The Licensee's Core Collection (Core Collection) is defined herein as the complete collection of Wiley journals to which the Licensee subscribes and will pay the subscription fees specified herein to obtain online access.

Archival Access: During the term of this License, Wiley will provide the Licensee with access to current electronic files of the journals in the Core Collection and retrospective content, generally back to 1997, depending on the start date of online publishing by Wiley, as well as tables of content, abstracts, full text and illustrations and any additional electronic journal content not included in the print versions of the journals, but not materials included in Backfiles.

Perpetual Access: Upon termination of this License, Wiley will provide the Licensee with perpetual access to current electronic files of the journals in the Core Collection and retrospective content, generally back to 1997, depending on the start date of online publishing by Wiley, as well as tables of content, abstracts, full text and illustrations and any additional electronic journal content not included in the print versions of the journals, but not materials included in Backfiles where Wiley has the rights to deliver this. Wiley, in its discretion, will either continue online access to the same material on Wiley's server or provide an archival copy in the electronic medium selected by Wiley, at a reasonable cost-based fee.

By providing such access Wiley grants to the Licensee a nonexclusive, royalty-free, license to use such material in accordance with the restrictions on use specified in Paragraph C of the Agreement, which restrictions shall survive any termination of the Agreement.

Except as provided above, the Licensee must maintain all online subscriptions in the Core Collection as set forth in the attached list (Appendix B(a)1).

New Titles: An amendment to this Agreement is required for the addition of new titles, subject to the following. New Titles can be added under the following terms and conditions:

Any dispute arising under the terms of this Contract which is not resolved within a reasonable period of time by authorized representatives of the Contractor and the CSU shall be brought to the attention of the Chief Executive Officer (or designated representative) of the Contractor and the Chief Business Officer (or designee) of The CSU for joint resolution. At the request of either party, The CSU shall provide a forum for discussion of the disputed item(s), at which time the Vice Chancellor, Business and Finance (or designated representative) of The CSU shall be available to assist in the resolution by providing advice to both parties regarding The CSU contracting policies and procedures. If resolution of the dispute through these means is pursued without success, either party may seek resolution employing whatever remedies exist in law or equity beyond this Contract. Despite an unresolved dispute, the Contractor shall continue without delay to perform its responsibilities under this Contract. The Contractor shall keep accurate records of its services in order to adequately document the extent of its services under this Contract.

16. Privacy of Personal Information

17. Waiver of Rights

Any action or inaction by the CSU or the failure of the CSU on any occasion to enforce any right or provision of the Contract shall not be construed to be a waiver by the CSU of its rights hereunder and shall not prevent the CSU from enforcing such provision or right on any future occasion. The rights and remedies of the CSU provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law

Nothing contained in this Contract shall be construed as conferring on any party hereto, any right to use the other party's name as an endorsement of product/service or to advertise, promote or otherwise market any product or service without the prior written consent of the other party. Furthermore nothing in this Contract shall be construed as endorsement of any commercial product or service by the CSU, its officers or employees.

19. Patent, Copyright, and Trade Secret Indemnity

A contractor may be required to furnish a bond to the CSU against any and all loss, damage, costs, expenses, claims and liability for patent, copyright and trade secret infringement. In addition:

- (a) The Contractor, at its own expense, shall defend any action brought against the CSU to the extent that such action is based upon a claim that the product supplied by the Contractor or the operation of such product infringes a United States patent or copyright or violates a trade secret. The Contractor shall pay those costs and damages finally awarded against the CSU in any such action. Such defense and payment shall be conditioned on the following:
 - (i) That the Contractor shall be notified within a reasonable time in writing by the CSU of any notice of such claim; and,
 - (ii) That the Contractor shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise, provided, however, that when principles of government or public law are involved, the CSU has the option to participate in such action at its own expense
- (b) Should the product, or the operation thereof, become, or in the Contractor's opinion is likely to become, the subject of a claim of infringement of a United States or foreign patent or copyright or a trade secret, the CSU shall permit the Contractor at its option and expense either to procure for the CSU the right to continue using the product, or to replace or modify the same so that they become non-infringing provided such replacement or modified product satisfies the performance requirements specified in the Contract. If none of these options can reasonably be taken, or if the use of such product by the CSU shall be prevented by injunction, the Contractor agrees to take back such product and make every reasonable effort to assist the CSU in procuring a substitute product. If, in the sole opinion of the CSU, the return of such infringing product makes the retention of other products acquired from the Contractor under this contract impractical, the CSU shall then have the option of terminating the contract, or applicable portions thereof, without penalty or termination charge. The Contractor agrees to take back such product and refund any sums the CSU has paid Contractor less any reasonable amount for use or damage.

