12.2 Springer represents that it has all copyrights, ownership rights and/or utilization rights in and to the Content and that the execution of this Agreement does not violate any contract to which Springer is presently a party nor does it violate the rights or interests of any third party.

- 12.3 Springer represents that Springer has the requisite corporate authority to enter into this Agreement and to grant and/or accept the license hereunder, and that there are no outstanding assignments, grants, licenses, encumbrances, obligations or agreements that would prevent Springer from performing under the terms of this Agreement.
- 12.4 Notwithstanding the foregoing, however, Springer will not be responsible for any claim, loss or liability attributable to errors, inaccuracies or other defects in the Content or any part thereof arising from any act or omission or (to the maximum extent permitted by relevant laws) any negligence and BOTH PARTIES EXPRESSLY EXCLUDE ANY LIABILITY FOR BREACH OF ANY IMPLIED OR EXPRESS WARRANTY AS TO TITLE, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR SHALL SPRINGER BE LIABLE FOR ANY DIRECT OR INDIRECT, INCIDENTAL, SPECIAL CONSEQUENTIAL OR PUNITIVE DAMAGES ARISING OUT OF USE OF THE CONTENT, save that Springer will use its best efforts to replace any defective part of the Content. 14. General

- 14.1 No part of this Agreement shall be construed as limiting Licensee's ability to acquire additional Content. If Licensee acquires additional Content after the initial acquisition, these Online Terms and Conditions shall also be applicable to Licensee's acquisition of any such additional Content.
- 14.2 Springer may assign its rights or delegate its obligations, or any part thereof under this Agreement without prior consent from Licensee. Licensee may not assign, whether in conjunction with a change of ownership, merger, acquisition, sale or transfer of all, substantially all or any part of Licensee's business or assets or otherwise, either voluntarily, by operation of law or otherwise, any portion of Licensee's rights or obligations under this Agreement without the consent of Springer. The parties further agree that neither party shall obligate or purport to obligate the other by issuing or making any affirmations, representations, warranties or guaranties with respect to the Content.
- 14.4 The waiver or failure of any party to enforce any of its rights under this Agreement shall not be deemed to be a waiver of any of such party's rights in the event of any subsequent breach or breaches of any of the obligations of another party hereunder. No waiver by any party hereunder shall be effective unless in writing and signed by such party.
- 14.5 Springer's failure to perform any term or condition of this Agreement as a result of conditions beyond its control such as, but not limited to, war, strikes, fires, floods, governmental restrictions, power failures, or damage or destruction of any network facilities or servers, shall not be deemed a breach of this Agreement.
- 14.6 If any covenant or other provision of this Agreement is invalid, illegal or incapable of being enforced, by reason of any rule of law or public policy, all other conditions of this Agreement shall nevertheless remain in full force and effect, and no covenant or provision shall be dependent upon any other covenant or provision unless so expressed herein.

- 14.7 This Agreement and the rights and obligations of the parties hereto shall be construed, interpreted and determined in accordance with the laws of the State of Ohio without reference to the choice-of-law principles of this state or any other jurisdiction and without the aid of any rule, custom or canon requiring construction or interpretation of this Agreement against the draftsmen.
- 14.8 The parties hereto acknowledge and agree that any controversies arising out of this Agreement shall be decided exclusively in the United States District Court of Ohio. The parties further acknowledge and agree that, in connection with any such controversy (1) the mailing of process or other papers by registered mail, or the service of process or other papers in any manner permitted by this Agreement or (2) service of process or other papers on a party in any manner as may be permitted by law, shall be valid and sufficient service of such process or other papers.
- 14.9 All Attachments to this Agreement are incorporated into this Agreement by reference for all purposes and are binding upon Springer and Licensee.
- 14.10 The parties agree to cooperate to effect the intent and terms of this Agreement and agree to execute such any and other papers or documents required or necessary to effect the terms and obligations contained in this Agreement.
- 14.11 This Agreement, along with the Attachments, contain the entire understanding of the parties and supersede all previous verbal and written agreements; there are no other agreements, representations or warranties other than as set forth herein. Any description sheets or other memoranda concerning this Agreement shall in no way supersede or be controlling over the terms and conditions of this Agreement.
- 14.12 This Agreement may be executed in one or more counterparts (whether facsimile or original), each of which shall be deemed to be an original as against any party whose signature appears thereon, and all of which shall together constitute one and the same instrument.
- 14.13 No modification of any provision of this Agreement shall be valid except by written amendment signed by authorized representatives of Springer and Licensee.

