2. In addition, Authorized Users will have access to all available tables of contents, article abstracts, chapter summaries and associated websites for all Electronic Products on Wiley Online Library.
3. The number of the Authorized Users who may simultaneously access Wiley Online Library is unlimited.
4. The Licensee acknowledges that the Electronic Products and Wiley Online Library and the Intellectual Property Rights contained therein are protected by law. All rights not specifically licensed herein to the Licensee are expressly reserved by Wiley.

C. **TERMS AND CONDITIONS OF USE**

1. The rights and restrictions governing access to Wiley Online Library and the Electronic Products by the Licensee and its Authorized Users are outlined in the Terms and Conditions of Use below.

- a. Authorized Users may download, search, retrieve, display and view, copy and save to hard disk or diskette and store or print out single copies of individual articles, chapters or entries in the Licensed Electronic Products for the Authorized User's own personal use, scholarly, educational or scientific research or internal business use. Authorized Users may also transmit such material to a third-party colleague in hard copy or electronically, for personal use or scholarly, educational, or scientific research or professional use but in no case for re-sale, systematic redistribution, or for any other use. In addition, Authorized Users have the right to use, with appropriate credit, figures, tables and brief excerpts from individual articles, chapters or other entries from the Licensed Electronic Products in the Authorized User's own scientific, scholarly and educational works such as books and articles.
- b. All Authorized Users have the option to create a My Profile Page, which will allow them to create data files and links to articles, chapters and entries of interest in the Licensed Electronic Products, and search criteria, which may be reused by them. In order to do so, the Authorized User will have to select and register a user name and password which the Authorized User must keep confidential and not disclose to or share with anyone else.
- c. The Licensee and its Authorized Users may create links to Wiley Online Library from their Online Public Access Catalog (OPAC) records, library catalogs, link resolvers, locally hosted databases or library web pages, provided those links are operated by the Licensee on a Secure Network, do not result in access to licensed content by anyone other than Authorized Users, and are not used in connection with any paid or commercial service or for any other commercial use whatsoever.
- d. Authorized Users who are members of the Licensee's faculty or staff may download and print out multiple copies of material from Licensed Electronic Products for the purpose of making a multi-source collection of information for classroom use (course-pack) or a virtual learning environment, to be distributed to students at the Licensee's institution free of charge or at a cost-based fee. Material from Licensed Electronic Products may also be stored in electronic format in secure electronic data files for access by Authorized Users who are students at the Licensee's institution, as part of their course work, so long as reasonable access control methods are employed such as user name and password.
- e. The Licensee's library staff may supply to another library, upon request by that library, either a single paper copy (by post or fax) or an electronic copy of an individual document from the Licensed Electronic Products, for the purpose of research or private study. The electronic copy must be supplied by secure electronic transmission (like Ariel) and must be deleted by the recipient library immediately after printing a paper copy of the document for its user.
- f. The Licensee is permitted to host self-archived articles authored by its Authorized Users in the Licensee's institutional repository, subject to the following provisions. Authorized Users who are authors or co-authors of articles in journals published by Wiley during the Term may deposit the peer reviewed and accepted version of their articles in the Licensee's institutional repository for public access twelve (12) months after the beginning of the month of first

publication, whether as an EarlyView article or in an online issue of a journal published by Wiley. The self-archiving right shall commence on January 1, 2013 and shall apply to articles published from October 1, 2011 and throughout the term and any renewals, subject to the twelve month embargo period. The deposited version must link to the final article on Wiley Online Library, must indicate that the deposited version is the peer reviewed version, and must include a citation to the final published version – for example, by including the following notice: ‘This is the peer reviewed version of the following article: FULL CITE, which has been published in final form at [link to final article]’. The Licensee will make reasonable efforts to provide Wiley annually with statistics about the number of articles deposited each year by Authorized Users (or the Library’s library staff on their behalf) under this provision, together with usage data about the number of accesses to and downloads of such articles, consistent with applicable privacy and confidentiality laws. The Licensee may not redistribute such self-archived articles except as permitted in this paragraph, whether for commercial or non-commercial purposes. This provision does not give Licensee or any Authorized User the right to incorporate into any institutional or other repository Wiley’s final published version from the Licensed Electronic Products (as distinct from the version of the article accepted for publication including the revisions from the peer review process). For clarity, nothing in this paragraph shall eliminate or limit any other rights that Licensee or any Authorized User may have to deposit, host or make available articles published in Wiley journals.

