- (d) The provisions of Executive Order 11246, as amended (Equal Employment Opportunity/Affirmative Action), Section 402 of the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended (38 U.S.C. 4212 or VEVRAA), and Section 503 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 793), and the implementing regulations found at 41 CFR 60-1&2, 41 CFR 60-250, and 41 CFR 60-741, respectively, are hereby incorporated by reference.

At the request of either party, The CSU shall provide a forum for discussion of the disputed item(s), at which time the Vice Chancellor, Business and Finance (or designated representative) of The CSU shall be available to assist in the resolution by providing advice to both parties regarding The CSU contracting policies and procedures. If resolution of the dispute through these means is pursued without success, either party may seek resolution employing whatever remedies exist in law or equity beyond this Contract. Despite an unresolved dispute, the Contractor shall continue without delay to perform its responsibilities under this Contract. The Contractor shall keep accurate records of its services in order to adequately document the extent of its services under this Contract.

### 16. Privacy of Personal Information

Contractor expressly acknowledges the privacy rights of individuals to their personal information that are expressed in the State's Information Practices Act (California Civil Code Section 1798 et seq.) and in California Constitution Article 1, Section 1. Contractor shall maintain the privacy of personal information. Contractor shall not release personal information contained in CSU records without full compliance with applicable state and federal privacy laws. Contractor shall maintain the privacy of protected personal information and shall be financially responsible, if and to the extent that any security breach relating to protected personal information results from acts or omissions of Contractor, or its personnel, for any notifications to affected persons (after prompt consultation with CSU), and to the extent requested by CSU, administratively responsible for such notification.

### 17. Waiver of Rights

Any action or inaction by the CSU or the failure of the CSU on any occasion to enforce any right or provision of the Contract shall not be construed to be a waiver by the CSU of its rights hereunder and shall not prevent the CSU from enforcing such provision or right on any

future occasion. The rights and remedies of the CSU provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law.

### 18. Endorsement

Nothing contained in this Contract shall be construed as conferring on any party hereto, any right to use the other party's name as an endorsement of product/service or to advertise, promote or otherwise market any product or service without the prior written consent of the other party. Furthermore nothing in this Contract shall be construed as endorsement of any commercial product or service by the CSU, its officers or employees.

### 19. Patent, Copyright, and Trade Secret Indemnity

A contractor may be required to furnish a bond to the CSU against any and all loss, damage, costs, expenses, claims and liability for patent, copyright and trade secret infringement. In addition:

- (a) The Contractor, at its own expense, shall defend any action brought against the CSU to the extent that such action is based upon a claim that the product supplied by the Contractor or the operation of such product infringes a United States patent or copyright or violates a trade secret. The Contractor shall pay those costs and damages finally awarded against the CSU in any such action. Such defense and payment shall be conditioned on the following:
- (i) That the Contractor shall be notified within a reasonable time in writing by the CSU of any notice of such claim; and,
- (ii) That the Contractor shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise, provided, however, that when principles of government or public law are involved, the CSU has the option to participate in such action at its own expense.
- (b) Should the product, or the operation thereof, become, or in the Contractor's opinion is likely to become, the subject of a claim of infringement of a United States or foreign patent or copyright or a trade secret, the CSU shall permit the Contractor at its option and expense either to procure for the CSU the right to continue using the product, or to replace or modify the same so that they become non-infringing provided such replacement or modified product satisfies the performance requirements specified in the Contract. If none of these options can reasonably be taken, or if the use of such product by the CSU shall be prevented by injunction, the Contractor agrees to take back such product and make every reasonable effort to assist the CSU in procuring a substitute product. If, in the sole opinion of the CSU, the return of such infringing product makes the retention of other products acquired from the Contractor under this contract impractical, the CSU shall then have the option of terminating the contract, or applicable portions thereof, without penalty or termination charge. The Contractor agrees to take back such product and refund any sums the CSU has paid Contractor less any reasonable amount for use or damage.

### 20. Compliance with NLRB Orders

Contractor declares under penalty of perjury that no more than one final, unappealable finding of contempt of court by a federal court has been issued against the Contractor within the immediately preceding two-year period because of the Contractor's failure to comply with an order of a federal court which orders the Contractor to comply with an order of the National Labor Relations Board. This provision is required by, and shall be construed in accordance with, Public Contract Code Section 10296.

## CSU GENERAL PROVISIONS for DATA SERVICE ACQUISITIONS

### 26. Covenant Against Gratuities

The Contractor shall warrant that no gratuities (in the form of entertainment, gifts, or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor, to any officer or employee of the CSU with a view toward securing the Contract or securing favorable treatment with respect to any determinations concerning the performance of the Contract. For breach or violation of this warranty, the CSU shall have the right to terminate the Contract, either in whole or in part, and any loss or damage sustained by the CSU in procuring on the open market any items which the Contractor agreed to supply shall be borne and paid for by the Contractor. The rights and remedies of the CSU provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Contract.

### 27. Rights and Remedies of CSU for Default

- (a) In the event any Deliverables furnished or services provided by the Contractor in the performance of this Contract should fail to conform to the requirements herein, or to the sample submitted by the Contractor, the CSU may reject the same, and it shall thereupon become the duty of the Contractor to reclaim and

remove the same forthwith or to correct the performance of services, without expense to the CSU, and immediately to replace all such rejected items with others conforming to such specifications or samples; provided that should the Contractor fail, neglect, or refuse to do so, the CSU shall thereupon have the right to purchase in the open market, in lieu thereof, a corresponding quantity of any such items and to deduct from any moneys due or that may thereafter become due to the Contractor the difference between the price named in the Contract and the actual cost thereof to the CSU.

