

WILEY ONLINE ENHANCED LICENSE FOR CONSORTIUM CUSTOMERS

This License (the "License" and/or "Agreement") sets forth the terms and conditions under which Wiley Subscription Services, Inc. ("Wiley"), a Delaware corporation, will provide GWLA: The Greater Western Library Alliance (the "Licensee" or the "Consortium"), with access to the Electronic Products and Services subscribed to by the Licensee via Wiley Online Library.

A. **DEFINITIONS**

The following terms shall be deemed to have the meaning as set forth below:

1. **Wiley Online Library** - The online service (or any successor thereto) available from Wiley or its affiliates on the Worldwide Web including all products, services and features offered via the service. Certain products and services under this License may be delivered from other platforms as noted in the Appendices. The terms and conditions hereof are equally applicable to those products and services.
2. **Licensee** - The Consortium named above, which has been authorized to sign this License by agreement with and on behalf of its member institutions ("Member Institutions") listed in Appendix A, who have agreed to participate in this License as part of the Consortium. Each such participating Member Institution shall provide access to Wiley Online Library via its Secure Network for its Authorized Users as defined in this Agreement, and is responsible for the payments specified in the attached Appendices and for the implementation of the License. "Secure Network" as used herein means the network which provides access to Wiley Online Library for Authorized Users via the Member Institution's Internet Protocol (IP) addresses.

The term "Licensee" shall be deemed to include each such participating Member Institution in the singular and all such participating Member Institutions and their affiliated campuses, as well as the Consortium signing on their collective behalf. For the avoidance of doubt, when Member Institutions and their affiliated campuses of the Consortium agree in writing to the terms of their participation in this License by executing the Sign-Up Letter in the form attached hereto as Appendix L, they are deemed to be participating parties to this Agreement. Also, Wiley agrees that, as between it and a Member Institution, the Member Institution-specific language that appears in Appendix L is part of the Agreement.

Appendix A will include information on IP addresses for the Secure Network which are covered by this License and contacts for each such Member Institution and their affiliated campuses. Each Appendix for a Licensed Electronic Product will specify financial terms for each Member Institution and their affiliated campuses.

3. **Authorized Users** - Those persons who are authorized by the Licensee to have access to Wiley Online Library. Authorized Users must be current faculty members (whether on a permanent, temporary, contract or visiting basis), fulltime and part-time students, including registered long distance learners, researchers, staff members, librarians, executives or employees of the Licensee, or contractors engaged by the Licensee, provided such contractors have been informed of, and agree to abide by, the Terms and Conditions of Use set forth herein and they access Wiley Online Library via the Licensee's Secure Network regardless of their physical location. Walk-in Users from the general public or business invitees may also be permitted by the Licensee to access Wiley Online Library from designated terminals with a Licensee-controlled IP address.

These designated terminals shall be physically located in libraries or similar physical premises directly controlled by the Licensee.

4. **Intellectual Property Rights** - These rights include, without limitation, patents, trademarks, trade names, design rights, copyright (including rights in computer software), database rights, rights in know-how and other intellectual property rights, in each case whether registered or unregistered, which may subsist anywhere in the world.
5. **Electronic Products** - All products, services and content available in Wiley Online Library shall be deemed included within the definition of Electronic Products.  2. *Saved Title Alerts* – allows Authorized Users to request and receive via e-mail the tables of contents from any of the journals available online in Wiley Online Library and to receive notification of articles newly published which match specified search criteria.

B. ACCESS PRIVILEGES

1. Wiley grants to the Licensee and its Authorized Users, during the Term as defined below, a worldwide non-exclusive, non-transferable right and license to access, via Wiley Online Library, the full text and other material such as datasets published online in Wiley Online Library for the Licensed Electronic Products as listed in the Appendices attached hereto as may be amended from time to time.
2. In addition, Authorized Users will have access to all available tables of contents, article abstracts, chapter summaries and associated websites for all Electronic Products on Wiley Online Library.
3. The number of the Authorized Users who may simultaneously access Wiley Online Library is unlimited.
4. The Licensee acknowledges that the Electronic Products and Wiley Online Library and the Intellectual Property Rights contained therein are protected by law. All rights not specifically licensed herein to the Licensee are expressly reserved by Wiley.