2. Except as provided in Paragraph C.1 above, Authorized Users may not copy, distribute, transmit or otherwise reproduce, sell, or resell material from the Electronic Products; store such material in any form or medium in a retrieval system; or transmit such material, directly or indirectly, for use in any paid service such as document delivery or list serve, or for use by any information brokerage or for systematic distribution, whether or not for commercial or non-profit use, or for a fee or free of charge.
3. The Licensee and its Authorized Users may not remove, obscure or modify any copyright or proprietary notices, author attribution or any disclaimer as they appear on Wiley Online Library. Authorized Users may not integrate material from the Electronic Products with other material or otherwise create derivative works in any medium. However, brief quotations for purposes of comment, criticism or similar scholarly purposes are not prohibited herein.
4. Authorized Users may not do anything to restrict or inhibit any other Authorized User’s access to or use of Wiley Online Library and the Licensed Electronic Products.
5. If an Authorized User fails to abide by these Terms and Conditions of Use or other terms of this License, Wiley reserves the right in its sole discretion to suspend or terminate such Authorized User’s access to Wiley Online Library and the Licensed Electronic Products immediately without notice, in addition to any other available remedies. Except in the case of a material breach which Wiley deems dangerous to the integrity and security of Wiley Online Library, or for a breach which, if not immediately remedied, is likely in Wiley’s opinion to continue to cause damage, Wiley shall give prior written notice to the Licensee of its intention to terminate such Authorized User’s access and shall allow the Licensee and/or the Authorized User 30 days after receipt of such notice to cure the breach or agree to abide by the terms and conditions of this License.

D. FEES AND CHARGES

1. License Fees and other charges for online access to the Licensed Electronic Products by the Licensee and its Authorized Users, and other services provided by Wiley Online Library, are specified in Appendices attached hereto, and shall be due as set forth in the relevant invoice.
2. The Licensee is responsible for any charges associated with accessing Wiley Online Library and the Licensed Electronic Products, including, but not limited to, any computer equipment, telephone or Internet connections and access software.
3. The Licensee is responsible for ensuring that any third party authorized by the Licensee to make payments on its behalf shall promptly pay Wiley the full amounts due under this License.
4. Wiley shall annually send the Licensee an Invoice Agreement Letter. Upon the Licensee's signature on the Invoice Agreement Letter and payment of fees set forth therein, this License shall apply, or shall renew for the period set forth in the Invoice Agreement Letter. Except as specifically set forth in the Invoice Agreement Letter, the terms and conditions of this Agreement (including updated Appendices) shall continue to apply.
5. The Licensee may annually cancel outright subscribed Electronic Journals equal to 1.5% of the annual Core Collection value of the Licensee. If a Licensee elects to exercise this cancellation option, that Licensee will no longer have access to that Journal(s). Cancellations will only be accepted on a calendar year basis and Wiley must be notified by each Licensee by November 1st of any such subsequent year cancellations.
6. As part of this agreement the Licensee has agreed to spend an additional \$102,816 on additional Licensed Electronic Products which will be added as appendix amendments to this License by April 30, 2014.

E. MUTUAL OBLIGATIONS

1. Wiley will:
 - a. make reasonable efforts to ensure uninterrupted online access to and continuous availability of the Licensed Electronic Products to Authorized Users in accordance with this License, and to restore access to such Licensed Electronic Products as promptly as possible in the event of an interruption or suspension of the Wiley Online Library service which is not attributable to any third-party service provider over which Wiley has no control (e.g., an Internet or telecommunications service provider);
 - b. provide aggregate usage statistics to the Licensee which are compliant with COUNTER Codes of Practice or conform to the then-prevailing industry standard (except as otherwise specified in the attached Appendices) about the use of the Licensed Electronic Products by the Licensee's Authorized Users, consistent with applicable privacy laws and confidentiality requirements.

- c. use reasonable efforts to ensure that the online content is equivalent to Wiley print journals and is available prior to, or no later than, the print equivalent.
- d. agree to abide by the TRANSFER Code of Practice 2.0 and further agrees to make its take-over list available to Licensee no later than the 30th of September of each subscription year.

2. The Licensee will:

- a. take reasonable measures to inform Authorized Users of the Terms and Conditions of Use governing access to Wiley Online Library and to emphasize to such Authorized Users the need to comply with whatever restrictions on access, use, reproduction and transmission are included therein;
- b. make access available to Authorized Users only through the Licensee's Secure Network and from valid IP addresses or other secure authentication methods as described in the appropriate Appendix; undertake reasonable measures within its control to prevent access to and improper use of the Licensed Electronic Products and Wiley Online Library by unauthorized persons; and take responsibility for terminating any unauthorized access of which it has actual notice or knowledge;
- c. provide Wiley with information about the Licensee's IP addresses which can be used by Wiley to authenticate Authorized Users. The Licensee represents that all such IP addresses shall be limited to the Licensee's Secure Network, and shall be listed in Appendix A as updated from time to time. The Licensee shall be responsible for ensuring that all IP addresses on Appendix A or otherwise provided to Wiley correspond with the Licensee's IP addresses and are limited to the physical addresses specified in this Agreement. Without limiting the Licensee's obligations hereunder or Wiley's rights and remedies in the event of breach, the Licensee agrees to pay Wiley, if Wiley so elects, for any access to Wiley Online Library for IP addresses that do not meet the preceding criteria.
- d. use reasonable efforts to monitor compliance with the Terms of Use and promptly notify Wiley of any copyright infringement or unauthorized usage of the Electronic Products, which comes to the Licensee's attention; and cooperate fully with Wiley in the investigation of such infringement or unauthorized use and in any action, which Wiley takes to enforce its copyright and other Intellectual Property Rights, at Wiley's expense. Notwithstanding the above, the Licensee shall not be responsible for such unauthorized use which is without the express or implied consent of the Licensee, provided that the Licensee has taken reasonable steps to prevent such misuse and, upon learning of it, uses all reasonable efforts to ensure that such activity ceases, and notifies Wiley promptly of any such breach or infringement.
- e. neither the Licensee nor any Authorized User shall have the right to incorporate any material from the Licensed Electronic Products into any institutional or other repository. Author agreements are separately negotiated with Wiley and include provisions about what authors may and may not do with respect to materials authored by them and published by Wiley.

