an individual Institution and its Authorised Users in the event that the Institution and/or its Authorised Users (as opposed to the Institution as a whole) commits material or persistent breaches of the terms of this License

and fails to rectify such breach within sixty (60) days of notification by the Institution.

- 7.5 Collection and analysis of data on the usage of the Licensed Materials will assist both the Publisher and the Licensee to understand the impact of this License. The Publisher shall provide to the Licensee or facilitate the collection and provision to the Licensee and the Publisher by the Licensee of usage data on the number of articles downloaded or printed, by journal title, on a schedule to be mutually agreed but at least annually on an agreed date for the Publisher's and the Licensee's private internal use only. Such usage data shall be compiled in a manner consistent with applicable privacy and data protection laws, and the anonymity of individual users and the confidentiality of their searches shall be fully protected. In the case that the Publisher assigns its rights to another party under clause 12.3, the Licensee may at its discretion require the assignee either to keep such usage information confidential or to destroy it.
- 7.6 Except as expressly provided in this License, the Publisher makes no representations or warranties of any kind, express or implied, including, but not limited to, warranties of design, accuracy of the information contained in the Licensed Materials, merchantability or fitness of use for a particular purpose. The Licensed Materials are supplied 'as is'.
- 7.7 Except as provided in clause 7.1, under no circumstances shall the Publisher or the Publisher's Representative be liable to the Licensee or any other person, including but not limited to Authorised Users, for any special, exemplary, incidental or consequential damages of any character arising out of the inability to use, or the use of, the Licensed Materials. Irrespective of the cause or form of action, the Publisher's aggregate liability for any claims, losses, or damages arising out of any breach of this License shall in no circumstances exceed the Fee paid by Licensee to the Publisher under this Licence in respect of the Subscription Period during which such claim, loss or damage occurred.

8 LICENSEE'S UNDERTAKINGS

8.1 The Licensee shall:

- 8.1.1 use reasonable endeavours to ensure that all Authorised Users are appropriately notified of the importance of respecting the intellectual property rights in the Licensed Materials and of the sanctions which the Licensee imposes for failing to do so;
- 8.1.2 use reasonable endeavours to notify Authorised Users of the terms and conditions of this License and take steps to protect the Licensed Materials from unauthorised use or other breach of this License;
- 8.1.3 use reasonable endeavours to monitor compliance and immediately upon becoming aware of any unauthorised use or other breach, inform the Publisher and take all reasonable and appropriate steps, including disciplinary action, both to ensure that such activity ceases and to prevent any recurrence;

8.1.4 provide the Publisher, within thirty (30) days of the date of this Agreement, with information sufficient to enable the Publisher to provide access to the Licensed Material in accordance with its obligation under clause 7.2.3. Should the Licensee make any significant change to such information, it will notify the Publisher not less than ten (10) days before the change takes effect.

8.1.5 use reasonable endeavours to ensure that only Authorised Users are permitted access to the Licensed Materials.

8.2 The Licensee shall, in consideration for the rights granted under this License, pay the Fee within sixty (60) days of signature and, if applicable, within sixty (60) days of receipt of invoice relating to each subsequent Subscription Period, or according to the payment terms set forth on the invoice. For the avoidance of doubt, the Fee shall be exclusive of any sales, use, value added or similar taxes and the Institution shall be liable for any such taxes in addition to the Fee.

9 UNDERTAKINGS BY BOTH PARTIES

9.1 Each party shall use its best endeavours to safeguard the intellectual property, confidential information and proprietary rights of the other party.

10 TERM AND TERMINATION

10.1 In addition to automatic termination (unless renewed) under clause 2.2, this License may be terminated:

10.1.1. if the Licensee defaults in making payment of the Fee as provided in this License and fails to remedy such default within sixty (60) days of notification in writing by the Publisher;

10.1.2. if either party commits a material or persistent breach of any term of this License and fails to remedy the breach (if capable of remedy) within sixty (60) days of notification in writing by the other party;

10.1.3. if the Licensee commits a wilful material and persistent breach of the Publisher's copyright or other intellectual property rights or of the provisions of clause 3 in respect of usage rights or of clause 6 in respect of prohibited uses;

10.1.4. if the Publisher no longer owns a Journal or no longer publishes a Journal on behalf of a particular Society (then the License may be terminated in respect of that Journal alone and the Licensee shall be entitled to a refund based on the proportion of the Licensed Materials made up by that particular Journal);

10.1.5. if either party becomes insolvent or becomes subject to receivership, liquidation or similar external administration;

10.1.6. if access, capacity, or technical services of the Publisher or Publisher's Representative are incapable of providing reliable use of the Licensed Materials or otherwise frustrate the intent of the Licensee in entering into this License and such technical issues

cannot be resolved by the Publisher or Publisher's Representative within sixty (60) days of notification in writing from the Licensee.

- 10.2 Except as otherwise provided herein, on termination all rights and obligations of the parties automatically terminate except for obligations in respect of Licensed Materials to which access continues to be permitted.
- 10.3 On termination of this License for cause, as specified in clauses 10.1, the Licensee shall immediately cease to distribute or make available the Licensed Materials to Authorised Users except as provided in clause 2.3.
- 10.4 On termination of this License by the Licensee for cause, as specified in clause 10.1.2 and 10.1.5 above, the Publisher shall promptly and within sixty (60) days refund the proportion of the Fee that represents the paid but un-expired part of the Subscription Period.
- 10.5 An individual member of the Institution may terminate this Agreement with respect to that Institution if sufficient funds are not provided or allotted in the library budget for the Licensed Materials by the appropriate body in the member's institution. The Vice Chancellor or similar official of the member's Institution shall provide a written statement to the Publisher in which the Vice Chancellor confirms the significantly decreased budget allocation to the Library. Notice of such a decision must reach the Publisher by 1 October at the latest for implementation at the commencement of the next calendar year. The member institution's participant fee will be deducted from the invoice. Once the cumulative value of opted-out institutions represents more than 20% of the prevailing value, the Publisher reserves the right to renegotiate the terms of this agreement.

11 BRIBERY AND CORRUPTION

- 11.1 Both parties confirm their ongoing commitment to complying with the provisions of the US Foreign Corrupt Practices Act 1977 and shall promptly report to the other any request or demand for any undue financial or other advantage of any kind received by them in connection with the performance of this Agreement.

12 USE OF AN EXPERT TO RESOLVE DISPUTES

- 12.1 If any difference arises between the Publisher and the Licensee touching the meaning of this License and the rights and liabilities of the parties, the parties shall first use their best endeavours to resolve such difference between themselves.

13 GENERAL

- 13.1 This License constitutes the entire agreement of the parties and supersedes all prior communications, understandings and agreements relating to the subject matter of this License, whether oral or written.
- 13.2 Alterations to this License and to the Schedules to this License are only valid if they are recorded in writing and signed by both parties.

- 13.3 This License may not be assigned by either party to any other person or organisation except as provided under clause 12.4 below, nor may either party sub-contract any of its obligations, except as provided in this License in respect of the Representative and the management and operation of the Server and the Publisher's Representative, without the prior written consent of the other party, which consent shall not unreasonably be withheld.
- 13.4 If rights in all or any part of the Licensed Materials are assigned by the Publisher to another publisher, the Publisher shall use all reasonable endeavours to ensure that the terms and conditions of this License are maintained.
- 13.5 Any notices to be served on either of the parties by the other shall be sent by prepaid recorded delivery or registered post to the address of the addressee as set out in this License or to such other address as notified by either party to the other as its address for service of notices. All such notices shall be deemed to have been received within fourteen (14) days of posting.
- 13.6 Neither party's delay nor failure to perform any provision of this License, as result of circumstances beyond its control (including, without limitation, war, strikes, floods, governmental restrictions, power, telecommunications or Internet failures, or damage to or destruction of any network facilities) shall be deemed to be, or to give rise to, a breach of this License.
- 13.7 The invalidity or un-enforceability of any provision of this License shall not affect the continuation or enforceability of the remainder of this License.
- 13.8 Either party's waiver, or failure to require performance by the other, of any provision of this License will not affect its full right to require such performance at any subsequent time, or be taken or held to be a waiver of the provision itself.

ELSEVIER SUBSCRIPTION AGREEMENT

This agreement ("Agreement") is entered into as of 17 December 2013 by and between **University of Virginia**, Charlottesville, VA 22904, USA (the "Subscriber"), and **Elsevier B.V.**, Radarweg 29, 1043 NX Amsterdam, The Netherlands ("Elsevier").

The parties hereto agree as follows:

SECTION 1. SUBSCRIPTION.

1.1 *Subscribed Products.*

Elsevier hereby grants to the Subscriber the non-exclusive, non-transferable right to access and use the products and services identified in Schedule 1 ("Subscribed Products") and provide the Subscribed Products to its Authorized Users (as defined herein) subject to the terms and conditions of this Agreement.

1.2 *Authorized Users/Sites.*

Authorized Users are the full-time and part-time students, faculty, staff and researchers of the Subscriber and individuals who are independent contractors or are employed by independent contractors of the Subscriber affiliated with the Subscriber's locations listed on Schedule 2 (the "Sites") and individuals using computer terminals within the library facilities at the Sites permitted by the Subscriber to access the Subscribed Products for purposes of personal research, education or other non-corporate use.

1.3 *Authorized Uses.*

Each Authorized User may:

- access, search, browse and view the Subscribed Products;
- print, download and store a reasonable portion of individual items from the Subscribed Products for the exclusive use of such Authorized User ;
- incorporate links to the Subscribed Products on the Subscriber's intranet and internet websites and in electronic coursepacks, reserves and course management systems and instructor websites, provided that the appearance of such links and/or statements accompanying such links will be changed as reasonably requested by Elsevier; ;
- provide print or electronic copies of individual items from the Subscribed Products to other Authorized Users and to third-party colleagues for their scholarly or research use; and
- access, search, browse, view, print, make electronic copies and store for the exclusive use of such Authorized User or, if the Authorized User is a librarian/information specialist, for the exclusive use of another Authorized User certain journal articles and book chapters from the ScienceDirect® online service that are not subscribed to as part of the Subscribed Products, with each twenty-four (24) hour access period for a selected article or chapter, a "Transaction".

The Subscriber may:

- deliver journal articles from Subscribed Titles (as defined herein) and, if any, book chapters from the Subscribed Products to fulfill requests as part of the practice commonly known as "interlibrary loan" from non-commercial libraries located within the United States, provided that the Subscriber's staff reviews the requests and fulfills the requests in compliance with Section 108 of the U.S. Copyright Law (17 U.S.C. § 108) and the Guidelines for the Proviso

of Subsection 108(g)(2) (Final Report of the National Commission on New Technological Uses of Copyrighted Works, 1978).

Notwithstanding anything to the contrary contained in this Agreement, open access content in the Subscribed Products is subject to the terms and conditions stated in the applicable user license identified in the individual journal article.

1.4 *Restrictions on Use of Subscribed Products.*

Except as expressly stated in this Agreement or otherwise permitted in writing by Elsevier, the Subscriber and its Authorized Users may not:

- abridge, modify, translate or create any derivative work based on the Subscribed Products, except to the extent necessary to make them perceptible on a computer screen to Authorized Users;
- remove, obscure or modify in any way any copyright notices, other notices or disclaimers as they appear in the Subscribed Products;
- use any robots, spiders, crawlers or other automated downloading programs, algorithms or devices to continuously and automatically search, scrape, extract, deep link, index or disrupt the working of the Subscribed Products; or
- substantially or systematically reproduce, retain or redistribute the Subscribed Products.

Authorized Users who are individuals who are independent contractors or are employed by independent contractors may use the Subscribed Products only for the purposes of the contracted research work for the Subscriber.

1.5 *Intellectual Property Ownership.*

The Subscriber acknowledges that all right, title and interest in and to the Subscribed Products remain with Elsevier and its suppliers, except as expressly set forth in this Agreement, and that the unauthorized redistribution of the Subscribed Products could materially harm Elsevier and its suppliers.

SECTION 2. ELSEVIER PERFORMANCE OBLIGATIONS.

2.1 *Access to Subscribed Products.*

Elsevier will make the Subscribed Products accessible to the Subscriber and its Authorized Users from the internet address set forth on Schedule 1 or as may be otherwise set forth herein.

2.2 *Quality of Service.*

Elsevier will use reasonable efforts to provide the Subscribed Products with a quality of service consistent with industry standards, specifically, to provide continuous service with an average of 98% up-time per year, with the 2% down-time including scheduled maintenance and repairs performed at a time to minimize inconvenience to the Subscriber and its Authorized Users, and to restore service as soon as possible in the event of an interruption or suspension of service.