C. TERMS AND CONDITIONS OF USE

1. The rights and restrictions governing access to Wiley Online Library and the Electronic Products by the Licensee and its Authorized Users are outlined in the Terms and Conditions of Use below.
 - a. Authorized Users may download, search, retrieve, display and view, copy and save to hard disk or diskette, flash or thumb drive or by caching (or mirrored storage) and store or print out single copies of portions of journal issues, books or other content in the Licensed Electronic Products for the Authorized User's own personal use, scholarly, educational or scientific research or internal business use. Authorized Users may also transmit such material to a third-party colleague in hard copy or electronically, for personal use or scholarly, educational, or scientific research or professional use but in no case for re-sale, systematic redistribution, or for any other use. In addition, Authorized Users have the right to use, with appropriate credit, figures, tables and brief excerpts from individual articles, chapters or other entries from the Licensed Electronic Products in the Authorized User's own scientific, scholarly and educational works such as books and articles.
 - b. All Authorized Users have the option to create a My Profile Page which will allow them to create data files and links to articles, chapters and entries of interest in the Licensed Electronic Products, and search criteria which may be reused by them. In order to do so, the Authorized User will have to select and register a user name and password which the Authorized User must keep confidential and not disclose to or share with anyone else.
 - c. The Licensee and its Authorized Users may create links to Wiley Online Library from their Online Public Access Catalog (OPAC) records, own records, library catalogs, link resolvers, and the Licensee's or its Member Institutions' own indices, locally hosted databases or library web pages, provided those links are operated by the Licensee on a Secure Network, do not result in access to licensed

content by anyone other than Authorized Users and are not used in connection with any paid or commercial service or for any other commercial use whatsoever. Wiley Online Library supports OpenURL version 1.0.

- d. Authorized Users who are members of the Licensee's faculty or staff may incorporate any part of the Licensed Electronic Products in course packs, electronic reserve collections and in campus systems for classroom management to be distributed to students at the Licensee's institution free of charge or at a cost-based fee without the prior written permission of Wiley as long as i) access is restricted to Authorized Users and ii) best efforts will be made to by the Licensee to ensure that copies created for the purpose of course packs or electronic reserves or for classroom management systems, either in print or electronic format, are to be removed and deleted when the relevant course ends. Any other use of the Licensed Electronic Products included in course packs or electronic reserves shall require prior written permission from Wiley, which may set out further terms and conditions for such use. Material from Licensed Electronic Products may also be stored in electronic format in secure electronic data files for access by Authorized Users who are students at the Licensee's institution, as part of their course work, so long as reasonable access control methods are employed such as user name and password.
- e. The Licensee's library staff may supply to an authorized user of another library a single copy or a PDF copy of an electronic original of an individual document from the License Electronic Products utilizing the prevailing technology of the day for the purposes of research or personal study, if the digital copy is immediately deleted after one use. The Consortium and the Member Institutions agree to fulfill interlibrary loan requests in compliance with Section §108 of the United States Copyright Act (17 USC §108). This right shall apply to traditional ILL functions and shall not apply to the extent it is used with centralized ordering facilities, such as document delivery services or for any other commercial or systematic distribution.
- f. Nothing in this License shall in any way exclude, modify or affect any of the Consortium's or any Member Institution's rights under The Copyright Act of 1976, as amended.
- g. The Licensee is permitted to host self-archived articles authored by its Authorized Users in the Licensee's institutional repository, subject to the following provisions. Authorized Users who are authors or co-authors of articles in journals published by Wiley during the Term may deposit the peer reviewed and accepted version of their articles in the Licensee's institutional repository for public access twelve (12) months after the beginning of the month of first publication, whether as an EarlyView article or in an online issue of a journal published by Wiley. The self-archiving right shall commence on January 1, 2014 and shall apply to articles published from October 1, 2012 and throughout the term and any renewals, subject to the twelve month embargo period. The deposited version must link to the final article on Wiley Online Library, must indicate that the deposited version is the peer reviewed version, and must include a citation to the final published version – for example, by including the following notice: „This is the peer reviewed version of the following article:

FULL CITE, which has been published in final form at [link to final article]". The Licensee may not redistribute such self-archived articles except as permitted in this paragraph, whether for commercial or non-commercial purposes. This provision does not give Licensee or any Authorized User the right to incorporate into any institutional or other repository Wiley's final published version from the Licensed Electronic Products (as distinct from the version of the article accepted for publication including the revisions from the peer review process). For clarity, nothing in this paragraph shall eliminate or limit any other rights that Licensee or any Authorized User may have to deposit, host or make available articles published in Wiley journals.