20. Compliance with NLRB Orders

Contractor declares under penalty of perjury that no more than one final, unappealable finding of contempt of court by a federal court has been issued against the Contractor within the immediately preceding two-year period because of the Contractor's failure to comply with an order of a federal court which orders the Contractor to comply with an order of the National Labor Relations Board. This provision is required by, and shall be construed in accordance with, Public Contract Code Section 10296.

21. Examination and Audit

- (b) The contractor, to the best of its knowledge is fully complying with the earnings assignment orders of all employees and is providing the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.

25. Document Referencing

All correspondence, invoices, bills of lading, shipping memos, packages, etc., must show the Contract number. Invoices not properly identified with the contract number and contractor identification number may be returned to contractor and may cause delay in payment.

26. Covenant Against Gratuities

The Contractor shall warrant that no gratuities (in the form of entertainment, gifts, or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor, to any officer or employee of the CSU with a view toward securing the Contract or securing favorable treatment with respect to any determinations concerning the performance of the Contract. For breach or violation of this warranty, the CSU shall have the right to terminate the Contract, either in whole or in part, and any loss or damage sustained by the CSU in procuring on the open market any items which the Contractor agreed to supply shall be borne and paid for by the Contractor. The rights and remedies of the CSU provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Contract.

27. Rights and Remedies of CSU for Default

- (a) Deleted by mutual consent
- (b) Except for defaults of subcontractors, neither party shall be responsible for delays or failures in performance resulting from acts beyond the control of the offending party. Such acts (known as "force majeure") shall include but shall not be limited to fire, strike, freight embargo or acts of God and of the Government. If a delay or failure in performance by the Contractor arises out of a default of its subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for damages of such delay or failure, unless the supplies or

services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule.

- (c) In the event of the termination of the Contract, either in whole or in part, by reason of the default or breach thereof by the Contractor, the Contractor shall refund to the CSU any unused portion of the subscription.

28. Contractor's Power and Authority

The Contractor warrants that it has full power and authority to grant the rights herein granted and will hold the CSU hereunder harmless from and against any loss, cost, liability, and expense (including reasonable attorney fees) arising out of any breach of this warranty. Further, Contractor avers that it will not enter into any arrangement with any third party which might abridge any rights of the CSU under this Contract.

29. Entire Contract

30. Expatriate Corporations

By accepting a contract or purchase order, the Contractor declares under penalty of perjury under the laws of the State of California that the Contractor is eligible to contract with the CSU pursuant to The California Taxpayer and Shareholder Protection Act of 2003, Public Contract Code Section 10286 et. All financial, statistical, personal, technical and other data and information relating to CSU's operation which are designated confidential by the CSU and not otherwise subject to disclosure under the California Public Records Act, and made available to the Contractor in order to carry out this Contract, or which become available to the Contractor in carrying out this Contract, shall be protected by the Contractor using the same level of care in preventing unauthorized disclosure or use of the confidential information that it takes to protect its own information of a similar nature, but in no event less than reasonable care. The Contractor shall not be required under the provisions of this clause to keep confidential any data or information that is or becomes publicly available, is already rightfully in the Contractor's possession, is independently developed by the Contractor outside the scope of this Contract, or is rightfully obtained from third parties.