2.3 *Withdrawal of Content.*

Elsevier reserves the right to withdraw from the Subscribed Products content that it no longer retains the right to provide or that it has reasonable grounds to believe is unlawful, harmful, false or infringing. If the withdrawal represents more than ten (10%) percent of the number of titles comprising the Subscribed Products, Elsevier will refund to the Subscriber the amount of the Fees that is proportional to the amount of content withdrawn and the remaining unexpired portion of the period for which the Fees were paid.

2.4 *Usage Data Reports.*

Elsevier will make usage data reports on the Subscriber's usage activity accessible online on a monthly basis to the librarians/administrators employed by the Subscriber for internal use only. Such reports may be accessed by vendors or other third parties retained by the Subscriber only with the express written permission of Elsevier and for the purpose of usage analysis of the Subscriber.

SECTION 3. SUBSCRIBER PERFORMANCE OBLIGATIONS.

3.1 *Authentication.*

Access to the Subscribed Products will be authenticated by the use of Internet Protocol ("IP") address(es) and/or usernames and passwords and/or a delegated authentication mechanism requiring at least two different credentials, as identified on Schedule 2.

3.2 *Protection from Unauthorized Access and Use.*

The Subscriber will use reasonable efforts to:

- limit access to and use of the Subscribed Products to Authorized Users and notify all Authorized Users of the usage restrictions set forth in this Agreement and that they must comply with such restrictions;
- issue any passwords or credentials used to access the Subscribed Products only to Authorized Users, not divulge any passwords or credentials to any third party, and notify all Authorized Users not to divulge any passwords or credentials to any third party; and
- promptly upon becoming aware of any unauthorized use of the Subscribed Products, inform Elsevier and take appropriate steps to end such activity and to prevent any recurrence.

In the event of any unauthorized use of the Subscribed Products, Elsevier may suspend the access and/or require that the Subscriber suspend the access from where the unauthorized use occurred upon notice to the Subscriber. The Subscriber will not be liable for unauthorized use of the Subscribed Products by any Authorized Users provided that the Subscriber did not intentionally assist in or encourage such unauthorized use or permit such unauthorized use to continue after having actual notice thereof.

SECTION 4. FEES AND PAYMENT TERMS.

The Subscriber will pay to Elsevier the fees set forth in Schedule 1 (the "Fees") within thirty (30) days of date of receipt of invoice for the Fees due for first year of the term either by the Subscriber or the Subscriber's identified subscription agent as provided in Schedule 2, and, annually thereafter. The Fees will be exclusive of any sales, use, value added, withholding or similar tax and the Subscriber will be liable for any such taxes in addition to the Fees to the extent required under law.

Elsevier will send a copy of Elsevier's invoice to the Subscriber's subscription agent identified as the Billing Contact on Schedule 2 (the "Agent"), and the Subscriber will cause the Agent to pay Elsevier in accordance with the payment terms set forth above. If the Agent fails to pay the full amount of Elsevier's invoice on a timely basis, Elsevier may suspend the Subscriber's access to the Subscribed Products until the unpaid amounts of such invoice, and any interest charges, are paid.

SECTION 5. TERM.

5.1 *Term.*

The term of this Agreement will commence on 01 January 2014 and continue until 31 December 2016.

5.2 *Renewal.*

This Agreement may be renewed upon mutual agreement of the parties in writing for additional one-year terms, subject to appropriate adjustments to Schedule 1.

5.3 *Early Termination Due To Insufficient Budgetary Allotment From Government.*

The Subscriber may terminate this Agreement upon thirty (30) days notice given by the Subscriber to Elsevier if sufficient funds are not provided or allotted in future government-approved budgets of the Subscriber (or reasonably available or expected to become available from other sources at the time the Subscriber's payment obligation attaches) to permit the Subscriber, in the exercise of its reasonable administrative discretion, to continue this Agreement. Notwithstanding the foregoing, if access to the Subscribed Products was provided but not yet paid for prior to termination, Elsevier will be entitled to receive a pro rata portion of the Fees attributable to the period of time that access was provided.

SECTION 6. ELSEVIER WARRANTIES AND INDEMNITIES.

6.1 *Warranties.*

Elsevier warrants that use of the Subscribed Products in accordance with the terms and conditions herein will not infringe the intellectual property rights of any third party.

6.2 *Indemnities.*

Elsevier will indemnify, defend and hold harmless the Subscriber and its Authorized Users from and against any loss, damage, costs, liability and expenses (including reasonable attorneys' fees) arising from or out of any third-party action or claim that use of the Subscribed Products in accordance with the terms and conditions herein infringes the intellectual property rights of such third party. If any such action or claim is made, the Subscriber will promptly notify and reasonably cooperate with Elsevier. This indemnity obligation will survive the termination of this Agreement.

6.3 *Disclaimer.*

EXCEPT FOR THE EXPRESS WARRANTIES AND INDEMNITIES STATED HEREIN AND TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE SUBSCRIBED PRODUCTS ARE PROVIDED "AS IS" AND ELSEVIER AND ITS SUPPLIERS EXPRESSLY DISCLAIM ALL WARRANTIES AND REPRESENTATIONS OF ANY KIND WITH REGARD TO THE SUBSCRIBED PRODUCTS AND ANY OTHER DATA, DOCUMENTATION OR MATERIALS PROVIDED IN CONNECTION WITH THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO ANY ERRORS, INACCURACIES, OMISSIONS, OR DEFECTS CONTAINED THEREIN, AND ANY IMPLIED OR EXPRESS WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

6.4 *Limitation of Liability.*

Except for the express warranties and indemnities stated herein and to the extent permitted by applicable law, in no event will Elsevier or its suppliers be liable for any indirect, incidental, special, consequential or punitive damages including, but not limited to, loss of data, business interruption or loss of profits, arising out of or in connection with this Agreement, or will the liability of Elsevier and its suppliers to the Subscriber exceed a sum equal to the Fees paid by the Subscriber hereunder during the twelve (12) month period immediately preceding the date on which the claim arose, even if Elsevier or any supplier has been advised of the possibility of such liability or damages.

SECTION 7. ACCESSIBILITY COMPLIANCE

Elsevier shall comply with the Americans with Disabilities Act, if applicable, and other applicable federal and state laws governing accessibility with respect to non-video and non-image, textual content. Elsevier will make commercially reasonable efforts to comply with the Web Content Accessibility Guidelines 2.0 published by the Web Accessibility Initiative of the World Wide Web Consortium (W3C) with respect to non-video and non-image, textual content. In the event that the Subscribed Products or any of its contents are not accessible to an Authorized User, the Subscriber may request that Elsevier

promptly make needed accessibility modifications; should Elsevier decline to make such modifications, the Subscriber shall have right to modify or copy the contents of the Subscribed Products in order to make them compliant, accessible, and useable for Authorized Users.

SECTION 8. GENERAL.

8.1 *Force Majeure.*

Neither party's delay or failure to perform any provision of this Agreement as a result of circumstances beyond its control (including, but not limited to, war, strikes, fires, floods, power failures, telecommunications or Internet failures or damage to or destruction of any network facilities or servers) will be deemed a breach of this Agreement.

8.2 *Severability.*

The invalidity or unenforceability of any provision of this Agreement will not affect any other provisions of this Agreement.

8.3 *Entire Agreement.*

This Agreement and the Purchasing Terms & Conditions ("PTC Addendum"), which is attached and incorporated by reference, contains the entire understanding and agreement of the parties and replaces and supersedes any and all prior and contemporaneous agreements, communications, proposals and purchase orders, written or oral, between the parties with respect to the subject matter contained herein. In the event of any conflict, inconsistency, ambiguity or difference between the terms and conditions in this Agreement and in the PTC Addendum, those in the PTC Addendum will take precedence. The terms and conditions contained in this Agreement take precedence over any conflicting terms and conditions contained in any online "click wrap" license or any other web access agreement for the Subscribed Products.

8.4 *Modification.*

No modification, amendment or waiver of any provision of this Agreement will be valid unless in writing and signed by the parties.

8.5 *Assignment.*

The Subscriber will not assign, transfer or license any of its rights or obligations under this Agreement unless it obtains the prior written consent of Elsevier, which consent will not unreasonably be withheld.

8.6 *Privacy.*

Elsevier will not, without the prior written consent of the Subscriber, use any personal information of any Authorized Users for any purpose other than as described in this Agreement or transfer any personal information of any Authorized Users to any non-affiliated third party, except (i) to applicable service providers to the extent necessary to perform their functions for Elsevier in support of this Agreement; (ii) where reasonably necessary to address security, safety, fraud or other legal issues; and (iii) if the Subscribed Products are acquired by another company.

8.7 *Notices.*

All notices given pursuant to this Agreement will be in writing and delivered to the party to whom such notice is directed at the address specified below or the electronic mail address as such party will have designated by notice hereunder.

If to Elsevier: Elsevier B.V. c/o Regional Sales Office, Elsevier Inc., 360 Park Avenue South, New York, NY 10010-1710, USA.

8.9 Execution.

This Agreement and any amendment thereto may be executed in counterparts, and signatures exchanged by facsimile or other electronic means are effective to the same extent as original signatures.

IN WITNESS WHEREOF, the parties have executed this Agreement by their respective, duly authorized representatives as of the date first above written.

Journal Collection(s)

The Subscriber's Journal Collection(s) is described in Schedule 1.1.

Transaction Fee

The Subscriber shall notify Elsevier in writing if it wishes to activate access to journals by Transaction (as defined in Section 1.3). If the Subscriber exercises this option, the Subscriber shall be charged a fee of \$22.00 per Transaction (as defined in Section 1.3) from Elsevier journals and books. The Subscriber may purchase pre-paid Transactions upon mutual agreement of the parties in writing. Unused pre-paid Transactions shall be forfeited upon termination of the Subscriber's subscription to ScienceDirect online.

Elsevier Book Series/Handbook Series Additional Terms and Conditions

Upon termination of all of the Subscriber's annual subscriptions on ScienceDirect online, the Subscriber may, at its option, (1) acquire, load and technically format on a server that enables access and use by Authorized Users an electronic copy of the above book series/handbook series for cost and/or (2) continue to access such books online for an annual access fee based on the number of chapters downloaded from such books during the prior twelve (12) months at a rate of US\$0.081 per download, with a minimum annual fee of US\$500 (adjusted annually for inflation and cost increases) for the Subscriber's access to the platform, in accordance with the usage provisions of the Agreement, which provisions will survive the termination of the Agreement. Elsevier will make available for inspection by a duly authorized auditor of the Subscriber, at the Subscriber's sole expense, the records concerning the

calculation of the annual access fee one time per year during regular business hours upon thirty (30) days written notice to Elsevier. The electronic copy may not contain links and other features and functionality associated with the online version. If a particular book is withdrawn by Elsevier or not renewed by the Subscriber, but the Subscriber remains a ScienceDirect online subscriber, the Subscriber may continue to access online, at no additional charge, such formerly subscribed book for the publication years paid, provided that Elsevier continues to hold the electronic rights thereto.

Schedule 1.1

Journal Subscription

Journal Collection(s):

Freedom Collection:

Electronic access to the full text of all articles from the Elsevier journal titles published since 1 January 1995 and from the journal titles that were accessed electronically from the IDEAL® platform prior to the term of this Agreement published since 1 January 1993 set forth in the Freedom Collection Journal Title List at <http://www.info.sciencedirect.com/content/journals/titles/#freedom>, as may be updated once annually with the changes effective as of 1 January of the following calendar year of the term of the Agreement.

Cell Press Collection: Electronic access to the full text of all articles from the Cell Press journal titles published since 1 January 1995 identified on Annex A to Schedule 1.1.

Clinics Collection: Electronic access to the full text of all articles from the Clinics journal titles published since 1 January 1996 identified on Annex A to Schedule 1.1.

Third Party Publisher Journal(s): Electronic access to the full text of articles from the non-Elsevier journal titles identified on Annex B to Schedule 1.1.

Option to Substitute Subscribed Titles

The Subscriber may substitute any of the subscribed journal titles identified on Annex A to Schedule 1.1 (“Subscribed Titles”) with one or more journal titles of total comparable value (in current year list price) once annually upon notice to Elsevier by 1 August prior to the start of the next calendar year or at any time upon mutual agreement of the parties in writing.

Option to Substitute or Refund Withdrawn Subscribed Titles

The Subscriber may substitute any withdrawn Subscribed Title with one or more journal titles of total comparable value (in current year list price) at any time upon notice to Elsevier. In the event that no substitute journal title is available, Elsevier will refund to the Subscriber the amount of the Fees paid for the withdrawn Subscribed Title for the remainder of the term.