- 2.6 The eBooks Fee is based on the inclusion of the expected number of titles (the "Estimated Titles") in the respective eBook Packages. If any eBook Package contains less than ninety-seven percent (97%) of the Estimated Titles of all eBook Packages, Licensee is entitled to a discount on any future eBook package acquisitions with Springer equal to the percentage shortfall less three percent (3%) of the fee applicable to the license where the shortfall occurred.
- 2.7 If any eBook Package contains more than 100% of its Estimated Titles, Licensee shall not pay any additional fees, unless (i) such inclusion is the result of Springer's acquisition of an imprint from another publisher, in which case Licensee may acquire any such additional imprint of the eBook Package by paying a license fee agreed upon between Springer and Licensee and (ii) so long as the amount of the eBook Package does not exceed more than 108% of the Estimated Titles of the prior Copyright Year of an eBook Package under this Agreement. 4. MyCopy

4.1 If geographically available, Springer will grant Licensee access to Springer's MyCopy Service, a reprint-order service through which Authorized Users may order copies of the eBooks that are part of Licensee's eBook Packages during Licensee's period of access to the eBook Packages (the "MyCopy Books").

4.2 In general, the MyCopy Books are print-on demand versions and shall be identical to the applicable print-edition and electronically-accessed versions in eBooks except that, (a) they shall be bound in soft covers that may be printed in color or black and white, and (b) all content shall be printed in black and white.

Each Authorized User may order one (1) print-on-demand copy of any eBook from the eBook Packages. There are no restrictions as to the number of individual titles of MyCopy Books that may be ordered by an Authorized User. Springer shall deliver the printed MyCopy Books to the address (the country is restricted to the physical location as determined by the IP-address) specified by the Authorized User after the Authorized User's completion of the transaction by payment of the purchase price. In any case, Licensee, Participating Libraries and their librarians are not entitled to order MyCopy Books.

5. Duration of Access

5.1 Springer grants Licensee continuous access to the eBook Packages as provided below:

(a) For a period commencing as of the end of the Copyright Year of the eBooks Packages and continuing until the second (2nd) anniversary thereof, Licensee shall be given continuous access to the eBook Packages through SpringerLink (for so long as it is available) without charge.

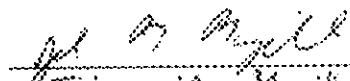

(b) For a period commencing as of the second (2nd) anniversary of the end of the Copyright Year of the eBooks Packages, Licensee shall be given continuous access through SpringerLink to the eBook Packages if Licensee either:

- (i) acquires any other online products from Springer hosted on SpringerLink and makes payment for such other online products, and continues to make the required payment(s) for the acquisition of such other online products hosted on SpringerLink; or
- (ii) In the event that Licensee does not acquire any other online products from Springer hosted on SpringerLink, Licensee will be given the option either to pay for continuous access to the eBook Packages through SpringerLink for an annual service fee of US Dollar 825.00 (the "Archiving Fee" which is increased by Springer from time to time) or to obtain access to the eBook Packages by an archival digital storage medium mutually acceptable to Springer and Licensee, the cost of which (together with processing, handling and shipping fees) will be borne by Licensee. Springer will invoice the Archiving Fee upon termination of the last license agreement in place with Springer. Licensee shall pay the Archiving Fee within 30 days upon receipt of the invoice.

5.2 Section 5.1 of this Attachment does not apply to Complimentary Bookseries. Springer grants Licensee access to the Complimentary Bookseries for a duration of the Copyright Years of the eBook Packages set forth in Section 2.1 of this Attachment.

1. Online Terms and Conditions

The Online Terms and Conditions including **Attachment A** (License ID 8229) dated December 1, 2010 are fully applicable to journals and incorporated by reference.

2. Models

2.1 Springer offers journals for subscription by title from subject collections with copyright years from 1997 to present in online form and as print versions in two different models:

- The **E-Only Enhanced Access Model** provides for online access to journals of copyright year 1997 to present (the "Enhanced Access, Contemporary Content or E-only Journals").
- The **Print Plus Enhanced Access Model** covers the Contemporary Content and the print version of the Subscribed Journal for the subscription year.