C. TERMS AND CONDITIONS OF USE

1. The rights and restrictions governing access to Wiley Online Library and the Electronic Products by the Licensee and its Authorized Users are outlined in the Terms and Conditions of Use below.
 - a. Authorized Users may download, search, retrieve, display and view, copy and save to hard disk or diskette and store or print out single copies of individual articles, chapters or entries in the Licensed Electronic Products for the Authorized User's own personal use, scholarly, educational or scientific research or internal business use. Authorized Users may also transmit such material to a third-party colleague in hard copy or electronically, for personal use or scholarly, educational, or scientific research or professional use but in no case for re-sale, systematic redistribution, or for any other use. In addition, Authorized Users have the right to use, with appropriate credit, figures, tables and brief excerpts from individual articles, chapters or other entries from the Licensed Electronic Products in the Authorized User's own scientific, scholarly and educational works such as books and articles.
 - b. All Authorized Users have the option to create a My Profile Page which will allow them to create data files and links to articles, chapters and entries of interest in the Licensed Electronic Products, and search criteria which may be reused by them. In order to do so, the Authorized User will have to select and register a user name and password which the Authorized User must keep confidential and not disclose to or share with anyone else.
 - c. The Licensee and its Authorized Users may create links to Wiley Online Library from their Online Public Access Catalog (OPAC) records, library catalogs, link resolvers, locally hosted databases or library web pages, provided those links are operated by the Licensee on a Secure Network, do not result in access to licensed content by anyone other than Authorized Users and are not used in connection with any paid or commercial service or for any other commercial use whatsoever.
 - d. Authorized Users who are members of the Licensee's faculty or staff may download and print out multiple copies of material from Licensed Electronic Products for the purpose of making a multi-source collection of information for classroom use (course-pack) or a virtual learning environment, to be distributed to students at the Licensee's institution free of charge or at a cost-based fee. Material from Licensed Electronic Products may also be stored in electronic format in secure electronic data files for access by Authorized Users who are students at the Licensee's institution, as part of their course work, so long as reasonable access control methods are employed such as user name and password.
 - e. The Licensee's library staff may supply to another library, upon request by that library, either a single paper copy (by post or fax) or an electronic copy of an individual document from the Licensed Electronic Products, for the purpose of research or private study. The electronic copy must be supplied by secure electronic transmission (like Ariel) and must be deleted by the recipient library immediately after printing a paper copy of the document for its user.

2. Except as provided in Paragraph C.1 above, Authorized Users may not copy, distribute, transmit or otherwise reproduce, sell, or resell material from the Electronic Products; store such material in any form or medium in a retrieval system; or transmit such material, directly or indirectly, for use in any paid service such as document delivery or list serve, or for use by any information brokerage or for systematic distribution, whether or not for commercial or non-profit use, or for a fee or free of charge.
4. The Licensee and its Authorized Users may not remove, obscure or modify any copyright or proprietary notices, author attribution or any disclaimer as they appear on Wiley Online Library. Authorized Users may not integrate material from the Electronic Products with other material or otherwise create derivative works in any medium. However, brief quotations for purposes of comment, criticism or similar scholarly purposes are not prohibited herein.
4. Authorized Users may not do anything to restrict or inhibit any other Authorized User's access to or use of Wiley Online Library and the Licensed Electronic Products.
5. If an Authorized User fails to abide by these Terms and Conditions of Use or other terms of this License, Wiley reserves the right in its sole discretion to suspend or terminate such Authorized User's access to Wiley Online Library and the Licensed Electronic Products immediately without notice, in addition to any other available remedies. Except in the case of a material breach which Wiley deems dangerous to the integrity and security of Wiley Online Library, or for a breach which, if not immediately remedied, is likely in Wiley's opinion to continue to cause damage, Wiley shall give prior written notice to the Licensee of its intention to terminate such Authorized User's access and shall allow the Licensee and/or the Authorized User 30 days after receipt of such notice to cure the breach or agree to abide by the terms and conditions of this License.

D. FEES AND CHARGES

1. License Fees and other charges for online access to the Licensed Electronic Products by the Licensee and its Authorized Users, and other services provided by Wiley Online Library, are specified in Appendices attached hereto, and shall be due as set forth in the relevant invoice.
2. The Licensee is responsible for any charges associated with accessing Wiley Online Library and the Licensed Electronic Products, including, but not limited to, any computer equipment, telephone or Internet connections and access software.
3. The Licensee is responsible for ensuring that any third party authorized by the Licensee to make payments on its behalf shall promptly pay Wiley the full amounts due under this License. The Consortium is responsible for ensuring compliance by the Member Institutions.

E. MUTUAL OBLIGATIONS

1. Wiley will:

- a. make reasonable efforts to ensure uninterrupted online access to and continuous availability of the Licensed Electronic Products to Authorized Users in accordance with this License, and to restore access to such Licensed Electronic Products as promptly as possible in the event of an interruption or suspension of the Wiley Online Library service which is not attributable to any third-party service provider over which Wiley has no control (e.g., an Internet or telecommunications service provider);
- b. provide aggregate usage statistics to the Licensee which are compliant with COUNTER Codes of Practice or conform to the then-prevailing industry standard (except as otherwise specified in the attached Appendices) about the use of the Licensed Electronic Products by the Licensee's Authorized Users, consistent with applicable privacy laws and confidentiality requirements.