2. Except as provided in Paragraph C.1 above, Authorized Users may not copy, distribute, transmit or otherwise reproduce, sell, or resell material from the Electronic Products; store such material in any form or medium in a retrieval system; or transmit such material, directly or indirectly, for use in any paid service such as document delivery or list serve, or for use by any information brokerage or for systematic distribution, whether or not for commercial or non-profit use, or for a fee or free of charge.
3. The Licensee and its Authorized Users may not remove, obscure or modify any copyright or proprietary notices, author attribution or any disclaimer as they appear on Wiley Online Library. Authorized Users may not integrate material from the Electronic Products with other material or otherwise create derivative works in any medium. However, brief quotations for purposes of comment, criticism or similar scholarly purposes are not prohibited herein.
4. Authorized Users may not do anything to restrict or inhibit any other Authorized User's access to or use of Wiley Online Library and the Licensed Electronic Products.
5. If an Authorized User fails to abide by these Terms and Conditions of Use or other terms of this License, Wiley reserves the right in its sole discretion to suspend or terminate such Authorized User's access to Wiley Online Library and the Licensed Electronic Products immediately without notice, in addition to any other available remedies. Except in the case of a material breach which Wiley deems dangerous to the integrity and security of Wiley Online Library, or for a breach which, if not immediately remedied, is likely in Wiley's opinion to continue to cause damage, Wiley shall give prior written notice whether by email or U.S. post mail to the Licensee of its intention to terminate such Authorized User's access and shall allow the Licensee and/or the Authorized User 30 business days after receipt of such notice to cure the breach or agree to abide by the terms and conditions of this License.

D. FEES AND CHARGES

1. License Fees and other charges for online access to the Licensed Electronic Products by the Licensee and its Authorized Users, and other services provided by Wiley Online Library, are specified in Appendices attached hereto, and shall be due within thirty (30) days after receipt of invoice and after the Agreement has been signed and executed by both parties.
2. The Licensee is responsible for any charges associated with accessing Wiley Online Library and the Licensed Electronic Products, including, but not limited to, any computer equipment, telephone or Internet connections and access software.

3. The Licensee is responsible for ensuring that any third party authorized by the Licensee to make payments on its behalf shall promptly pay Wiley the full amounts due under this License.
4. Wiley shall use best efforts to annually send the Licensee and its Member Institutions an Invoice Agreement Letter no later than October 31st of the year prior to each renewal. Should Wiley be unable to provide an Invoice Agreement Letter by October 31st, Wiley agrees to cooperate with the Licensee to meet a mutually agreeable revised timeframe.. Upon the Licensee's authorized signatory's signature on the Invoice Agreement Letter and payment of fees set forth therein, this License shall apply, or shall renew for the period set forth in the Invoice Agreement Letter. Except as specifically set forth in the Invoice Agreement Letter, the terms and conditions of this Agreement (including updated Appendices) shall continue to apply.

E. **MUTUAL OBLIGATIONS**

1. Wiley will:
 - a. make reasonable efforts to ensure uninterrupted online access to and continuous availability of the Licensed Electronic Products to Authorized Users in accordance with this License, and to restore access to such Licensed Electronic Products as promptly as possible in the event of an interruption or suspension of the Wiley Online Library service which is not attributable to any third-party service provider over which Wiley has no control (e.g., an Internet or telecommunications service provider);
 - b. provide aggregate usage statistics to the Licensee which are compliant with COUNTER Codes of Practice or conform to the then-prevailing industry standard (except as otherwise specified in the attached Appendices) about the use of the Licensed Electronic Products by the Licensee's Authorized Users, consistent with applicable privacy laws and confidentiality requirements. Except for disclosure to the Licensee pursuant to this paragraph E(1)(b), Wiley agrees to keep such statistics confidential (i.e., disclosure limited only to Wiley's employees with a need to know), during the term of the Agreement and forever thereafter, unless the Licensee gives its advance written authorization for disclosure. Wiley shall not use such statistics for any commercial purpose or financial gain other than to provide services to the Licensee.
 - c. perform scheduled down-time at a time to minimize inconvenience to the Licensee and its Authorized Users, and notify Licensee in a timely manner of all instances of system unavailability that occur outside of Wiley's normal maintenance window and use reasonable effort to provide advance notice of hardware or software changes that may affect system performance.
 - d. support assistive software or devices and interfaces and design to aid persons with various sight or hearing impairments in compliance with the Americans with Disabilities Act (ADA) and other requirements. Wiley Online Library endeavors to conform to level Double-A of the World Wide Web Consortium (W3C) Web Content Accessibility Guidelines 2.0 and to section 508 of the US Rehabilitation Act. Wiley endeavors to provide Licensed Electronic Products