2.2 Springer offers additional journals which Licensee has not subscribed to as a complement to the E-Only Enhanced Access Model and Print Plus Enhanced Access Model ("Non-Subscribed Journals").

3. Journals and Journals Fee

- 3.1 Springer grants access to the Journals listed in Section 8 of this Attachment in the form of the E-only Enhanced Access Model ("Subscribed Journals or the Subscription") and to the Non-Subscribed Journals listed in Section 9 of this Attachment.
- 3.2 Licensee may make one copy of the Subscribed Journals and the Non-Subscribed Journals, both in electronic and print format for backup purposes only.
- 3.3 Licensee may use the Subscribed Journals and Non-Subscribed Journals for Inter-Library Loan in accordance with Section 4.2 of the Online Terms and Conditions.
- 3.1 Licensee shall pay a fee of US Dollar 12,431,882.00 for the Subscribed Journals (the "Journals Fee") in accordance with the payment terms set forth in section 9 of the Online Terms and Conditions.
- 3.2 Intentionally deleted.

4. Dual Access Premium

- 4.1 Intentionally deleted.
- 4.2 Intentionally deleted.

5. Multi-Year Agreements

- 5.1 In case of a Multi-Year Agreement Springer shall increase the Journals Fee by three percent (3%) during each subsequent Subscription Year of Multi-Year Agreements based on the last Journals Fee.
- 5.2 Licensee may substitute a Print Plus Enhanced Access Subscription with an E-Only Enhanced Access Subscription subject to appropriate fee adjustment, by giving Springer notice in writing no later than by August 1 prior to the start of the next Subscription Year. The Journals Fee shall not be decreased by any such substitution.
- 5.3 Electronic access to new, start-up journals initiated by Springer (the "Start-Up Journals") will be included at no additional cost during the first two (2) years of publication (the "Grant Period"). Licensee has no archival rights with regard to the Start-Up Journals during the Grant Period.
- 5.4 In the event that Licensee wishes to subscribe to any of the Start-Up Journals during or after the expiry of the Grant Period (the "New Journals"), those New Journals will be added to the list of

Journals set out in Section 8 by signing an Addendum to this Attachment. Licensee will then have continuous access to the added New Journals. Licensee is entitled to subscribe to New Journals at a discounted rate based on the average number of copies of Subscribed Journals.

- 5.5 Already existing print journals becoming available in electronic format during the Term can be added at the request of the Licensee, at the start of the subsequent Subscription Year, as per the terms of this Attachment. The Journals Fee will be increased by the prevailing subscription price multiplied by the number of combined subscriptions held by Licensee and/or Participating Libraries during the Subscription Year, and added to the License Fee above.
- 5.6 Licensee will maintain the amount and value of the Subscribed Journals during the first Subscription Year in the amount of its Journals Fee (plus any applicable annual price increases, but excluding any tax increases). In the event that Licensee cancels its Subscribed Journals to an amount that would result in a decrease of the Journals Fee, Licensee shall be charged an additional fee equal to the value (in current Subscription Year's list price) of the cancelled Subscribed Journal in order to meet the Journals Fee.
- 5.7 In the event that any Subscribed Journal is no longer included in SpringerLink, Licensee may substitute any such Subscribed Journal with another Journal of equal value (in current year list price) at any time upon written notice to Springer. Notwithstanding the foregoing, within ninety (90) days following execution of this Attachment and by March 31, Springer may substitute Subscribed Journals with another Journal with the prior written consent of Licensee. In case Licensee will not choose any substituted Journal, the respective values of the discontinued Subscribed Journal will be removed from the Journals Fee times the number of combined subscriptions held during the Subscription Year. However, such Subscribed Journals (and their respective back files) will remain as Content on SpringerLink.
- 5.8 If the publishing rights to any item of Subscribed Journals are transferred to another publisher, Springer will use reasonable efforts to retain a non-exclusive copy of the volumes published and make them available through SpringerLink to Licensee.
- 5.9 In the event that Springer has acquired any journals from a third party (the "Take-Over Journals") and in the event that Springer publishes any such Take-Over Journals on SpringerLink during the Subscription Year, Springer shall verify whether Licensee has already subscribed to any such Take-Over Journals. The Take-Over Journals will then be added to Section 6 of this Attachment and the value thereof will be added to the Journals Fee.
- 5.10 Licensee shall provide Springer with a complete list of the Subscribed Journals and provide any updates or corrections to that list without the need for any further requests from Springer.