2. The Licensee will:

- a. take all reasonable measures to inform Authorized Users of the Terms and Conditions of Use governing access to Wiley Online Library and to emphasize to such Authorized Users the need to comply with whatever restrictions on access, use, reproduction and transmission are included therein;
- b. make access available to Authorized Users only through the Licensee's Secure Network and from valid IP addresses or other secure authentication methods as described in the appropriate Appendix; undertake reasonable measures within its control to prevent access to and improper use of the Licensed Electronic Products and Wiley Online Library by unauthorized persons; and take responsibility for terminating any unauthorized access of which it has actual notice or knowledge;
- c. provide Wiley with information about the Licensee's IP addresses which can be used by Wiley to authenticate Authorized Users. The Licensee represents that all such IP addresses shall be limited to the Licensee's Secure Network, and shall be listed in Appendix A as updated from time to time. The Licensee shall be responsible for ensuring that all IP addresses on Appendix A or otherwise provided to Wiley correspond with the Licensee's IP addresses and are limited to the physical addresses specified in this Agreement. Without limiting the Licensee's obligations hereunder or Wiley's rights and remedies in the event of breach, the Licensee agrees to pay Wiley, if Wiley so elects, for any access to Wiley Online Library for IP addresses that do not meet the preceding criteria.
- d. use all reasonable efforts to monitor compliance with the Terms of Use and promptly notify Wiley of any copyright infringement or unauthorized usage of the Electronic Products which comes to the Licensee's attention; and cooperate fully with Wiley in the investigation of such infringement or unauthorized use and in any action which Wiley takes to enforce its copyright and other Intellectual Property Rights, at Wiley's expense. Notwithstanding the above, the Licensee shall not be responsible for such unauthorized use which is without the

express or implied consent of the Licensee, provided that the Licensee has taken reasonable steps to prevent such misuse and, upon learning of it, uses all reasonable efforts to ensure that such activity ceases, and notifies Wiley promptly of any such breach or infringement.

- e. neither the Licensee nor any Authorized User shall have the right to incorporate any material from the Licensed Electronic Products into any institutional or other repository. Author agreements are separately negotiated with Wiley and include provisions about what authors may and may not do with respect to materials authored by them and published by Wiley.

F. PRIVACY AND DATA PROTECTION POLICY

Wiley recognizes the importance of protecting the information it collects in the operation of Wiley Online Library and will act in compliance with the Privacy Policy posted at <http://www.wiley.com/WileyCDA/Section/id-301465.html>.

G. TERM AND TERMINATION

1. The Term of this License shall commence on January 1, 2013 and end on December 31, 2013.
2. Wiley shall have the right to request the Licensee to terminate access to Wiley Online Library by an Authorized User who breaches Wiley's Terms and Conditions of Use or infringes the copyright or other Intellectual Property Rights in the Electronic Products or Wiley Online Library.
3. Either party may terminate this License if the other party materially breaches its obligations under this License and fails to cure such material breach, provided that the non-breaching party shall give written notice of its intention to terminate and shall allow the breaching party 60 days after receipt of such notice to remedy the breach.
4. Notwithstanding subparagraph G.3 above, either party's failure to perform any term or condition of this Agreement as a result of conditions beyond its control such as, but not limited to, war, strikes, fires, floods, governmental restrictions, acts of terrorism, public health emergencies, power failures, or damage to or destruction of any network facilities or servers, shall not be deemed a breach of this Agreement.

H. WARRANTY AND DISCLAIMERS BY WILEY

1. Wiley represents and warrants that it has the right and authority to make Wiley Online Library available to the Licensee and its Authorized Users pursuant to the terms and conditions of this License and that, to the best of Wiley's knowledge, Wiley Online Library and the Electronic Products do not infringe upon any copyright, patent, trade secret or other proprietary right of any third party.
2. Wiley Online Library may provide Authorized Users with links to third-party websites. Where such links exist, Wiley disclaims all responsibility and liability for the content of such third-party websites. Authorized Users assume sole responsibility for the accessing of third-party websites and the use of any content on such websites.