that are accessible to Authorized Users with disabilities in compliance with Section 504 of the Rehabilitation Act and Americans with Disabilities Act, and incorporate web content accessibility guidelines including, but not limited to, Section 508 of the Rehabilitation Act and the World Wide Web Consortium standards. The Licensee may reproduce material from Licensed Electronic Products in non-electronic perceptible forms, such as audio or Braille, to accommodate Authorized Users with disabilities.

2. The Licensee will:
 - a. take all reasonable measures to inform Authorized Users of the Terms and Conditions of Use governing access to Wiley Online Library and to emphasize to such Authorized Users the need to comply with whatever restrictions on access, use, reproduction and transmission are included therein;
 - b. make access available to Authorized Users only through the Licensee's Secure Network and from valid IP addresses or other secure authentication methods as described in the appropriate Appendix; undertake reasonable measures within its control to prevent access to and improper use of the Licensed Electronic Products and Wiley Online Library by unauthorized persons; and take responsibility for terminating any unauthorized access of which it has actual notice or knowledge;
 - c. provide Wiley with information about the Licensee's IP addresses which can be used by Wiley to authenticate Authorized Users. The Licensee represents that all such IP addresses shall be limited to the Licensee's Secure Network, and shall be listed in Appendix A as updated from time to time. The Licensee shall be responsible for ensuring that all IP addresses on Appendix A or otherwise provided to Wiley correspond with the Licensee's IP addresses and are limited to the physical addresses specified in this Agreement. Without limiting the Licensee's obligations hereunder or Wiley's rights and remedies in the event of breach, the Licensee agrees to pay Wiley, if Wiley so elects, for any access to Wiley Online Library for IP addresses that do not meet the preceding criteria.
 - d. use all reasonable efforts to monitor compliance with the Terms of Use and promptly notify Wiley of any copyright infringement or unauthorized usage of the Electronic Products which comes to the Licensee's attention; and cooperate fully with Wiley in the investigation of such infringement or unauthorized use and in any action which Wiley takes to enforce its copyright and other Intellectual Property Rights, at Wiley's expense. Notwithstanding the above, the Licensee shall not be responsible for such unauthorized use which is without the express or implied consent of the Licensee, provided that the Licensee has taken reasonable steps to prevent such misuse and, upon learning of it, uses all reasonable efforts to ensure that such activity ceases, and notifies Wiley promptly of any such breach or infringement.

F. PRIVACY AND DATA PROTECTION POLICY

Wiley recognizes the importance of protecting the information it collects in the operation of Wiley Online Library and will act in compliance with the Privacy Policy posted at <http://onlinelibrary.wiley.com/privacyPolicy>.