Access to Formerly Subscribed Titles

Upon termination of all of the Subscriber’s annual subscriptions on ScienceDirect online, the Subscriber may, at its option, (1) acquire, load and technically format on a server that enables access and use by Authorized Users an electronic copy of all or part of its Subscribed Titles for the publication years paid for, at cost for shipping the electronic information in a reasonable format and/or (2) continue to access such Subscribed Titles online for an annual access fee based on the number of full-text articles downloaded from such titles during the prior twelve (12) months at a rate of US\$0.081 per download, with a minimum annual fee of US\$500 (adjusted annually for inflation and cost increases) for the Subscriber’s access to the platform, in accordance with the usage provisions of this Agreement, which provisions will survive the termination of the Agreement. Elsevier will make available for inspection by a duly authorized auditor of the Subscriber, at the Subscriber’s sole expense, the records concerning the calculation of the annual access fee one time per year during regular business hours upon thirty (30) days written notice to Elsevier. The electronic copy may not contain links and other features and functionality associated with the online version. If a particular Subscribed Title is withdrawn by Elsevier or not renewed by the Subscriber, but the Subscriber remains a ScienceDirect online subscriber, the Subscriber may continue to access online, at no additional charge, such formerly Subscribed Title for the publication years paid, provided that Elsevier continues to hold the electronic rights thereto. Elsevier warrants and represents that it shall use reasonable efforts to retain in perpetuity an electronic copy of any Subscribed Titles that may be withdrawn during the term of the Agreement and to obtain the

electronic rights to continue to make such titles available through ScienceDirect online to the Subscriber.

James Madison University Cooperative Subscribers

The Subscriber is a member of the James Madison University Cooperative ("JMUC"), which includes the following Virginia institutions (each, a "JMUC Subscriber"): The College of William & Mary, George Mason University, James Madison University, Old Dominion University, University of Virginia, Virginia Commonwealth University and Virginia Polytechnic Institute and State University.

Print and Electronic Subscriptions and Expenditure Commitments

The Subscriber has provided to Elsevier a complete list of Subscribed Titles from its Freedom Collection in print, including multiple subscriptions, the value of which, set forth above, shall be separately invoiced to and paid by the Subscriber in full no later than 31 March of each calendar year of the term of the Agreement. If the Subscriber fails to make full payment on a timely basis, the Subscriber shall pay to Elsevier the value (in current year list price) of the unpaid print subscriptions, unless another JMUC Subscriber increases its print subscription expenditure level equal to the value of the Subscriber's cancelled print subscriptions, with notice given jointly by the Subscriber and such other JMUC Subscriber to Elsevier, and pays to Elsevier such value no later than 31 March of each calendar year for the remainder of the term of the Agreement. Further, no more than once annually by giving notice to Elsevier by August 1 prior to the start of the next calendar year, the Subscriber may cancel electronic access to any of the Subscribed Titles, and will not be charged the electronic subscription fee or content fee therefore for the remainder of the term of the Agreement, provided that another JMUC Subscriber increases its electronic subscription expenditure level under its ScienceDirect agreement equal to the value (in current year list price) of the Subscriber's cancelled title(s) conterminous with the remainder of the term of the Subscriber's Agreement, with notice given to Elsevier jointly by the Subscriber and such other JMUC Subscriber.

Option to Cancel Subscribed Titles

No more than once annually by giving notice to Elsevier by 1 September prior to the start of the next calendar year, the Subscriber may cancel electronic access to any of the Subscribed Titles, and will not be charged the electronic subscription fee or content fee therefore for the remainder of the term of the Agreement, provided that another JMUC Subscriber increases its electronic subscription expenditure level under its ScienceDirect agreement equal to the value (in current year list price) of the Subscriber's cancelled title(s) conterminous with the remainder of the term of the Subscriber's Agreement, with notice given to Elsevier jointly by the Subscriber and such other JMUC Subscriber.

Shared Access to New Elsevier Titles Excluded From Freedom Collection

If four (4) or more JMUC Subscribers purchase an electronic subscription to a newly published Elsevier journal title that is available on ScienceDirect but excluded from the Freedom Collection (and is not priced based on number of researchers), shared access to such title will be activated for all then current JMUC Subscribers to ScienceDirect for the publication years paid.

Shared Access to Elsevier Titles Removed From Freedom Collection

If three (3) or more JMUC Subscribers purchase an electronic subscription to an Elsevier journal title that is removed from the Freedom Collection but remains available on ScienceDirect (and is not priced based on number of researchers), shared access to such title will be activated for all then current JMUC Subscribers to ScienceDirect for the publication years paid.

Purchasing Terms & Conditions

1. This purchase made by the University is governed in all respects by the laws of the Commonwealth of Virginia, and any supplier or contractor providing goods or services to the University assures the Commonwealth it is conforming with Section 2.2-4311, "Employment Discrimination by Contractor Prohibited," of the Virginia Public Procurement Act. This purchase is also subject to the provisions of the "Commonwealth of Virginia Purchasing Manual for Institutions of Higher Education and Their Vendors", and the University's Procedure for resolution of contractual claims. The supplier or contractor, its agents and employees are prohibited under the terms of this purchase from manufacturing, distributing, dispensing, possessing, or using any unlawful or unauthorized drugs or alcohol while on University property.
2. Sales to the University are normally exempt from State taxes. Invoices resulting from this purchase will be free of Federal excise and transportation taxes. The Commonwealth's excise tax exemption registration number is _____. State sales and use tax certificate of exemption form ST-12 will be issued upon request.
3. The supplier or contractor may make substitutions, changes or deviations only with the prior approval of the ordering individual.
4. By accepting and performing this order, the vendor agrees that the price(s) include(s) shipping FOB destination unless otherwise stated in the order.
5. Goods delivered or services rendered must be strictly in accordance with the order placed and cannot deviate in any way from the terms, conditions or specifications of this order without the prior approval of the ordering individual. Equipment, materials, or supplies delivered on this order are subject to inspection and test upon receipt. If rejected, goods remain the property of the supplier.
6. The supplier must provide a current Material Safety Data Sheet (MSDS) on each delivered product containing any substance defined or described by United States Federal Hazard Communication Standard 1910.1200.
7. To receive payment, a valid University Purchase Order Number must be shown on all invoices and shipments associated with a Purchase Order. Payments will be made according to the payment terms selected at the time of registration or the payment terms reflected on the University issued Purchase Order. Payment will not be made until an authorized agent of the vendor has registered with the University.
8. Payments will be made from original invoices only with the exception of electronic invoices submitted via cXML. Electronic invoices do not include invoices submitted by email or facsimile unless specifically negotiated with the University.

Unless otherwise negotiated or selected at registration, if Elsevier requests payment(s) to be made by paper check, all payments made by paper check will incur an administrative fee of .5% of the payment amount. This fee will be automatically deducted from the overall payment amount. If a cash discount for early payment can be taken by the University, that cash discount is specified on the Purchase Order. The University will compute cash discounts from the date of delivery of goods at destination after final inspection and acceptance, from the date of completion of services or the date the correct invoice is received, whichever is later, or as may be agreed between the University and the vendor. The University will take the discount if payment is made within the specified time frame.

9. Sensitive, non-public "University Data" is strictly regulated by the state or federal law. Such data includes but is not limited to: business, administrative and financial data, intellectual property, and patient, student and personnel data. The University acknowledges and agrees that it will not supply any University Data to the contractor.
10. If eVA-registered, vendor agrees, by accepting and performing this order, that it is subject to an eVA Transaction Fee based on the face amount of the order, for which vendor will be invoiced by the Commonwealth of Virginia, Department of General Services. The eVA Transaction Fee to vendors that

are DMBE-certified Small Businesses is 1%, capped at \$500 per order, and the eVA Transaction Fee to vendors that are not DMBE-certified Small Businesses is 1%, capped at \$1,500 per order. (The DMBE certified Small Business designation is understood to include DMBE-certified Woman- and Minority-owned Businesses as well.) Vendors may not recoup the eVA fee by invoicing the University for the fee.

Additional information about eVA is available at <http://www.eva.virginia.gov>.

11. It is the intent of this purchase to allow for cooperative procurement. Accordingly, any public body, public or private health or educational institution, or any University related foundation may access this purchase if authorized by the Supplier.

Participation in this cooperative procurement is strictly voluntary. If authorized by the Supplier, this purchase may be extended to the entities indicated above to purchase at fees in accordance with this purchase. The Supplier will notify the University in writing of any such entities accessing this purchase. No modification of this Agreement or execution of a separate agreement is required to participate. The Supplier will provide semi-annual usage reports for all entities accessing this purchase. Participating entities will place their own orders directly with the Supplier and will fully and independently administer their use of this purchase to include contractual disputes, invoicing and payments without direct administration from the University. The University will not be held liable for any costs or damages incurred by any other participating entity as a result of any authorization by the Supplier to extend this purchase. It is understood and agreed that the University is not responsible for the acts or omissions of any entity, and will not be considered in default of this purchase no matter the circumstances.

Use of this purchase does not preclude any participating entity from using other agreements or competitive processes as the need may be.

12. Virginia Freedom of Information Act

Except as provided below, once an order is issued, all related solicitation documents submitted to the University, including, but not limited to, quotations, proposals, bids, statements of work, and/or specifications, will be open to the inspection of any citizen, or any interested person, firm or corporation, in accordance with the Virginia Freedom of Information Act. Trade secrets or proprietary information submitted by a vendor as part of its solicitation documents will not be subject to public disclosure under the Virginia Freedom of Information Act; however, the vendor must invoke the protections of this section prior to or upon submission of its solicitation documents, and must identify the specific data or other materials to be protected and state the reasons why protection is necessary. A vendor may not request that its solicitation documents in their entirety be treated as proprietary information; nor may a firm request that its pricing be treated as a trade secret or proprietary information, or otherwise be deemed confidential.

13. In the event that the Vendor enters into terms of use agreements or other agreements or understanding, whether electronic, click-through, verbal or in writing, with University employees or other Authorized Users, such agreements shall be null and void as against the University. With respect to individuals, this order and the license between the University and Vendor shall take precedence over any conflicting terms of use agreements or other agreements or understanding.
14. If the vendor is providing any items, data or services under this order that are controlled by the Department of State, Directorate of Defense Trade Controls, International Traffic in Arms Regulations (ITAR), it must notify (by fax), and receive prior authorization from, the University's Office of Export Controls **before delivery**. The notification provided by the vendor shall include the name of the University point of contact, identify each ITAR controlled commodity, provide the associated U.S. Munitions List (USML) category number(s), and indicate whether or not the determination was reached as a result of a commodity jurisdiction or self-classification process. The vendor agrees that if it fails to notify the University that it is providing ITAR-controlled items, data or services, it shall reimburse the University for any fines, legal costs and other fees imposed by the above-named regulatory agency for any violation of export controls regarding the provided items, data or services.

 - mount or distribute any part of the Licensed Material on any electronic network, including the Internet and the World Wide Web, other than the Secure Network.
 - use all or any part of the Licensed Materials for any Commercial Use.
 - systematically distribute the whole or any part of the Licensed Materials to anyone other than Authorised Users.

- publish, distribute or make available the Licensed Materials, works based on them or works which combine them with any other material, other than as permitted in this License.

11. THE PUBLISHER WARRANTS THAT THE LICENSED MATERIALS DO NOT INFRINGE THE COPYRIGHT OR ANY OTHER PROPRIETARY OR INTELLECTUAL PROPERTY RIGHTS OF ANY PERSON. THE PUBLISHER SHALL INDEMNIFY AND HOLD THE LICENSEE HARMLESS FROM AND AGAINST ANY LOSS, DAMAGE, COSTS, LIABILITY AND EXPENSES (INCLUDING REASONABLE LEGAL AND PROFESSIONAL FEES) ARISING OUT OF ANY LEGAL ACTION TAKEN AGAINST THE LICENSEE CLAIMING INFRINGEMENT OF SUCH RIGHTS. THIS INDEMNITY SHALL SURVIVE THE TERMINATION OF THIS LICENSE FOR ANY REASON. THIS INDEMNITY SHALL NOT APPLY IF THE LICENSEE HAS AMENDED THE LICENSED MATERIALS IN ANY WAY NOT PERMITTED BY THIS LICENSE. - provide the Licensee and the Agent, within 30 days of the date of this License, with information sufficient to enable the Licensee to access the Licensed Material.
- ensure that the Publisher's Server has adequate capacity to support the Licensee's usage at a level commensurate with prevailing standards of availability for information services of similar scope.
- make the Licensed Materials available to the Licensee and to Authorised Users without disruption save for routine maintenance, and to restore access to them as soon as possible in the event of any interruption.
- reserve the right to withdraw from the Licensed Materials any item or part of an item for which it no longer retains the right to publish, or which on reasonable grounds it believes infringes copyright or is defamatory, obscene, unlawful or otherwise objectionable, and shall give written notice to the Licensee of such withdrawal. If the withdrawal represents more than 10% of the journal or database content in which it appeared, the Publisher shall refund to the Licensee that part of the Fee proportionate to the amount of material withdrawn and the un-expired portion of the subscription period.
- facilitate the collection and provision to the Licensee of usage data on the number of items, articles and abstracts downloaded by journal title on an annual basis for private internal use only, in a manner consistent with applicable privacy and data protection laws and as may be agreed between the parties from time to time.