- (b) In the event the Contractor shall fail to make prompt delivery as specified of any item, the same conditions as to the right of the CSU to purchase in the open market and to reimbursement set forth above shall apply, except for force majeure. Except for defaults of subcontractors, neither party shall be responsible for delays or failures in performance resulting from acts beyond the control of the offending party. Such acts (known as "force majeure") shall include but shall not be limited to fire, strike, freight embargo or acts of God and of the Government. If a delay or failure in performance by the Contractor arises out of a default of its subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for damages of such delay or failure, unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule.
- (c) In the event of the termination of the Contract, either in whole or in part, by reason of the default or breach thereof by the Contractor, any loss or damage sustained by the CSU in procuring any items which the Contractor therein agreed to supply shall be borne and paid for by the Contractor.
- (d) The rights and remedies of the CSU provided above shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Contract.

### 28. Contractor's Power and Authority

The Contractor warrants that it has full power and authority to grant the rights herein granted and will hold the CSU hereunder harmless from and against any loss, cost, liability, and expense (including reasonable attorney fees) arising out of any breach of this warranty. Further, Contractor avers that it will not enter into any arrangement with any third party which might abridge any rights of the CSU under this Contract.

## Specific Provisions

### Journals

#### 1. Journals

The journals listed in Section 6 (the "Subscribed Journal(s)" or the "Subscription") contain the volumes of previous years going back to 1997 if available (the "Complimentary Volumes").

#### 2. Print and Electronic Journals

2.1 Licensee may substitute a print subscription with an e-only-subscription subject to appropriate adjustment of the License Fee, by giving Springer notice in writing on or before September 1<sup>st</sup> with effect for the following Subscription Year.

2.2 In the event that any Subscribed Journal is no longer included in Springer's Websites, Licensee may substitute any such Subscribed Journal with another Journal of equivalent value (current year list price) at any time upon written notice to Springer. In case Licensee does not choose another Journal, the License Fee will be reasonably decreased.

2.3 Deleted.

2.4 In case Licensee orders the print versions of its Subscribed Journals from Springer or from an agent in addition to its e-only-Subscription under this License Agreement, Licensee is entitled to a discount of 75% of the list price of the print version, excluding postage and handling fee ("Deep Discounted Print" or "DDP"). The order shall include the indication that Licensee orders the print versions of the Subscribed Journals under the DDP otherwise, Licensee is not entitled to any refund from Springer. This Section does not apply to Non-Subscribed Journals or Complimentary Journals.

#### 3. Transfer, Take-Over and New Journals

3.1 If the publishing rights to a Subscribed Journal are transferred to another publisher, Springer will use its best efforts to provide Licensee or - in case of a consortium - those Participating Libraries with a respective Subscription with continuous access to those issues of the Subscribed Journal published during the Term either (a) online on Springer's Websites, (b) online on the new publisher's website, or (c) offline by providing the same on a digital storage medium. If Springer is unable to do any of the foregoing, Springer will offer those Participating Libraries access to another journal of equivalent value.

3.2 In the event that during the Subscription Year, Springer acquires a journal from a third party publisher (the "Take-Over Journal"), Participating Libraries may obtain access and rights to the Take-Over Journal under the following terms:

a) If one or more Participating Libraries subscribed to the Take-Over Journal during the previous Subscription Year, and (i) the total number of subscriptions of the Participating Libraries to the Take-Over Journal is maintained upon transfer to Springer, and (ii) the total number of subscriptions of the Participating Libraries to the Take-Over Journal meets or exceeds the Multiplier as defined in sub-paragraph (c), Springer will provide access and rights to the Take-Over Journal to all Participating Libraries at no additional cost.

b) If the provisions of sub-paragraph (a) are not satisfied, Licensee may add the Take-Over Journal to the title list and the License Fee for the Subscribed Journals shall be increased by the product of the Multiplier and the list price of that Take-Over Journal. If Licensee declines this option, Springer will grant access and rights to the Take-Over Journal only to those Participating Libraries that hold a subscription to that Take-Over Journal.

c) The “Multiplier” is the average number of subscriptions per subscribed journal held by all Participating Libraries within a consortium. For example, if there are 7 Subscribed Journals, and a total of 13 subscriptions held by the Participating Libraries, the Multiplier would be 13 divided by 7, i.e. 1.86. The multiplier is based on the Subscribed Journals held by the Participating Libraries in the year prior to the current Subscription Year.

3.3 Electronic access to new, start-up journals initiated by Springer (the “Start-Up Journals”) will be included at no additional cost during the first two years of their publication but not exceeding the Term of this License Agreement. Licensee has no rights to continuous access with regard to the Start-Up Journals.

#### 4. Term and Duration of Access

4.1 The term shall begin on January 1<sup>st</sup>, 2013 and shall end on December 31<sup>st</sup>, 2015 (the “Subscription Year” or “Term”).

4.2 After expiration of the Term and subject to Licensee's and Participating Libraries' compliance with it, Licensee and each Participating Library, shall be entitled to continuous access to all Subscribed Journals. From January 1<sup>st</sup>, 2018, Participating Libraries shall pay an annual hosting fee in the amount of US \$625.00 for access to the Subscribed Journals through Springer's Websites, which will be waived during those years that Licensee and/or any Participating Library subscribes to or acquires any additional Content Licensee and Participating Libraries shall be entitled to access the Non-Subscribed Journals and the Complimentary Volumes only during the Term.

5. Deleted