G. **TERM AND TERMINATION**

1. The Term of this License shall commence on January 1, 2014 and end on December 31, 2015.
2. Wiley shall have the right to request the Licensee to terminate access to Wiley Online Library by an Authorized User who breaches Wiley's Terms and Conditions of Use or infringes the copyright or other Intellectual Property Rights in the Electronic Products or Wiley Online Library.
3. Either party may terminate this License if the other party materially breaches its obligations under this License and fails to cure such material breach, provided that the non-breaching party shall give written notice of its intention to terminate and shall allow the breaching party 30 business days after receipt of such notice to remedy the breach.
4. Either party may terminate this License upon written notice if the other party becomes the subject of a voluntary petition in bankruptcy or any similar proceeding relating to insolvency, receivership or reorganization and if such petition or proceeding is not dismissed within sixty (60) days of filing. If such proceeding is involuntary and is contested in good faith, this Agreement shall terminate only after the passage of one hundred twenty (120) days without the dismissal of such proceeding.
5. The Member Institution and its affiliated campuses may terminate this Agreement if sufficient funds are not provided or allotted in future government-approved budgets of the Member Institution and its affiliated campuses (or reasonably available or expected to become available from other sources at the time the Member Institution and its affiliated campuses payment obligation attaches) to permit the Member Institution and its affiliated campuses, in the exercise of its reasonable administrative discretion, to continue this Agreement. Member Institution and its affiliated campuses may elect to renegotiate the Agreement if appropriate or terminate the Agreement on a calendar year basis effective January 1 of the year following notification without further duty or obligation. Member Institution and its affiliated campuses agrees to notify the GWLA Consortium and Wiley as soon as reasonably possible after the unavailability of said funds comes to the Member Institution and its affiliated campuses' attention, but no later than November 1 of the year preceding cancellation. If a Member Institution and its affiliated campuses executes this option, no refund of payment already received by Wiley will be owed.
6. Notwithstanding subparagraph G.3 above, either party's failure to perform any term or condition of this Agreement as a result of conditions beyond its control such as, but not limited to, war, strikes, fires, floods, tsunamis, governmental restrictions, acts of terrorism, public health emergencies including pandemics, power failures, or damage to or destruction of any network facilities or servers, shall not be deemed a breach of this Agreement.

H. **WARRANTY AND DISCLAIMERS BY WILEY**

1. Wiley warrants to the Licensee that the Licensed Electronic Products used as contemplated by this Agreement do not infringe the copyright or any other proprietary or intellectual property rights of any person. In no case shall Wiley's liability exceed the fee paid by the Licensee to Wiley under this Agreement in respect of the term, during which such claim, loss or damage occurred. The foregoing limitation of liability and exclusion of certain damages shall apply regardless of the success or effectiveness of other remedies.
2. Wiley Online Library may provide Authorized Users with links to third-party websites. Where such links exist, Wiley disclaims all responsibility and liability for the content of such third-party websites. Authorized Users assume sole responsibility for the accessing of third-party websites and the use of any content on such websites.
3. Except for the warranties provided by Wiley in paragraph H.1 above,
 - a. THE LICENSED ELECTRONIC PRODUCTS ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF PERFORMANCE, OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR WARRANTIES AS TO THE ACCURACY OF OR COMPLETENESS OF THE LICENSED MATERIALS;
 - b. THE USE OF THE ELECTRONIC PRODUCTS, WILEY ONLINE LIBRARY AND ALL MATERIALS IS AT THE AUTHORIZED USER'S OWN RISK;
 - c. ACCESS TO WILEY ONLINE LIBRARY AND THE ELECTRONIC PRODUCTS MAY BE INTERRUPTED AND MAY NOT BE ERROR FREE; AND
 - d. NEITHER WILEY NOR ANYONE ELSE INVOLVED IN CREATING, PRODUCING OR DELIVERING WILEY ONLINE LIBRARY, THE ELECTRONIC PRODUCTS, OR THE MATERIALS CONTAINED IN WILEY ONLINE LIBRARY, SHALL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES ARISING OUT OF THE AUTHORIZED USER'S USE OF OR INABILITY TO USE WILEY ONLINE LIBRARY, THE ELECTRONIC PRODUCTS AND ALL MATERIALS CONTAINED THEREIN.
4. Wiley shall indemnify and hold the Licensee harmless from and against any damages, costs and fees (including reasonable attorney's fees) resulting from any judgment against the Licensee arising out of the claim of a third party that Wiley's license of the Licensed Electronic Products or the Licensee's use thereof constitutes an infringement of any copyright, patent, trade secret or other proprietary right of any such third party. This indemnity shall survive termination of the Agreement for two (2) years. This indemnity shall not apply if the claim involves content which has been modified or used in a manner not permitted under this Agreement or if the Licensee has failed to comply with other material terms of this Agreement.

The Licensee shall give prompt notice of an infringement claim to Wiley, shall provide such cooperation and assistance to Wiley as is reasonably necessary to defend the claim, and shall allow Wiley to have the sole control of the defense,

Agreement. No modification, amendment, or waiver of any provisions shall be valid unless in writing and signed by both parties legal signatory. Any waiver in one or more instances by either of the parties of any breach by the other of any terms or provisions contained in this Agreement shall not be considered a waiver of any succeeding or preceding breach. In the event that any clause of this Agreement is determined to be void or unenforceable, the remainder of the Agreement shall survive.