3. Except for the warranties provided by Wiley in paragraph H.1 above,
 - a. WILEY ONLINE LIBRARY AND THE ELECTRONIC PRODUCTS AND ALL MATERIALS CONTAINED THEREIN ARE PROVIDED ON AN "AS IS" BASIS, WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF TITLE, OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE;
 - b. THE USE OF THE ELECTRONIC PRODUCTS, WILEY ONLINE LIBRARY AND ALL MATERIALS IS AT THE AUTHORIZED USER'S OWN RISK;
 - c. ACCESS TO WILEY ONLINE LIBRARY AND THE ELECTRONIC PRODUCTS MAY BE INTERRUPTED AND MAY NOT BE ERROR FREE; AND
 - d. NEITHER WILEY NOR ANYONE ELSE INVOLVED IN CREATING, PRODUCING OR DELIVERING WILEY ONLINE LIBRARY, THE ELECTRONIC PRODUCTS, OR THE MATERIALS CONTAINED IN WILEY ONLINE LIBRARY, SHALL BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES ARISING OUT OF THE AUTHORIZED USER'S USE OF OR INABILITY TO USE WILEY ONLINE LIBRARY, THE ELECTRONIC PRODUCTS AND ALL MATERIALS CONTAINED THEREIN.
4. Wiley shall indemnify and hold the Licensee harmless from and against any damages, costs and fees (including reasonable attorney's fees) resulting from any judgment against the Licensee arising out of the claim of a third party that Wiley's license of the Licensed Electronic Products or the Licensee's use thereof constitutes an infringement of any copyright, patent, trade secret or other proprietary right of any such third party. This indemnity shall survive termination of the Agreement for two (2) years. This indemnity shall not apply if the claim involves content which has been modified or used in a manner not permitted under this Agreement or if the Licensee has failed to comply with other material terms of this Agreement.

The Licensee shall give prompt notice of an infringement claim to Wiley, shall provide such cooperation and assistance to Wiley as is reasonably necessary to defend the claim, and shall allow Wiley to have the sole control of the defense, provided, however, that the Licensee retains the right to participate in the defense at its own expense.

I. GENERAL PROVISIONS

APPENDIX B (a) – LICENSED ELECTRONIC JOURNALS – LICENSEE’S CORE COLLECTIONS OF SUBSCRIBED TITLES

Licensee: The California State University

The Licensee’s Core Collection (Core Collection) is defined herein as the complete collection of Wiley journals to which the Licensee subscribes and will pay the subscription fees specified herein to obtain online access.

Archival Access: During the term of this License, Wiley will provide the Licensee with access to current electronic files of the journals in the Core Collection and retrospective content, generally back to 1997, depending on the start date of online publishing by Wiley, as well as tables of content, abstracts, full text and illustrations and any additional electronic journal content not included in the print versions of the journals, but not materials included in Backfiles.

Perpetual Access: Upon termination of this License, Wiley will provide the Licensee with perpetual access to current electronic files of the journals in the Core Collection and retrospective content, generally back to 1997, depending on the start date of online publishing by Wiley, as well as tables of content, abstracts, full text and illustrations and any additional electronic journal content not included in the print versions of the journals, but not materials included in Backfiles where Wiley has the rights to deliver this. Wiley, in its discretion, will either continue online access to the same material on Wiley’s server or provide an archival copy in the electronic medium selected by Wiley, at a reasonable cost-based fee.

By providing such access Wiley grants to the Licensee a nonexclusive, royalty-free, license to use such material in accordance with the restrictions on use specified in Paragraph C of the Agreement, which restrictions shall survive any termination of the Agreement.

Pricing:

(a) Year 1

- Core Collection Fee = 100% of current holdings value based on the current year full rate institutional online only price. Holdings are determined based on all full rate institutional subscriptions held by the Licensee in the year prior to the first year of the License.
 - Total Core Collection Fee = \$ 1,566,607.24

Electronic Journal Subscription Maintenance and Swapping: The Licensee may swap subscribed online journals in the Core Collection without penalty provided that such changes do not exceed 5% of the value of the total Core Collection for any calendar year. These changes will be reflected in amendments to this Appendix. Swapping will be accepted at the title level or for duplicate subscriptions. Swapping will only be accepted on a calendar year basis and Wiley must be notified of any changes in writing no later than the preceding November 1st.

Wiley may, from time to time, cease publication of individual journals in which case the journal(s) will be removed from the Licensee’s Core Collection, and the fees associated with the journal(s) will no longer be factored into the Core Collection Fee.