THE PUBLISHER'S AGGREGATE LIABILITY FOR ANY CLAIMS, LOSSES, OR DAMAGES ARISING OUT OF ANY BREACH OF THIS LICENSE SHALL IN NO CIRCUMSTANCES EXCEED THE FEE PAID BY LICENSEE UNDER THIS LICENSE IN RESPECT OF THE SUBSCRIPTION PERIOD DURING WHICH SUCH CLAIM, LOSS OR DAMAGE OCCURRED. THE FOREGOING LIMITATION OF LIABILITY AND EXCLUSION OF CERTAIN DAMAGES

SHALL APPLY REGARDLESS OF OTHER REMEDIES. THE LICENSEE MAY BRING NO ACTION ARISING FROM THIS LICENSE MORE THAN SIX MONTHS AFTER THE CAUSE OF ACTION ARISES.

- advise the Publisher of the use of/or proposed installation of proxy servers and provide institutional IT support to work with the Publisher in ensuring and maintaining continuity of service.
- keep full and up-to-date records of all Authorised Users and their access details and, if appropriate, provide the Publisher with, upon request, lists of additions, deletions or other alterations as agreed from time to time.

15. NOTHING IN THIS LICENSE SHALL MAKE THE LICENSEE LIABLE FOR BREACH OF THE TERMS OF THE LICENSE BY ANY AUTHORISED USER PROVIDED THAT THE LICENSEE DID NOT CAUSE, KNOWINGLY ASSIST OR CONDONE THE CONTINUATION OF SUCH BREACH AFTER BECOMING AWARE OF AN ACTUAL BREACH HAVING OCCURRED.

16. The Licensee shall, in consideration for the rights granted under this License, pay the Fee within 30 days of signature and, if applicable, within 30 days of receipt of invoice relating to each subsequent subscription period. The Fee shall be exclusive of any sales, use, value-added or similar taxes, for which the Licensee shall be solely responsible.

17. On termination of this License other than for cause as specified in this clause or other than breach by the Licensee, the Publisher can provide continuing access for Authorised Users to that part of the Licensed Materials published within the subscription period and paid for by the Licensee, via the World Wide Web.

In addition to automatic termination upon the expiry of the subscription period (unless renewed), this License shall be terminated:

- if the Licensee defaults in making payment of the Fee due to demonstrable budgetary constraints and fails to remedy such default within 30 days of notification in writing by the Publisher.
- if either party commits a material or persistent breach of any term of this License and fails to remedy the breach (if capable of remedy) within 30 days of notification in writing by the other party.
- if either party becomes insolvent or becomes subject to receivership, liquidation or similar external administration.

18. On termination all rights and obligations of the parties automatically terminate except for obligations in respect of Licensed Materials to which access continues to be permitted. On termination by the Publisher for the Licensee's breach or default as specified in this clause, the Licensee shall immediately cease to distribute or make available the Licensed Materials to Authorised Users and shall return to the Publisher or destroy all Licensed Materials locally mounted. On termination of this License by the Licensee for cause, the Publisher shall forthwith repay the proportion of the Fee that represents the paid but un-expired part of the subscription period.

19. This License constitutes the entire agreement of the parties and supersedes all prior communications, understandings and agreements relating to the subject matter of this License, whether oral or written. Alterations to this License are only valid if they are recorded in writing and signed by both parties.
20. This License may not be assigned or sub-contracted by either party to any other person or organisation, except as herein, without the prior written consent of the other party, which shall not unreasonably be withheld.
21. Any notices to be served on either of the parties by the other shall be sent by prepaid recorded delivery or registered post to the address of the addressee as set out in this License or to such other address as notified by either party to the other as its address for service of notices, and shall be deemed to have been received within 14 days of posting.
22. Neither party's delay or failure to perform any provision of this License, as result of circumstances beyond its control (including, without limitation, war, strikes, floods, governmental restrictions, power, telecommunications or Internet failures, or damage to or destruction of any network facilities) shall be deemed to be, or to give rise to, a breach of this License.
23. The invalidity or un-enforceability of any provision of this License shall not affect the continuation or enforceability of the remainder of this License.
24. Either party's waiver, or failure to require performance by the other, of any provision of this License will not affect its full right to require such performance at any subsequent time, or be taken or held to be a waiver of the provision itself.
25. This License shall be governed by and construed in accordance with laws of jurisdiction and the parties irrevocably agree that any dispute arising out of or in connection with this License will be within the courts of Virginia.

6. REPRESENTATIONS, WARRANTIES, INDEMNIFICATION, AND FORCE MAJEURE

6.1 OUP represents and warrants as follows: (a) OUP has the power to enter into this Agreement and to grant the rights conferred herein to the Subscriber, (b) OUP is the owner of the Licensed Works, and has the right to license the Licensed Works as contemplated hereunder, (c) the Licensed Works do not violate or infringe upon any patent, copyright, trademark, trade secret or other proprietary right or contract right of any third party, and (d) the Licensed Works have been designed and fully tested in such a manner that they will not generate any invalid or incorrect date-related results or cause any of the problems commonly referred to as "Year 2000 problems" and will, without interruption or manual intervention, continue to operate consistently, predictably, and accurately and in accordance with all of the requirements of this Agreement when used during any year prior to, during or after the calendar year 2000. EXCEPT AS EXPRESSLY SET FORTH ABOVE, OUP MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, OF ANY KIND, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE, WITH RESPECT TO ANY ASPECT OF THE LICENSED WORKS OR THE AVAILABILITY OF THE LICENSED WORKS. OUP DOES NOT WARRANT THAT THE LICENSED WORKS WILL BE ACCURATE OR COMPLETE, NOR DOES IT MAKE ANY WARRANTIES AS TO THE RESULTS TO BE OBTAINED FROM USE OF THE LICENSED WORKS. THE SUBSCRIBER EXPRESSLY AGREES THAT USE OF THE LICENSED WORKS IS AT SUBSCRIBER'S AND THE AUTHORIZED USERS' SOLE RISK. ACCORDINGLY, OUP WILL NOT IN ANY WAY BE LIABLE TO THE SUBSCRIBER, TO ANY AUTHORIZED USER, OR TO ANY OTHER ENTITY FOR ANY INACCURACIES, ERRORS, OMISSIONS OR DELAYS IN THE LICENSED WORKS, REGARDLESS OF CAUSE, OR FOR ANY DAMAGES (WHETHER DIRECT OR INDIRECT, OR CONSEQUENTIAL, PUNITIVE, SPECIAL OR EXEMPLARY, INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS) RESULTING THEREFROM, REGARDLESS OF CAUSE AND REGARDLESS OF WHETHER OR NOT OUP HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. NOTWITHSTANDING THE FOREGOING, IN THE EVENT THAT OUP IS DEEMED LIABLE IN ANY MANNER, THEN SUCH LIABILITY, WHETHER ARISING FROM CONTRACT, WARRANTY, NEGLIGENCE OR OTHERWISE SHALL, IN NO EVENT, EXCEED THE AMOUNT THE SUBSCRIBER HAS PAID FOR OR THAT IS ATTRIBUTABLE TO USE OF THE LICENSED WORKS DURING THE PRECEDING THREE (3) MONTH PERIOD. THE SUBSCRIBER FURTHER AGREES THAT NO ACTION, REGARDLESS OF FORM, ARISING FROM OR PERTAINING TO THE LICENSED WORKS MAY BE BROUGHT BY THE SUBSCRIBER AGAINST OUP MORE THAN ONE (1) YEAR AFTER THE EVENT GIVING RISE TO SUCH ACTION HAS OCCURRED.

6.1.1 OUP shall defend, indemnify, and hold the Subscriber harmless against all claims, suits, proceedings, losses, liabilities, and damages (including costs, expenses, and reasonable attorneys' fees) asserted by third parties against the Subscriber (collectively "Claims") which arise out of any act or omission by OUP that constitutes a breach of any of the foregoing warranties.

6.1.2 OUP shall have the right to select counsel to conduct the defense in any actions involving Claims to which the indemnification in Section 7.1.1 applies; provided, however, that the Subscriber may, at its own expense, retain separate counsel to participate in the defense and represent its interests.

6.1.3 The Subscriber shall promptly notify OUP of any Claims for which a defense or indemnification will be sought and shall fully cooperate in any defense conducted by OUP.

6.2 The Subscriber represents and warrants as follows: (a) the Subscriber is a library, museum, or an educational institution, and has the power to enter into this Agreement, and (b) any materials prepared or contributed by the Subscriber in connection with carrying out its duties under this Agreement do not violate or infringe upon any patent, copyright, trademark, trade secret or other proprietary right or contract right of any third party.

~~6.2.1 Except to the extent, if any, that such an obligation may be limited or prohibited by the laws or regulations governing contracts with relevant government agencies (including but not limited to public libraries or state or local government supported educational institutions), the Subscriber shall defend, indemnify, and hold OUP harmless against all Claims which arise out of any act or omission by the Subscriber that constitutes a breach any of the foregoing warranties, and all claims by Authorized Users in the event that access to the Licensed Works is terminated for any reason.~~

6.2.2 The Subscriber shall have the right to select counsel to conduct the defense in any actions involving Claims to which the indemnification in Section 7.2.1 applies; provided, however, that OUP may, at its own expense, retain separate counsel to participate in the defense and represent its interests.

6.2.3 OUP shall promptly notify the Subscriber of any Claims for which a defense or indemnification will be sought and shall fully cooperate in any defense conducted by the Subscriber.

6.3 Neither the Subscriber nor OUP shall be responsible to one another for any failure to perform any obligation under this Agreement due to Acts of God, war, riot, embargoes, acts of civil or military authorities, fire, flood, typhoon, wind storm, snow storm, blizzard, hurricane, or other cause that is outside the control of the party and could not be avoided by the exercise of due care. Should any delay in performance occur arising out of any of the foregoing events, a party's obligations that are dependent upon performance of the delayed event by the other party shall be extended correspondingly. Notwithstanding the occurrence of any of the events set forth in this Section, the parties shall at all times use reasonable efforts to perform all obligations under this Agreement in a timely manner, taking account of the existing circumstances.

7. TERM OF THE AGREEMENT, TERMINATION, AND OPPORTUNITY TO CURE

7.1 This Agreement shall commence on the Activation Date, and shall remain in full force and effect until the day before the next following Anniversary Date. Thereafter, this Agreement may be renewed for successive one (1) year periods, in accordance with the Subscriber Agreement and subject to the payment of all fees required thereby, beginning on the Anniversary Date of each year, and ending on the day before the Anniversary Date of the following year, unless earlier terminated as provided for in Sections 8.2 or 8.3. However, under any and all circumstances, this Agreement shall terminate on the day before the fifth anniversary of the Activation Date, unless expressly agreed otherwise in writing by the parties.

7.2 In the event that a party commits a material breach of this Agreement and such material breach continues unremedied for 30 days after written notice thereof from the party that is not in breach, the party not in breach may, at its election, terminate this Agreement, and/or exercise all rights and remedies which may be available to it in law or equity.

7.3 In the event that the Regional Network's agreement with OUP relating to the Licensed Works expires or terminates for any reason, this Agreement shall immediately terminate. The Regional Network's and/or OUP's failure to provide advance notice of such expiration or termination shall not prevent this Agreement from terminating immediately upon the termination of the Regional Network's agreement with OUP.

7.4 Upon termination of this Agreement, the Subscriber agrees to continue to adhere to the provisions of this Agreement relating to any OUP Intellectual Property.

8. NOTICES

8.1 All matters that require notification of one party by the other shall be in writing and addressed as designated in Section 9.2 and 9.3 (or as the parties may hereafter designate from time to time in writing), and delivered by facsimile, recognized overnight delivery service, or United States Postal Service Express Mail-Certified with return receipt requested; provided, however, that any notification by facsimile shall also be sent by first-class mail. Notification shall be deemed to have occurred as of the date and time when such notification is sent.