6. Consortia Deals

- 6.1 During the Term of a Multi-Year Agreement, Participating Libraries are entitled to cancel their Subscribed Journals comprising up to two percent (2%) of the Journals Fee the first Subscription Year and restricted to the first Subscription Year and not to the subsequent Subscription Years of the Multi-Year Agreement. The Participating Library shall inform Springer no later than by November 1 of the Subscription Year that it wishes to cancel parts of their Subscribed Journals. Springer shall make any necessary applicable adjustments to the Journals Fee accordingly.
- 6.2 Additional Participating Libraries wishing to obtain access to Journals may become parties to this Agreement during the Term with the mutual consent of Licensee and Springer by signing an Amendment to this Agreement. Any such amendment shall identify the additional Participating Libraries by their full contact information, and shall include any such Participating Libraries' contribution to the Journals Fee, their minimum financial contribution to the Journals Fee and any and all necessary electronic charges.
- 6.3 Licensee and Participating Libraries that only subscribe to the E-Only Enhanced Model of Subscribed Journals are entitled to purchase the print versions of those Subscribed Journals directly from Springer or from any designated agent of Springer at a seventy-five percent (75%) discount, i.e. subscription prices at 25% of the list price, excluding postage and handling ("Deep Discount Price" or "DDP"). Licensee and Participating Libraries (if applicable) purchasing print versions of the Subscribed Journals at DDP must clearly state to their designated agent and Springer in writing that they intend to subscribe to the print versions of the Subscribed Journals under the Deep Discount Price. If Licensee fails to do so, Licensee shall not receive any refund. Section 6.3 of this Attachment does not apply to Non-Subscribed Journals.
- 6.4 Should Licensee ever cease or cancel its access to the Subscribed Journals and desire to reinstate its access thereto, Springer may reinstate such access so long as Licensee renews its Subscription to all previously-cancelled Subscribed Journal titles and continues with all its currently Subscribed Journal titles. In such circumstances, Licensee shall pay Springer a fee for such reinstatement equal to five percent (5%) of the current Subscription Year's Journals Fee for the currently-Subscribed Journal titles, and shall subscribe to any such reinstated titles at the current consortia price.
- 7. Term and Duration of Access**
- 7.1 The term shall begin on the date of the execution of this Attachment and shall end on 31 December 2013 (the "Subscription Year" or "Term").
- 7.2 Licensee shall have continuous access to the Subscribed and Non-Subscribed Journals as provided below:
- (a) For a period commencing as of the end of the Subscription Year of the Journals and continuing until the second (2nd) anniversary thereof, Licensee shall be given continuous

access to the Subscribed and Non-Subscribed Journals through SpringerLink (for so long as it is available) without charge.

(b) For a period commencing as of the second (2nd) anniversary of the end of the Subscription Year of the Journals, Licensee shall be given continuous access through SpringerLink to the Subscribed Journals if Licensee either:

(i) acquires any other online products from Springer hosted on SpringerLink and makes payment for such other online products, and continues to make the required payment(s) for the acquisition of such other online products hosted on SpringerLink; or

(ii) in the event that Licensee does not acquire any other online product from Springer, Licensee will be given the option either to pay for continuous access to the Subscribed Journals through SpringerLink for an annual service fee of US Dollar 625.00 (such amount is increased by Springer from time to time) or to obtain access to the Subscribed Journals by an archival digital storage medium mutually acceptable to Springer and Licensee the cost of which (together with processing, handling and shipping fees) will be the responsibility of Licensee.

(c) For a period commencing as of the second (2nd) anniversary of the end of the Subscription Year of the Journals, Licensee shall be given continuous access to the Non-Subscribed Journals through SpringerLink upon payment of an annual service fee to be agreed upon or through an archival digital storage medium mutually acceptable to Springer and Licensee, the cost of which (together with processing, handling and shipping fees) will be borne by Licensee.