5. All Appendices attached or to be attached to this Agreement are incorporated herein and shall be governed by the terms and conditions of this Agreement unless otherwise specified in such Appendix. In the event of any conflict between the terms of an Appendix or any Invoice Agreement Letter as defined in Paragraph D.4. above and the terms of this Agreement, the terms of the Appendix or Invoice Agreement Letter shall govern.

APPENDIX B (a) – LICENSED ELECTRONIC JOURNALS - CORE COLLECTIONS OF SUBSCRIBED TITLES

[Licensee: GWLA: The Greater Western Library Alliance]

The Core Collection is defined herein as the complete collection of Wiley journals to which the Licensee subscribes and will pay full rate institutional online only subscription fees to obtain online access.

Archival Access: During the term of this License, Wiley will provide the Licensee with access to current electronic files of the journals in the Core Collection and retrospective content, generally back to 1997, depending on the start date of online publishing by Wiley, as well as tables of content, abstracts, full text and illustrations and any additional electronic journal content not included in the print versions of the journals, but not materials included in Backfiles.

Perpetual Access: Upon termination of this License, Wiley will provide the Licensee with perpetual access to current electronic files of the journals in the Core Collection and retrospective content, generally back to 1997, depending on the start date of online publishing by Wiley, as well as tables of content, abstracts, full text and illustrations and any additional electronic journal content not included in the print versions of the journals, but not materials included in Backfiles where Wiley has the rights to deliver this. Wiley, in its discretion, will either continue online access to the same material on Wiley's server or provide an archival copy in the electronic medium agreed to by both Wiley and the Licensee, at a reasonable cost-based (primarily production and media costs incurred by Wiley) fee agreed to by both parties. In the alternative, after the termination of the License, the Licensee may choose to create a single electronic copy for the purpose or archiving, for the Licensee's own internal use, and not for redistribution.

By providing such access Wiley grants to the Licensee a nonexclusive, royalty-free, license to use such material in accordance with the restrictions on use specified in Paragraph C of the Agreement, which restrictions shall survive any termination of the Agreement.

Wiley has designated both Portico and CLOCKSS as post-cancellation access providers of licensed material. If the licensed material is no longer available via Wiley Online Library, the Licensee may access the material on either Portico's or CLOCKSS' server, or from another third party post-cancellation access provider designated by Wiley as long as:

1. Wiley continues to designate Portico, CLOCKSS, or such third party as a post-cancellation provider;
2. The licensed material is available on Portico, CLOCKSS, or such third party;
3. Wiley maintains copyright over the licensed material;
4. Portico's, CLOCKSS', or such third party's procedures for providing access are followed.

Pricing:

(a) Year 1

- Core Collection Fee = 100% of current holdings value based on the current year full rate institutional online only price. Holdings are determined based on all full rate institutional subscriptions held by the Licensee in the year prior to the first year of the License.
- Total Core Collection Fee = To be provided at a later date

(b) Year 2 and subsequent years

- Core Collection Fee = 100% of the previous year's Core Collection fee plus a price increase based on the average journal price increase but not to exceed the Price Increase Cap specified

below, plus any adjustments for new, canceled or deleted Electronic Journal titles.

- **Price Increase Cap: 3%**

If the average aggregate Wiley journal price increase for a calendar year is less than the Price Increase Cap, the lower percentage will be applied. The following titles are not available via this Agreement: *Econometrica*, *Quantitative Economics*, *Theoretical Economics* and *The Journal of the European Economic Association*. However, they may be ordered via Wiley's Journals Customer Service department at cs-journals@wiley.com.

If Wiley offers any new online access models for journals on Wiley Online Library, the Licensee will have the option to subscribe on mutually agreeable terms.

Electronic Journal Subscription Maintenance:

Wiley may, from time to time, cease publication of individual journals in which case the journal(s) will be removed from the Licensee's Core Collection, and the fees associated with the journal(s) will no longer be factored into the Core Collection Fee.