9. LIMITATIONS ON ASSIGNMENT

9.1 This Agreement may not be assigned by either party without written consent of the other party, and any such purported assignment shall be null and void.

10. ENTIRE AGREEMENT, NO ORAL MODIFICATIONS, NO WAIVER

10.1 This Agreement, together with the Regional Network/Subscriber Agreement, constitutes the entire agreement of the parties and supersedes all prior communications, understandings, and agreements (whether written or oral) relating to the subject matter of this Agreement.

10.2 This Agreement shall not be modified or amended except by a written instrument signed by both parties hereto. To the extent, if any, that applicable state laws or regulations require such a procedure, a proposed amendment, in order to be effective, shall be approved by (a) the Subscriber, (b) OUP, and, depending upon applicable law, (c) the Attorney General and/or Comptroller of a State or Commonwealth whose interests are affected thereby ("Attorney General Approval").

10.3 Notwithstanding anything contained in Section 10.2 above and without either party seeking or obtaining Attorney General Approval, OUP may add additional database(s) to this Agreement at any time, provided that it or the Regional Network shall give the Subscriber thirty (30) days advance written notice thereof, together with a schedule of the Regional Network's pricing for the added database(s). The Subscriber shall retain the right to offer or not offer the added database(s) to its Authorized Users in its sole judgment; provided, however, that if the Subscriber elects to offer the added database(s) to its Authorized Users, it shall do so subject to all of the terms and conditions of this Agreement.

10.4 Either party's waiver, or failure to require performance by the other, of any provision of this Agreement will not affect its full right to require such performance at any subsequent time, or be construed to be a waiver of the provision itself.

11. HEADINGS, SEVERABILITY

11.1 Headings used in this Agreement are for convenience only and are deemed not to be part of the Agreement.

11.2 If any portion of this Agreement shall be declared invalid or unenforceable by any court of competent jurisdiction, the remaining portion thereof shall nonetheless remain in full force and effect.

CONTRACT FORM ADDENDUM TO CONTRACTOR'S FORM

AGENCY NAME: James Madison University/VIVA

CONTRACTOR NAME: OXFORD UNIVERSITY PRESS

DATE: 25 / MAY / 2001

The Commonwealth and the Contractor are this day entering into a contract and, for their mutual convenience, the parties are using the standard form agreement provided by the Contractor, Oxford University Press. This addendum, duly executed by the parties, is attached to and hereby made a part of the contract.

The Contractor represents and warrants that it is a(n) ☐ individual proprietorship ☐ association ☐ partnership ☐ corporation ☐ governmental agency or authority authorized to do in Virginia the business provided for in this contract. (Check the appropriate box.)

Notwithstanding anything in the Contractor's form to which this Addendum is attached, the payments by the Commonwealth under this contract shall not exceed Purchase Order Amounts; payments will be made only upon proper invoice, detailing the goods/services provided and submitted to James Madison University/VIVA. In its performance under this contract, the Contractor acts and will act as an independent contractor, and not as an agent or employee of the Commonwealth.

The Contractor's form contract is, with the exceptions noted herein, acceptable to the Commonwealth. Nonetheless, because certain standard clauses that may appear in the Contractor's form agreement cannot be accepted by the Commonwealth, and in consideration of the convenience of using that form, and this form, without the necessity of specifically negotiating a separate contract document, the parties hereto specifically agree that, notwithstanding any provisions appearing in the attached Contractor's form contract, none of the following shall have any effect or be enforceable against the Commonwealth:

1. Requiring the Commonwealth to maintain any type of insurance either for the Commonwealth's benefit or for the contractor's benefit;
2. Renewing or extending the agreement beyond the initial term or automatically continuing the contract period from term to term;
3. Requiring or stating that the terms of the attached Contractor's form agreement shall prevail over the terms of this addendum in the event of conflict;
4. Requiring the Commonwealth to indemnify or to hold harmless the Contractor for any act or omission;
5. Imposing interest charges contrary to that specified by the Code of Virginia, Section 11-62.1 through 11-62.9, Prompt Payment.

6. Requiring the application of the law of any state other than Virginia in interpreting or enforcing the contract or requiring that any dispute under the contract be resolved in the courts of any state other than Virginia;

7. Requiring any total or partial compensation or payment for lost profit or liquidated damages by the Commonwealth if the contract is terminated before its ordinary period;

8. Requiring that the contract be "accepted" or endorsed by the home office or by any other officer subsequent to execution by an official of the Commonwealth before the contract is considered in effect;

9. Delaying the acceptance of this contract or its effective date beyond the date of execution;

10. Limiting or adding to the time period within which claims can be made or actions can be brought;

11. Limiting the liability of the Contractor for property damage or personal injury. This clause pertains to any property damage and personal injury which may be caused by an employee or representative of the Contractor while on Commonwealth of Virginia premises;

12. Permitting unilateral modification of this contract by the Contractor;

13. Binding the Commonwealth to any arbitration or to the decision of any arbitration board, commission, panel or other entity;

14. Obligating the Commonwealth to pay costs of collection or attorney's fees;

15. Granting the Contractor a security interest in property of the Commonwealth.

This Agency contract consisting of this Agency addendum and the attached Contractor's form contract constitute the entire agreement between the parties and may not be waived or modified except by written agreement between the parties.

This contract has been reviewed by staff of the agency. Its substantive terms are appropriate to the needs of the agency and sufficient funds have been allocated for its performance by the agency. This contract is subject to appropriations by the Virginia General Assembly.

IN WITNESS WHEREOF, the parties have caused this contract to be duly executed, intending thereby to be legally bound.

Consortial Site Licence Agreement

Important: Read this Consortial Site License Agreement before completing the registration materials provided by Oxford University Press and located online below.

This CONSORTIAL SITE LICENSE AGREEMENT (the "Site License") is made between Oxford University Press ("OUP") and the Licensee, as named in the registration materials ("the Licensee") and is made as of the date an authorized representative of the Licensee completes the registration materials. It is made with reference to the following facts and circumstances:

- A. OUP has made available online each journal for which the Licensee holds a current institutional subscription ("the Journals").
- B. OUP wishes to offer to the Licensee, and the Licensee wishes to acquire from OUP, a license to obtain access to the Journal(s) from the Site.

IT IS AGREED as follows:

1. Definitions.

1.1 In this Site License, the following expressions shall have the following meanings:

"Authorized User" shall mean firstly an individual member of the Licensee ("a Member-User"):

- a) who is employed or engaged under contract at the Licensee (whether on a temporary, permanent or visiting basis) or who is studying at the Licensee whether at the Site or off Site; and
- b) whom the Licensee wishes to authorize to have access to the Journal(s); and
- c) who can access the Journal(s) onsite from a computer or terminal on the Licensee's Secure Network or offsite via a modem link to a valid IP address on the Licensee's Secure Network or via a proxy server whose IP address range will have been entered in the registration materials and which must only be accessible by Authorised Users.

and secondly an individual who is not a member of the Licensee ("a Walk-in User") but:

- d) who is allowed to use the Licensee's library facilities on an ad hoc basis; and
- e) whom the Licensee wishes to authorize to have access to the Journal; and
- f) who can access the Journal(s) onsite from a computer or terminal in the library which has a valid domain name or Internet Protocol address and is connected to the Licensee's Secure Network.
- g) who has been notified by the Licensee of the restrictions on use contained in Clauses 5.2 and 5.3.

"Intellectual Property" shall mean copyright, database right, patents, design rights, and trademarks whether registered or unregistered; semi-conductor topography rights and all other industrial commercial or intellectual property rights existing in any jurisdiction and all rights to apply for the same.

The "Journal(s)" shall mean the journal or journal(s) available electronically online which the Licensee is able to access on the terms and conditions of this Site License.

"Material" shall mean any abstract, article, index, advertising or other material contained in the Journal(s) and accessed online.

"Network" shall mean any electronic communication between two or more computer terminals linked together through computer software and/or telecommunication satellite, cable or broadcasting services, or through any other medium.

"Portable Document File" shall mean a downloadable or accessible electronic document file requiring software to unencrypt or read the document such as is popularly employed using the ADOBE Acrobat®

software system and "PDF" files. Systems having equivalent capabilities shall be included in this definition.

"Prohibited Use" shall mean any use for the purposes of the creation of derivative works (excluding course packs), or for any form of commercial exploitation.

"Secure" with regard to the server or Network from which access to Authorized Users is to be given shall mean only a server or Network or Networks over which the Licensee can exercise reasonable control so as to comply with the terms of this Site License. A cache server or other server or Network which can be accessed by unauthorized users is not Secure for these purposes.

"Site" shall mean the geographical site (or sites) nominated in the registration materials by the Licensee from which Authorized Users can access the Journal(s) onsite from a computer or terminal on the Licensee's Secure Network located at the Site and via which Member Users can additionally access the Journal(s) offsite using a modem link to a valid IP address on the Licensee's Secure Network located at the Site.

"Site License" shall mean this Site License and the registration materials.

2. Acknowledgment of the Licensee.

By completing the registration materials, signing and sending them to OUP (or by selecting the "I accept" button), the Licensee acknowledges that it has read and agrees to be bound by the terms of this Site License as currently in effect. The Licensee acknowledges that, in providing electronic access to the Journal(s) for the Licensee and any Authorized User, OUP has relied upon the Licensee's agreement to be bound by the terms of this Site License. No modification of this Agreement shall be valid except by written amendment signed by authorized representatives of OUP and the Licensee.

3. The Licensee's Obligations.

The Licensee agrees to carry out the following obligations:

3.1 Registration Materials.

The Licensee will provide to OUP:

3.1.1 a domain name or list of valid IP addresses for Authorized Users who will access Material from or via the Secure Network or Secure server at the Site. (For the avoidance of doubt the IP address of a cache or other server (or Network) which is publicly accessible is not a valid IP address); and

3.1.2 a domain name or list of IP addresses (if any) which are not to be permitted access to the Journal(s).

OUP will provide the Licensee with a password which the Licensee will keep confidential. The password can be used to gain future access to the registration materials and usage statistics.

OUP agrees to amend the registration materials as soon as reasonably practicable following any additions, deletions or other alterations to the domain name or lists of valid IP addresses and excluded IP addresses that are reported to OUP by the Licensee.

3.2 Software Obligations.

The Licensee will obtain at its cost all telecommunications and other equipment and software (including an Internet browser and Portable Document File reader) together with all relevant software licenses necessary to access the Journal(s) from the Site;

3.3 Access, Passwords, and Security.

The Licensee will be responsible for the confidentiality and use of its password(s). The Licensee will use all reasonable efforts to ensure that only Authorized Users are permitted access to the Journal(s). The Licensee further agrees to take reasonable steps to ensure that all Authorized Users abide by the provisions of Clauses 5.2 and 5.3 of this Site License. The Licensee will be responsible for all use of its password(s). The Licensee agrees so soon as practicable to notify OUP if it becomes aware of any of the following: (a) any loss or theft of the Licensee's password(s); (b) any unauthorized use of any of the Licensee's password(s), or of the Site License or

of any Journal; or (c) any breach by an Authorized User of the terms of this Site License. Upon becoming aware of any breach of the terms of this Site License by an Authorized User, the Licensee further agrees so soon as practicable to initiate disciplinary procedures in accordance with the Licensees standard practice.

3.4 Notification of OUP.

So soon as practicable on becoming aware of any claim by any third party that the Material infringes an Intellectual Property or proprietary right of any third party, the Licensee shall notify OUP of such claim.

4. OUP's Obligations. OUP agrees to:

4.1 use all reasonable endeavors to ensure that its server or servers have sufficient capacity, band width, and rate of connectivity to provide the Licensee with a quality of service comparable with current standards in the World Wide Web online information provision industry;

4.2 provide to the Licensee and/or Authorized Users all information necessary to access the Journal online; and

4.3 use all reasonable endeavors to restore access to the Journal(s) so soon as possible in the event of an interruption or suspension of the service.

5. Term and Grant of Site License.

5.1 This Site License will come into effect for a bona fide Licensee subscriber on completion of the registration materials and in relation to each Journal will continue (subject always to the provisions for earlier termination hereafter contained) for so long as the Licensee has a current Subscription for that Journal at a subscription rate which includes online access to it.

5.2 Under the terms of this Site License, each Authorized User is granted the non-exclusive right to download, display, view and print off single copies of each item of the Material for such Authorized User's personal non-commercial use in the course of the Licensee's business only. The aforesaid rights are to be exercised only at the Site or remotely by logging on to a Secure Network.