Except as provided above, the Licensee must maintain all online subscriptions in the Core Collection as set forth in the attached list (Appendix B(a)1).

New Titles: An amendment to this Agreement is required for the addition of new titles, subject to the following. New Titles can be added under the following terms and conditions:

- (a) Licensee may add new journals to the Core Collection at any time during the term of this Agreement at the online only list price times a minimum multiplier of 4.
- (b) Subscriptions to titles transferred into Wiley from another publisher will be added to the Licensee's Core Collection in the first year of transfer if the Licensee has one or more subscriptions for the calendar (or subscription) year in which the title is transferred. Individually negotiated pricing for access to transferred titles will also be maintained by Wiley, subject to the other terms of this Agreement. The title will be added to the Licensee's Core Collection at the current year institutional online only price multiplied by the number of subscriptions held in the previous year. Subscriptions to titles transferred out of Wiley will be deleted from the Licensee's Core Collection in the year of transfer.
- (c) Licensee may add previously canceled titles at the current full rate institutional online only subscription price to the Core Collection.
- (d) Wiley reserves the right to exclude titles from inclusion in the Standard Collections, however these titles may be added to the Licensee's Core Collection. A list of titles excluded from the Standard Collections is updated each year and is available upon request.

Print Subscription Pricing:

The Licensee shall have the option to purchase print subscriptions to Licensed Electronic Journals which the Licensee subscribes to via a Core Collection at a deeply discounted rate. This does not apply to:

- (a) Titles new to Wiley Online Library unless subscribed to in the Licensee's Core or Standard Collection.
- (b) Titles not subscribed to by the Licensee, unless added to the Licensee's Core or Standard Collection.
- (c) Titles not available via Wiley Online Library.
- (d) Titles published in online-only format by Wiley. Print subscriptions available through any Print on Demand option are not eligible for a deeply discounted rate.

American Geophysical Union titles now published by Wiley are available at the following deeply discount rate which differs from other Wiley journals: 75% of list price.

Print subscriptions, other than subscriptions for titles available from Wiley in online-only format, may be ordered directly via the Wiley Customer Services department, or through an agent.

APPENDIX B (b) – ACCESS TO UNSUBSCRIBED JOURNALS VIA STANDARD COLLECTIONS

Licensee: The California State University

Standard Collections are defined herein as predetermined collections of the online editions of Wiley journals. The available Standard Collections are:

- Full Collection
- Scientific, Technical and Medical Collection
- Medical and Nursing Collection
- Social Sciences and Humanities Collection

In addition to the Core Collection, the Licensee will also have access to select unsubscribed journals from Wiley's Standard Collections. Appendix B(b)1 CSU's 2012 Full Collection, lists all journals (both Core Collection journals and the selected unsubscribed journals from the Standard Collections) that the Licensee will have access to as provided by the terms of this Agreement. Unsubscribed Wiley journals from Wiley's Standard Collections not listed in Appendix B(b)1 are excluded from this Agreement.

Archival Access: During the term of this License, Wiley will provide the Licensee with access to current electronic files of the unsubscribed journals in the Standard Collection and retrospective content, generally back to 1997, depending on the start date of online publishing by Wiley, as well as tables of content, abstracts, full text and illustrations and any additional electronic journal content not included in the print versions of the journals, but not materials included in Backfiles.

Perpetual Access: Upon termination of this License, Wiley will provide the Licensee with perpetual access to the unsubscribed titles in the Standard Collection for the years that the Licensee has paid for access to the unsubscribed titles in the Standard Collection where Wiley has the rights to deliver this. Wiley, in its discretion, will either continue online access to the same material on Wiley's server or provide an archival copy in the electronic medium selected by Wiley, at a reasonable cost-based fee.

By providing such access Wiley grants to the Licensee a nonexclusive, royalty-free, license to use such material in accordance with the restrictions on use specified in Paragraph C of the Agreement, which restrictions shall survive any termination of the Agreement.

Pricing:

(a) Year 1

- Standard Collection pricing will be calculated as a percentage of the current full rate institutional online only subscription price of the unsubscribed titles in the Collection. The percentage is set based on the Licensee's number of FTEs, and the value of the Licensee's Core Collection. For this purpose FTEs are defined as full-time equivalent students and academic faculty.

- Licensee's FTE count (from: <http://www.calstate.edu/as/cyr/cyr10-11/table03.shtml>)