Except as provided above, the Licensee must maintain all online subscriptions in the Core Collection as set forth in the attached list (Appendix B(a)1).

New Titles: New Titles can be added under the following terms and conditions:

- (a) Member Institutions may add new journals to their Core Collection at the full rate institutional online only subscription price.
- (b) Subscriptions to titles transferred into Wiley from another publisher will be added to a Member Institution's Core Collection in the first year of transfer without any additional fees if added to the Core Collection after September 1st of the year of transfer and if the Member Institution has one or more subscriptions for the calendar (or subscription) year in which the title is transferred. Individually negotiated pricing for access to transferred titles will also be maintained by Wiley, subject to the other terms of this Agreement. The title will be added to the Core Collection of that Member Institution each subsequent year at the current year institutional online only price multiplied by the number of subscriptions held in the previous year. Subscriptions to titles transferred out of Wiley will be deleted from the Member Institution's Core Collection in the year of transfer and the fees associated with the journals will no longer be factored into the Core Collection Fee.
- (c) A Member Institution may add previously canceled titles at the current full rate institutional online only subscription price to its Core Collection.
- (d) Wiley reserves the right to exclude titles from inclusion in the Standard or Custom Collections, however these titles may be added to an individual Member Institution's Core Collection.

Print Subscription Pricing:

The Licensee can purchase print subscriptions to Licensed Electronic Journals which the Licensee subscribes to via a Core Collection at a deeply discounted rate. This does not apply to:

- (a) Titles new to Wiley Online Library unless subscribed to in the Licensee's Core Collection.
- (b) Titles not subscribed to by the Licensee, unless added to the Licensee's Core Collection.
- (c) Titles not available via Wiley Online Library.
- (d) Titles published in online-only format by Wiley. Print subscriptions available through any Print on Demand option are not eligible for a deeply discounted rate.

American Geophysical Union titles now published by Wiley are available at the following deeply discount rate which differs from other Wiley journals: 75% of list price.

Print subscriptions, other than subscriptions for titles available from Wiley in online-only format, should be ordered directly via the Wiley Customer Services department, or through an agent.

APPENDIX B (b) – ACCESS TO UNSUBSCRIBED JOURNALS VIA STANDARD COLLECTIONS

[Licensee: GWLA: The Greater Western Library Alliance]

Standard Collections are defined herein as predetermined collections of the online editions of Wiley journals. The available Standard Collections are:

Full Collection

Scientific, Technical and Medical Collection

Medical and Nursing Collection

Social Sciences and Humanities Collection

The complete list of titles for Standard Collections is included in Appendix B(b)1. The Licensee will obtain online access to unsubscribed Wiley journals (journals not included in the Licensee's Core Collection) by licensing a Standard Collection.

Archival Access: During the term of this License, Wiley will provide the Licensee with access to current electronic files of the unsubscribed journals in the Standard Collection and retrospective content, generally back to 1997, depending on the start date of online publishing by Wiley, as well as tables of content, abstracts, full text and illustrations and any additional electronic journal content not included in the print versions of the journals, but not materials included in Backfiles.

Perpetual Access: Upon termination of this License, Wiley will provide the Licensee with perpetual access to the unsubscribed titles in the Standard Collection for the years that the Licensee has paid for access to the unsubscribed titles in the Standard Collection where Wiley has the rights to deliver this. Wiley, in its discretion, will either continue online access to the same material on Wiley's server or provide an archival copy in the electronic medium agreed to by both Wiley and the Licensee, at a reasonable cost-based (primarily production and media costs incurred by Wiley) fee agreed to by both parties. In the alternative, after the termination of the License, the Licensee may choose to create a single electronic copy for the purpose or archiving, for the Licensee's own internal use, and not for redistribution.

By providing such access Wiley grants to the Licensee a nonexclusive, royalty-free, license to use such material in accordance with the restrictions on use specified in Paragraph C of the Agreement, which restrictions shall survive any termination of the Agreement.

Wiley has designated both Portico and CLOCKSS as post-cancellation access providers of licensed material. If the licensed material is no longer available via Wiley Online Library, the Licensee may access the material on either Portico's or CLOCKSS' server, or from another third party post-cancellation access provider designated by Wiley as long as:

2. The licensed material is available on Portico, CLOCKSS, or such third party;
3. Wiley maintains copyright over the licensed material;