5.3 Save only for the purposes specified in Clause 5.2 above, Authorized Users may not use, store transiently or permanently on any medium, modify, transfer, transmit, reproduce, redistribute, retransmit, disseminate, sell, loan to any third party, publish, republish, broadcast, circulate or otherwise exploit or use for any Prohibited Use or any unlawful purpose, the whole or any part of any article or abstract or index constituting the Material by any means. The Licensee agrees to comply with reasonable written requests by OUP to protect OUP's contractual, statutory and common law rights in the Journal(s).

5.4 For the avoidance of doubt, (unless they continue to qualify as Walk-in Users under clause 1.1(d) to (g)) Member-Users will automatically cease to be Authorized Users immediately upon ceasing to be members of the Licensee.

5.5 Under the terms of this Site License, the Licensee is granted the non-exclusive right to supply (whether by post, fax or secure electronic transmission, using Ariel or its equivalent, whereby the electronic file is deleted immediately after printing) to an authorised user of another USA academic library or USA library which is part of a non-commercial organisation, for the purposes of research or private study and not for commercial use, a single paper copy of an electronic original of an individual document from a journal for which a subscription has been paid at the full current subscription rate, in compliance with Section 108 of the United States Copyright Law (17 USC §108, "Limitations on exclusive rights: Reproduction by libraries and archives") and with guidelines developed by the National Commission on New Technological Uses of Copyrighted Works (CONTU Guidelines), the text of which is available as part of the U.S. Copyright Office Circular 21. For requests for interlibrary loans in respect of any individual journal that exceed the guidelines as defined above the Institution may (i) supply the article and pay OUP's standard document delivery copyright royalty rate; (ii) forward the request to OUP who will undertake to supply the article on a pay per view basis; (iii) forward the request to a Document Delivery company; or (iv) return the request unfulfilled. In the event that OUP requests records on the Licensee's use of OUP materials for InterLibrary Loans, the Licensee will begin keeping such records, reporting annually in a mutually agreeable format and provided that confidentiality of patron data shall be maintained.

5.6 On expiry of the Institution's Subscription for the Journal(s), the Licensee and each Authorised User shall be entitled to continue to exercise at no charge the non-exclusive rights granted hereunder (subject to the terms

and conditions of this Site License) but only in respect of Material published and paid for by the Licensee during the period of the Licensee's Subscription. Nothing in this sub-clause requires OUP to continue to host such Material on its servers. If requested by the Licensee, OUP will provide the Material to the Licensee in a format to be mutually agreed.

6. Proprietary Information.

Nothing contained in this Site License or the registration materials gives the Licensee or any Authorized User any rights in the Intellectual Property or confidential information of OUP and/or its licensors in the Material published or otherwise made available through the Journal.

7. WARRANTY.

THE JOURNAL(S) ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS. OUP GIVES NO WARRANTY, EXPRESS OR IMPLIED, AND MAKES NO REPRESENTATION THAT:

7.1 THE JOURNAL(S) WILL BE OF SATISFACTORY QUALITY, SUITABLE FOR ANY PARTICULAR PURPOSE OR FOR ANY PARTICULAR USE UNDER SPECIFIED CONDITIONS, NOTWITHSTANDING THAT SUCH PURPOSE, USE, OR CONDITIONS MAY BE KNOWN TO OUP; OR

7.2 THAT THE ONLINE SERVICE WILL OPERATE ERROR FREE OR WITHOUT INTERRUPTION OR THAT ANY ERRORS WILL BE CORRECTED; OR

7.3 THAT THE MATERIAL PUBLISHED IN THE JOURNAL(S) OR OTHERWISE ACCESSIBLE THROUGH THE ONLINE SERVICE IS EITHER COMPLETE OR ACCURATE.

8. LIMITATION OF LIABILITY.

8.1 IN NO CIRCUMSTANCES WILL OUP BE LIABLE TO THE LICENCEE OR ANY THIRD PARTY FOR ANY LOSS RESULTING FROM A CAUSE OVER WHICH OUP DOES NOT HAVE DIRECT CONTROL, INCLUDING BUT NOT LIMITED TO FAILURE OF ELECTRONIC OR MECHANICAL EQUIPMENT OR COMMUNICATION LINES, TELEPHONE OR OTHER INTERCONNECT PROBLEMS, UNAUTHORIZED ACCESS, THEFT, OPERATOR ERRORS, WEATHER, EARTHQUAKES, AND STRIKES OR OTHER LABOR PROBLEMS.

8.2 IN NO CIRCUMSTANCES WILL OUP BE LIABLE TO THE LICENCEE OR ANY THIRD PARTY FOR ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL OR INDIRECT DAMAGES INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF DATA OR CORRUPTION OF DATA, LOSS OF PROGRAMS, LOSS OF BUSINESS OR GOODWILL, OR OTHER DAMAGES OR LOSSES OF ANY NATURE ARISING OUT OF THE USE, OR INABILITY TO USE THE JOURNAL(S) INCLUDING WITHOUT LIMITATION LOSSES ARISING FROM ANY ERRORS, OMISSIONS OR OTHER INACCURACIES IN OR CORRUPTION CAUSED WHETHER BY TRANSMISSION PROCESSING OR OTHERWISE TO THE MATERIAL PUBLISHED IN THE JOURNAL(S) OR OTHERWISE MADE ACCESSIBLE THROUGH THE JOURNAL(S), EVEN IF OUP HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR LOSSES.

8.3 THE LICENCEE AGREES THAT THE ENTIRE LIABILITY OF OUP TO THE LICENCEE OR AUTHORISED USERS ARISING OUT OF ANY KIND OF LEGAL CLAIM (WHETHER IN CONTRACT, TORT, BY STATUTE OR OTHERWISE) IN ANY WAY CONNECTED WITH THE USE OR INABILITY TO USE THE JOURNAL(S) SHALL BE THE REFUND OF ANY FEE PAID TO OUP FOR ELECTRONIC ACCESS.

9. Termination

9.1 Either party may terminate this Site License forthwith by serving written notice on the other in the event that the other party commits a material breach of this Agreement and in the case of a breach capable of remedy fails to remedy the same within 30 days of a request so to do.

10. OUP's Ability to Modify the Terms of Service and to Withdraw Access

10.1 OUP reserves the right in relation to any one or more of the Journals at any time to cease electronic production and publication and/or to withdraw the Licensee's electronic access, or any portion of it, in its sole discretion, without limitation, for any reason whatever, including but not limited to the unauthorized use of the

Licensee's password(s), or any other breach of this Site License. OUP shall give written notice to the Licensee of such withdrawal within a reasonable time period prior to said withdrawal. In the event of a termination by OUP, OUP shall have no liability to the Licensee or any Authorized User, provided, however, that if the termination is without cause or if the Authorized User terminates on account of OUP's breach OUP will refund the pro rata portion of any online access fee which may have been paid by the Licensee for the balance the subscription period outstanding at the date of such termination.

11. Governing Law and Jurisdiction

11.1 This Site License shall be governed and construed in accordance with Virginia State law.

12. Miscellaneous.

In making this Agreement, the parties warrant that they did not rely on any representations or statements other than those contained in this Agreement. This Site License may only be modified in writing; provided, however, that if OUP sends the Licensee notice by e-mail, placed on the Site, or conveyed to the Licensee by other means, via e-mail or otherwise, of a modification, the Licensee's use of the Site after receiving such notice will indicate the Licensee's acceptance of the modification. - 3.4 Licensee shall pay a fee of US Dollar \$556,652.07 for the Subscribed Journals (the "Journals Fee") in accordance with the payment terms set forth in section 9 of the Online Terms and Conditions.
- 3.5 Participating Libraries shall pay a fee of US Dollar \$10,000.00 in order to participate in a Consortia deal (the "Minimum Participation Fee"). Each Participating Library whose total subscription value to the Journals is below US Dollar \$10,000.00 shall pay Springer an additional fee equal to the difference between their total subscription value of the Journals and US Dollar \$10,000.00.
- 4. Dual Access Premium**
- 4.1 Intentionally deleted.
- 4.2 Intentionally deleted.
- 5. Multi-Year Agreements**
- 5.1 In case of a Multi-Year Agreement Springer shall increase the Journals Fee by Four percent (4%) during each subsequent Subscription Year of Multi-Year Agreements based on the last Journals Fee.
- 5.2 Licensee may substitute a Print Plus Enhanced Access Subscription with an E-Only Enhanced Access Subscription subject to appropriate fee adjustment, by giving Springer notice in writing no later than by August 1 prior to the start of the next Subscription Year. The Journals Fee shall not be decreased by any such substitution.
- 5.3 Electronic access to new, start-up journals initiated by Springer (the "Start-Up Journals") will be included at no additional cost during the first two (2) years of publication (the "Grant Period"). Licensee has no archival rights with regard to the Start-Up Journals during the Grant Period.
- 5.4 In the event that Licensee wishes to subscribe to any of the Start-Up Journals during or after the expiry of the Grant Period (the "New Journals"), those New Journals will be added to the list of Journals set out in Section 8 by signing an Addendum to this Attachment. Licensee will then have continuous access to the added New Journals. Licensee is entitled to subscribe to New Journals at a discounted rate based on the average number of copies of Subscribed Journals.

- 5.5 Already existing print journals becoming available in electronic format during the Term can be added at the request of the Licensee, at the start of the subsequent Subscription Year, as per the terms of this Attachment. The Journals Fee will be increased by the prevailing subscription price multiplied by the number of combined subscriptions held by Licensee and/or Participating Libraries during the Subscription Year, and added to the License Fee above.
- 5.6 Licensee will maintain the amount and value of the Subscribed Journals during the first Subscription Year in the amount of its Journals Fee (plus any applicable annual price increases, but excluding any tax increases). In the event that Licensee cancels its Subscribed Journals to an amount that would result in a decrease of the Journals Fee, Licensee shall be charged an additional fee equal to the value (in current Subscription Year's list price) of the cancelled Subscribed Journal in order to meet the Journals Fee.
- 5.7 In the event that any Subscribed Journal is no longer included in SpringerLink, Licensee may substitute any such Subscribed Journal with another Journal of equal value (in current year list price) at any time upon written notice to Springer. Notwithstanding the foregoing, within ninety (90) days following execution of this Attachment and by March 31, Springer may substitute Subscribed Journals with another Journal with the prior written consent of Licensee. In case Licensee will not choose any substituted Journal, the respective values of the discontinued Subscribed Journal will be removed from the Journals Fee times the number of combined subscriptions held during the Subscription Year. However, such Subscribed Journals (and their respective back files) will remain as Content on SpringerLink.
- 5.8 If the publishing rights to any item of Subscribed Journals are transferred to another publisher, Springer will use reasonable efforts to retain a non-exclusive copy of the volumes published and make them available through SpringerLink to Licensee.
- 5.9 In the event that Springer has acquired any journals from a third party (the "Take-Over Journals") and in the event that Springer publishes any such Take-Over Journals on SpringerLink during the Subscription Year, Springer shall verify whether Licensee has already subscribed to any such Take-Over Journals. The Take-Over Journals will then be added to Section 6 of this Attachment and the value thereof will be added to the Journals Fee.
- 5.10 Licensee shall provide Springer with a complete list of the Subscribed Journals and provide any updates or corrections to that list without the need for any further requests from Springer.
- 6. Consortia Deals**
- 6.1 Intentionally deleted.

- 6.2 Additional Participating Libraries wishing to obtain access to Journals may become parties to this Agreement during the Term with the mutual consent of Licensee and Springer by signing an Amendment to this Agreement. Any such amendment shall identify the additional Participating Libraries by their full contact information, and shall include any such Participating Libraries' contribution to the Journals Fee, their minimum financial contribution to the Journals Fee and any and all necessary electronic charges.
- 6.3 Licensee and Participating Libraries that only subscribe to the E-Only Enhanced Model of Subscribed Journals are entitled to purchase the print versions of those Subscribed Journals directly from Springer or from any designated agent of Springer at a seventy-five percent (75%) discount, i.e. subscription prices at 25% of the list price, excluding postage and handling ("Deep Discount Price" or "DDP"). Licensee and Participating Libraries (if applicable) purchasing print versions of the Subscribed Journals at DDP must clearly state to their designated agent and Springer in writing that they intend to subscribe to the print versions of the Subscribed Journals under the Deep Discount Price. If Licensee fails to do so, Licensee shall not receive any refund. Section 6.3 of this Attachment does not apply to Non-Subscribed Journals.
- 6.4 Should Licensee ever cease or cancel its access to the Subscribed Journals and desire to reinstate its access thereto, Springer may reinstate such access so long as Licensee renews its Subscription to all previously-cancelled Subscribed Journal titles and continues with all its currently Subscribed Journal titles. In such circumstances, Licensee shall pay Springer a fee for such reinstatement equal to five percent (5%) of the current Subscription Year's Journals Fee for the currently-Subscribed Journal titles, and shall subscribe to any such reinstated titles at the current consortia price.
- 7. Term and Duration of Access**
- 7.1 The term shall begin on the date of the execution of this Attachment and shall end on 31 December 2015 (the "Subscription Year" or "Term").
- 7.2 Licensee shall have continuous access to the Subscribed and Non-Subscribed Journals as provided below:
- (a) For a period commencing as of the end of the Subscription Year of the Journals and continuing until the second (2nd) anniversary thereof, Licensee shall be given continuous access to the Subscribed and Non-Subscribed Journals through SpringerLink (for so long as it is available) without charge.
 - (b) For a period commencing as of the second (2nd) anniversary of the end of the Subscription Year of the Journals, Licensee shall be given continuous access through SpringerLink to the Subscribed Journals if Licensee either:

- (i) acquires any other online products from Springer hosted on SpringerLink and makes payment for such other online products, and continues to make the required payment(s) for the acquisition of such other online products hosted on SpringerLink; or
 - (ii) in the event that Licensee does not acquire any other online product from Springer, Licensee will be given the option either to pay for continuous access to the Subscribed Journals through SpringerLink for an annual service fee of US Dollar 625.00 (such amount is increased by Springer from time to time) or to obtain access to the Subscribed Journals by an archival digital storage medium mutually acceptable to Springer and Licensee the cost of which (together with processing, handling and shipping fees) will be the responsibility of Licensee.
- (c) For a period commencing as of the second (2nd) anniversary of the end of the Subscription Year of the Journals, Licensee shall be given continuous access to the Non-Subscribed Journals through SpringerLink upon payment of an annual service fee to be agreed upon or through an archival digital storage medium mutually acceptable to Springer and Licensee, the cost of which (together with processing, handling and shipping fees) will be borne by Licensee.

- 14.2 Springer may assign its rights or delegate its obligations, or any part thereof under this Agreement without prior consent from Licensee. The following terms shall be deemed to have the meaning as set forth below:

1. **Wiley Online Library** - The online service (or any successor thereto) available from Wiley or its affiliates on the Worldwide Web including all products, services and features offered via the service. Appendix A will include information on IP addresses for the Secure Network which are covered by this License and contacts for each such Member Institution. Each Appendix for a Licensed Electronic Product will specify financial terms for each Member Institution.

3. **Authorized Users** - Those persons who are authorized by the Licensee to have access to Wiley Online Library. Authorized Users must be current bona fide faculty members, students, researchers, staff members, librarians, executives or employees of the Licensee, or contractors engaged by the Licensee, provided such contractors have been informed of, and agree to abide by, the Terms and Conditions of Use set forth herein and they access Wiley Online Library via the Licensee's Secure Network. Walk-in Users from the general public or business invitees may also be permitted by the Licensee to access Wiley Online Library from designated terminals with a Licensee-controlled IP address. These designated terminals shall be physically located in libraries or similar physical premises directly controlled by the Licensee.

1. **EarlyView** - publishes peer reviewed, fully citable articles online as soon as they are ready, before the release of the compiled journal issue.

 3. **Roaming Access** - enables Authorized Users access to licensed content from outside the IP address range of the Licensee. Authorized Users must sign up initially for this service from within their institution's Secure Network and renew every 90 days.

B. ACCESS PRIVILEGES

1. Wiley grants to the Licensee and its Authorized Users, during the Term as defined below, a non-exclusive, non-transferable right and license to access, via Wiley Online Library, the full text and other material such as datasets published online in Wiley Online Library for the Licensed Electronic Products as listed in the Appendices attached hereto as may be amended from time to time.
2. In addition, Authorized Users will have access to all available tables of contents, article abstracts, chapter summaries and associated websites for all Electronic Products on Wiley Online Library.
3. The number of the Authorized Users who may simultaneously access Wiley Online Library is unlimited.
4. The Licensee acknowledges that the Electronic Products and Wiley Online Library and the Intellectual Property Rights contained therein are protected by law. All rights not specifically licensed herein to the Licensee are expressly reserved by Wiley.

C. TERMS AND CONDITIONS OF USE

1. The rights and restrictions governing access to Wiley Online Library and the Electronic Products by the Licensee and its Authorized Users are outlined in the Terms and Conditions of Use below.
 - a. Authorized Users may download, search, retrieve, display and view, copy and save to hard disk or diskette and store or print out single copies of individual articles, chapters or entries in the Licensed Electronic Products for the Authorized User's own personal use, scholarly, educational or scientific research or internal business use. Authorized Users may also transmit such material to a third-party colleague in hard copy or electronically, for personal use or scholarly, educational, or scientific research or professional use but in no case for re-sale, systematic redistribution, or for any other use. In addition, Authorized Users have the right to use, with appropriate credit, figures, tables and brief excerpts from individual articles, chapters or other entries from the Licensed Electronic Products in the Authorized User's own scientific, scholarly and educational works such as books and articles.
 - b. All Authorized Users have the option to create a My Profile Page which will allow them to create data files and links to articles, chapters and entries of interest in the Licensed Electronic Products, and search criteria which may be reused by them. In order to do so, the Authorized User will have to select and register a user name and password which the Authorized User must keep confidential and not disclose to or share with anyone else.
 - c. The Licensee and its Authorized Users may create links to Wiley Online Library from their Online Public Access Catalog (OPAC) records, library catalogs, link resolvers, locally hosted databases or library web pages, provided those links are operated by the Licensee on a Secure Network, do not result in access to licensed content by anyone other than Authorized Users and are not used in connection with any paid or commercial service or for any other commercial use whatsoever.

- d. Authorized Users who are members of the Licensee's faculty or staff may download and print out multiple copies of material from Licensed Electronic Products for the purpose of making a multi-source collection of information for classroom use (course-pack) or a virtual learning environment, to be distributed to students at the Licensee's institution free of charge or at a cost-based fee. Material from Licensed Electronic Products may also be stored in electronic format in secure electronic data files for access by Authorized Users who are students at the Licensee's institution, as part of their course work, so long as reasonable access control methods are employed such as user name and password.
 - e. The Licensee's library staff may supply to another library, upon request by that library, either a single paper copy (by post or fax) or an electronic copy of an individual document from the Licensed Electronic Products, for the purpose of research or private study. The electronic copy must be supplied by secure electronic transmission (like Ariel) and must be deleted by the recipient library immediately after printing a paper copy of the document for its user.
 - f. Neither the Licensee nor any Authorized User shall have the right to incorporate any material from the Licensed Electronic Products into any institutional or other repository.
- 2. Except as provided in Paragraph C.1 above, Authorized Users may not copy, distribute, transmit or otherwise reproduce, sell, or resell material from the Electronic Products; store such material in any form or medium in a retrieval system; or transmit such material, directly or indirectly, for use in any paid service such as document delivery or list serve, or for use by any information brokerage or for systematic distribution, whether or not for commercial or non-profit use, or for a fee or free of charge.
 - 3. The Licensee and its Authorized Users may not remove, obscure or modify any copyright or proprietary notices, author attribution or any disclaimer as they appear on Wiley Online Library. Authorized Users may not integrate material from the Electronic Products with other material or otherwise create derivative works in any medium. However, brief quotations for purposes of comment, criticism or similar scholarly purposes are not prohibited herein.
 - 4. Authorized Users may not do anything to restrict or inhibit any other Authorized User's access to or use of Wiley Online Library and the Licensed Electronic Products.
 - 5. If an Authorized User fails to abide by these Terms and Conditions of Use or other terms of this License, Wiley reserves the right in its sole discretion to suspend or terminate such Authorized User's access to Wiley Online Library and the Licensed Electronic Products immediately without notice, in addition to any other available remedies. Except in the case of a material breach which Wiley deems dangerous to the integrity and security of Wiley Online Library, or for a breach which, if not immediately remedied, is likely in Wiley's opinion to continue to cause damage, Wiley shall give prior written notice to the Licensee of its intention to terminate such Authorized User's access and shall allow the Licensee and/or the Authorized User 30 days after receipt of such notice to cure the breach or agree to abide by the terms and conditions of this License.

D. FEES AND CHARGES

1. License Fees and other charges for online access to the Licensed Electronic Products by the Licensee and its Authorized Users, and other services provided by Wiley Online Library, are specified in Appendices attached hereto, and shall be due as set forth in the relevant invoice.
2. The Licensee is responsible for any charges associated with accessing Wiley Online Library and the Licensed Electronic Products, including, but not limited to, any computer equipment, telephone or Internet connections and access software.
3. The Licensee is responsible for ensuring that any third party authorized by the Licensee to make payments on its behalf shall promptly pay Wiley the full amounts due under this License. The Consortium is responsible for ensuring compliance by the Member Institutions.
4. Wiley shall annually send the Licensee an Invoice Agreement Letter. Upon the Licensee's signature on the Invoice Agreement Letter and payment of fees set forth therein, this License shall apply, or shall renew for the period set forth in the Invoice Agreement Letter. Except as specifically set forth in the Invoice Agreement Letter, the terms and conditions of this Agreement (including updated Appendices) shall continue to apply.

E. MUTUAL OBLIGATIONS

1. Wiley will:
 - a. make reasonable efforts to ensure uninterrupted online access to and continuous availability of the Licensed Electronic Products to Authorized Users in accordance with this License, and to restore access to such Licensed Electronic Products as promptly as possible in the event of an interruption or suspension of the Wiley Online Library service which is not attributable to any third-party service provider over which Wiley has no control (e.g., an Internet or telecommunications service provider);
 - b. provide aggregate usage statistics to the Licensee which are compliant with COUNTER Codes of Practice or conform to the then-prevailing industry standard (except as otherwise specified in the attached Appendices) about the use of the Licensed Electronic Products by the Licensee's Authorized Users, consistent with applicable privacy laws and confidentiality requirements.
2. The Licensee will:
 - a. take all reasonable measures to inform Authorized Users of the Terms and Conditions of Use governing access to Wiley Online Library and to emphasize to such Authorized Users the need to comply with whatever restrictions on access, use, reproduction and transmission are included therein;
 - b. make access available to Authorized Users only through the Licensee's Secure Network and from valid IP addresses or other secure authentication methods as described in the appropriate Appendix; undertake reasonable measures within its

control to prevent access to and improper use of the Licensed Electronic Products and Wiley Online Library by unauthorized persons; and take responsibility for terminating any unauthorized access of which it has actual notice or knowledge;

- c. provide Wiley with information about the Licensee's IP addresses which can be used by Wiley to authenticate Authorized Users. The Licensee represents that all such IP addresses shall be limited to the Licensee's Secure Network, and shall be listed in Appendix A as updated from time to time. The Licensee shall be responsible for ensuring that all IP addresses on Appendix A or otherwise provided to Wiley correspond with the Licensee's IP addresses and are limited to the physical addresses specified in this Agreement. Without limiting the Licensee's obligations hereunder or Wiley's rights and remedies in the event of breach, the Licensee agrees to pay Wiley, if Wiley so elects, for any access to Wiley Online Library for IP addresses that do not meet the preceding criteria.
- d. use all reasonable efforts to monitor compliance with the Terms of Use and promptly notify Wiley of any copyright infringement or unauthorized usage of the Electronic Products which comes to the Licensee's attention; and cooperate fully with Wiley in the investigation of such infringement or unauthorized use and in any action which Wiley takes to enforce its copyright and other Intellectual Property Rights, at Wiley's expense. Notwithstanding the above, the Licensee shall not be responsible for such unauthorized use which is without the express or implied consent of the Licensee, provided that the Licensee has taken reasonable steps to prevent such misuse and, upon learning of it, uses all reasonable efforts to ensure that such activity ceases, and notifies Wiley promptly of any such breach or infringement.

F. PRIVACY AND DATA PROTECTION POLICY

Wiley recognizes the importance of protecting the information it collects in the operation of Wiley Online Library and will act in compliance with the Privacy Policy posted at <http://www.wiley.com/WileyCDA/Section/id-301465.html>.

G. TERM AND TERMINATION

1. The Term of this License shall commence on January 1, 2011 and end on December 31, 2014.
2. The Licensee reserves the right to terminate this Agreement within thirty (30) days of its notification of the impact on its budget of the state or institutional budget for the upcoming fiscal year if such budget(s) results in a loss of state or institutional financial support from which the Licensee intended to satisfy its payment obligations hereunder, provided (i) that such termination is motivated by the Licensee's good faith belief that its budgetary allotment for library acquisitions is insufficient to satisfy the Licensee's obligations hereunder; (ii) the Licensee documents such belief to Wiley's reasonable satisfaction; and (iii) alternative sources of funding are not reasonably available or expected to become available at the time the Licensee's payment obligation attaches. If the Licensee or one of its Member Institutions executes this option, no refund of payment already received by Wiley will be owed.

3. Either party may terminate this License if the other party materially breaches its obligations under this License and fails to cure such material breach, provided that the non-breaching party shall give written notice of its intention to terminate and shall allow the breaching party 60 days after receipt of such notice to remedy the breach.
4. Notwithstanding subparagraph G.3 above, either party's failure to perform any term or condition of this Agreement as a result of conditions beyond its control such as, but not limited to, war, strikes, fires, floods, governmental restrictions, acts of terrorism, public health emergencies, power failures, or damage to or destruction of any network facilities or servers, shall not be deemed a breach of this Agreement.

H. WARRANTY AND DISCLAIMERS BY WILEY

1. Wiley represents and warrants that it has the right and authority to make Wiley Online Library available to the Licensee and its Authorized Users pursuant to the terms and conditions of this License and that, to the best of Wiley's knowledge, Wiley Online Library and the Electronic Products do not infringe upon any copyright, patent, trade secret or other proprietary right of any third party.
2. Wiley Online Library may provide Authorized Users with links to third-party websites. Where such links exist, Wiley disclaims all responsibility and liability for the content of such third-party websites. Authorized Users assume sole responsibility for the accessing of third-party websites and the use of any content on such websites.
3. Except for the warranties provided by Wiley in paragraph H.1 above,
 - a. **WILEY ONLINE LIBRARY AND THE ELECTRONIC PRODUCTS AND ALL MATERIALS CONTAINED THEREIN ARE PROVIDED ON AN "AS IS" BASIS, WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF TITLE, OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE;**
 - b. **THE USE OF THE ELECTRONIC PRODUCTS, WILEY ONLINE LIBRARY AND ALL MATERIALS IS AT THE AUTHORIZED USER'S OWN RISK;**
 - c. **ACCESS TO WILEY ONLINE LIBRARY AND THE ELECTRONIC PRODUCTS MAY BE INTERRUPTED AND MAY NOT BE ERROR FREE; AND**
 - d. **NEITHER WILEY NOR ANYONE ELSE INVOLVED IN CREATING, PRODUCING OR DELIVERING WILEY ONLINE LIBRARY, THE ELECTRONIC PRODUCTS, OR THE MATERIALS CONTAINED IN WILEY ONLINE LIBRARY, SHALL BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES ARISING OUT OF THE AUTHORIZED USER'S USE OF OR INABILITY TO USE WILEY ONLINE LIBRARY, THE ELECTRONIC PRODUCTS AND ALL MATERIALS CONTAINED THEREIN.**

4. Wiley shall indemnify and hold the Licensee harmless from and against any damages, costs and fees (including reasonable attorney's fees) resulting from any judgment against the Licensee arising out of the claim of a third party that Wiley's license of the Licensed Electronic Products or the Licensee's use thereof constitutes an infringement of any copyright, patent, trade secret or other proprietary right of any such third party. This indemnity shall survive termination of the Agreement for two (2) years. This indemnity shall not apply if the claim involves content which has been modified or used in a manner not permitted under this Agreement or if the Licensee has failed to comply with other material terms of this Agreement.

The Licensee shall give prompt notice of an infringement claim to Wiley, shall provide such cooperation and assistance to Wiley as is reasonably necessary to defend the claim, and shall, consistent with the review and approval requirements of Virginia law, allow Wiley to have the sole control of the defense, provided, however, that the Licensee retains the right to participate in the defense at its own expense.

I. GENERAL PROVISIONS

1. Wiley may assign this Agreement to its successors, subsidiaries or assigns. This Agreement may not be assigned by the Licensee except with the prior written consent of Wiley.
2. In the event of a material breach of the terms and conditions of this Agreement by either party, the non-breaching party shall be entitled, in addition to any other remedies available pursuant to this Agreement or at law, to seek equitable, including injunctive, relief, to the extent allowed under Virginia law.
3. Any notice, request, statement or other communication to be given hereunder to any party shall be in writing addressed to the party as follows:

4. This Agreement constitutes the complete understanding of the parties and supersedes all prior understandings between the parties with respect to the subject matter of this Agreement. No modification, amendment, or waiver of any provisions shall be valid unless in writing and executed by the parties. Any waiver in one or more instances by either of the parties of any breach by the other of any terms or provisions contained in this Agreement shall not be considered a waiver of any succeeding or preceding breach. In the event that any clause of this Agreement is determined to be void or unenforceable, the remainder of the Agreement shall survive.
5. All Appendices attached or to be attached to this Agreement are incorporated herein and shall be governed by the terms and conditions of this Agreement unless otherwise specified in such Appendix. For avoidance of doubt, the parties agree that the core financial terms underlying this Agreement are summarized as follows: Licensee's total expenditure for access to both its Core Collection and Wiley's Standard (2011 Full) Collection, shall be no more than the combined Wiley expenditures for 2010 of all participating Member Institutions, as adjusted through the reconciliation process reflected in the Appendices attached hereto as Appendix B(a) plus 3.5%. In subsequent years, the net annual increase shall be limited to 3.5% (2012); 4% (2013), and 4% (2014), as adjusted by those factors described in Appendix B (a).

APPENDIX B (a) – LICENSED ELECTRONIC JOURNALS - CORE COLLECTIONS OF SUBSCRIBED TITLES

Licensee: The Virtual Library of Virginia (VIVA)

The Core Collection is defined herein as the complete collection of Wiley journals to which the Licensee subscribes to obtain online access.

Archival Access: During the term of this License, Wiley will provide the Licensee with access to current electronic files of the journals in the Core Collection and retrospective content, generally back to 1997, depending on the start date of online publishing by Wiley, as well as tables of content, abstracts, full text and illustrations and any additional electronic journal content not included in the print versions of the journals, but not materials included in Backfiles.

Perpetual Access: Upon termination of this License, Wiley will provide the Licensee with perpetual access to current electronic files of the journals in the Core Collection and retrospective content, generally back to 1997, depending on the start date of online publishing by Wiley, as well as tables of content, abstracts, full text and illustrations and any additional electronic journal content not included in the print versions of the journals, but not materials included in Backfiles where Wiley has the rights to deliver this. Wiley, in its discretion, will either continue online access to the same material on Wiley's server or provide an archival copy in the electronic medium selected by Wiley, at a reasonable cost-based fee.

Wiley has designated Portico as a post-cancellation access provider of licensed material. If the licensed material is no longer available via Wiley Online Library, the Licensee may access the material on Portico's server as long as:

1. Wiley continues to designate Portico as a post-cancellation provider;
2. The licensed material is available on Portico;
3. Wiley maintains copyright over the licensed material;
4. Portico's procedures for providing access are followed.

By providing such access Wiley grants to the Licensee a nonexclusive, royalty-free, license to use such material in accordance with the restrictions on use specified in Paragraph C of the Agreement, which restrictions shall survive any termination of the Agreement.

Pricing:

Core Collection Fee = 100% of the previous year's total subscription spend plus a price increase based on the average journal price increase but not to exceed the Price Increase Cap specified below, plus any adjustments for new, canceled or deleted Electronic Journal titles.

- Total VIVA Core Collection Fee for 2011 = \$4,004,430.92
- Price Increase Cap:
 - 2011: 3.5%
 - 2012: 3.5%
 - 2013: 4%
 - 2014: 4%

If the average aggregate Wiley journal price increase for a calendar year is less than the Price Increase Cap, the lower percentage will be applied. The following three titles are not available via this Agreement: *Econometrica*, *Quantitative Economics*, and *Theoretical Economics*. However, they may be ordered via Wiley's Journals Customer Service department at cs-journals@wiley.com.

Electronic Journal Subscription Maintenance and Swapping: The Licensee may swap subscribed

online journals in the Core Collection without penalty provided that such changes do not exceed 10% of the value of the total Core Collection for any calendar year for 2012 forward. These changes will be reflected in amendments to this Appendix. Swapping will be accepted at the title level or for duplicate subscriptions. Swapping will only be accepted on a calendar year basis and Wiley must be notified of any changes in writing no later than the preceding November 1st.

For 2012 and subsequent years of this Agreement, no more than once annually by giving Wiley notice by November 1 prior to the start of the next calendar year, a participating VIVA member may cancel electronic access to any of the journal titles subscribed to in the participating VIVA member's Core Collection as identified in Appendix B(a)1, and will not be charged the license fee for such cancelled title(s), provided that another participating VIVA member provides simultaneous notice to Wiley agreeing to add a subscription to the same journal title(s) to its Core Collection under its license agreement with Wiley.

Wiley may, from time to time, cease publication of individual journals in which case the journal(s) will be removed from the Licensee's Core Collection, and the fees associated with the journal(s) will no longer be factored into the Core Collection Fee.

Except as provided above, the Licensee must maintain all online subscriptions in the Core Collection as set forth in the attached list (Appendix B(a)1).

Title Cancellation:

- (a) Each Member Institution may annually cancel outright subscribed Electronic Journals equal to 1% of the annual Core Collection value of the Member Institution. These changes will be reflected in amendments to Appendix B.
- (b) Cancellations will be accepted at the title level or for duplicate subscriptions.
- (c) If a cancelled subscription is not the only subscription to that Electronic Journal in the Member Institution's holdings, that Member Institution will continue to have electronic access to that Journal.
- (d) If this cancelled subscription is the only subscription to that Electronic Journal in the Member Institution's holdings, then that Member Institution will lose access to the newly published content of that title permanently.
- (e) Cancellations will only be accepted on a calendar year basis and Wiley must be notified by each Member Institution by November 1st of any such subsequent year cancellations.

New Titles: New Titles can be added under the following terms and conditions:

- (a) Member Institutions may add new journals to their Core Collection at the full rate institutional online only subscription price after which they will be price capped according to the schedule above.
- (b) To the extent permitted by Virginia law, subscriptions to titles transferred into Wiley from another publisher will be added to a Member Institution's Core Collection in the first year of transfer if the Member Institution has a subscription for the calendar (or subscription) year in which the title is transferred. The title will be added to the Core Collection of that Member Institution at the current year institutional online only price multiplied by the number of subscriptions held in the previous year. Subscriptions to titles transferred out of Wiley will be deleted from the Member Institution's Core Collection in the year of transfer.
- (c) A Member Institution may add previously canceled titles at the current full rate institutional online only subscription price to its Core Collection.
- (d) Wiley reserves the right to exclude titles from inclusion in the Standard or Custom Collections, however these titles may be added to an individual Member Institution's Core Collection. A list of titles excluded from the Standard and Custom Collections can be found in Appendix B(e).

Print Subscription Pricing:

The Licensee can purchase print subscriptions to Licensed Electronic Journals which the Licensee subscribes to via a Core or Standard Collection at a deeply discounted rate which for 2011 is 15%. This does not apply to:

- (a) Titles new to Wiley Online Library unless added to the Licensee's Core or Standard Collection.
- (b) Titles not subscribed to by the Licensee, unless added to the Licensee's Core or Standard Collection.
- (c) Titles not available via Wiley Online Library.

Print subscriptions should be ordered directly via the Wiley Customer Services department, or through an agent.

5. Imposing interest charges contrary to that specified by the Code of Virginia, §2.2-4347 through 2.2-4354, Prompt Payment;
6. Requiring the application of the law of any state other than Virginia in interpreting or enforcing the contract or requiring or permitting that any dispute under the contract be resolved in the courts of any state other than Virginia;
7. Requiring any total or partial compensation or payment for lost profit or liquidated damages by the Commonwealth if the contract is terminated before its ordinary period;
8. Requiring that the contract be "accepted" or endorsed by the home office or by any other officer subsequent to execution by an official of the Commonwealth before the contract is considered in effect;
9. Delaying the acceptance of this contract or its effective date beyond the date of execution;
10. Limiting or adding to the time period within which claims can be made or actions can be brought;
11. Limiting the liability of the Contractor for property damage or personal injury;
12. Permitting unilateral modification of this contract by the Contractor;
13. Binding the Commonwealth to any arbitration or to the decision of any arbitration board, commission, panel or other entity;
14. Obligating the Commonwealth to pay costs of collection or attorney's fees;