F. PRIVACY AND DATA PROTECTION POLICY

Wiley recognizes the importance of protecting the information it collects in the operation of Wiley Online Library and will act in compliance with the Privacy Policy posted at <http://onlinelibrary.wiley.com/privacyPolicy>.

G. **TERM AND TERMINATION**

1. The Term of this License shall commence on July 1, 2013 and end on December 31, 2014.
2. Wiley shall have the right to request the Licensee to terminate access to Wiley Online Library by an Authorized User who breaches Wiley's Terms and Conditions of Use or infringes the copyright or other Intellectual Property Rights in the Electronic Products or Wiley Online Library.
3. Either party may terminate this License if the other party materially breaches its obligations under this License and fails to cure such material breach, provided that the non-breaching party shall give written notice of its intention to terminate and shall allow the breaching party 60 days after receipt of such notice to remedy the breach.
4. Notwithstanding subparagraph G.3 above, either party's failure to perform any term or condition of this Agreement as a result of conditions beyond its control such as, but not limited to, war, strikes, fires, floods, governmental restrictions, acts of terrorism, public health emergencies, power failures, or damage to or destruction of any network facilities or servers, shall not be deemed a breach of this Agreement.
5. In the event of a substantial reduction in budget for the forthcoming year, the Licensee may select to renegotiate or cancel its participation in this Agreement beginning on January 1st of such subsequent year without further duty or obligation, provided that Wiley is notified by November 1st of the preceding year of such cancellation or renegotiation. If the Licensee executes this option, no refund of payment already received by Wiley will be owed.

H. **WARRANTY AND DISCLAIMERS BY WILEY**

1. Wiley represents and warrants that it has the right and authority to make Wiley Online Library available to the Licensee and its Authorized Users pursuant to the terms and conditions of this License and that, to the best of Wiley's knowledge, Wiley Online Library and the Electronic Products do not infringe upon any copyright, patent, trade secret or other proprietary right of any third party.
2. Wiley Online Library may provide Authorized Users with links to third-party websites. Where such links exist, Wiley disclaims all responsibility and liability for the content of such third-party websites. Authorized Users assume sole responsibility for the accessing of third-party websites and the use of any content on such websites.
3. Except for the warranties provided by Wiley in paragraph H.1 above,
 - a. WILEY ONLINE LIBRARY AND THE ELECTRONIC PRODUCTS AND ALL MATERIALS CONTAINED THEREIN ARE PROVIDED ON AN "AS

IS" BASIS, WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF TITLE, OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE;

- b. THE USE OF THE ELECTRONIC PRODUCTS, WILEY ONLINE LIBRARY AND ALL MATERIALS IS AT THE AUTHORIZED USER'S OWN RISK;
 - c. ACCESS TO WILEY ONLINE LIBRARY AND THE ELECTRONIC PRODUCTS MAY BE INTERRUPTED AND MAY NOT BE ERROR FREE; AND
 - d. NEITHER WILEY NOR ANYONE ELSE INVOLVED IN CREATING, PRODUCING OR DELIVERING WILEY ONLINE LIBRARY, THE ELECTRONIC PRODUCTS, OR THE MATERIALS CONTAINED IN WILEY ONLINE LIBRARY, SHALL BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES ARISING OUT OF THE AUTHORIZED USER'S USE OF OR INABILITY TO USE WILEY ONLINE LIBRARY, THE ELECTRONIC PRODUCTS AND ALL MATERIALS CONTAINED THEREIN.
4. Wiley shall indemnify and hold the Licensee harmless from and against any damages, costs and fees (including reasonable attorney's fees) resulting from any judgment against the Licensee arising out of the claim of a third party that Wiley's license of the Licensed Electronic Products or the Licensee's use thereof constitutes an infringement of any copyright, patent, trade secret or other proprietary right of any such third party. This indemnity shall survive termination of the Agreement for two (2) years. This indemnity shall not apply if the claim involves content which has been modified or used in a manner not permitted under this Agreement or if the Licensee has failed to comply with other material terms of this Agreement.

The Licensee shall give prompt notice of an infringement claim to Wiley, shall provide such cooperation and assistance to Wiley as is reasonably necessary to defend the claim, and shall allow Wiley to have the sole control of the defense, provided, however, that the Licensee retains the right to participate in the defense at its own expense.

I. GENERAL PROVISIONS

- 1. Wiley may assign this Agreement to its successors, subsidiaries or assigns. This Agreement may not be assigned by the Licensee, except with the prior written consent of Wiley.
- 2. In the event of a material breach of the terms and conditions of this Agreement by either party, the non-breaching party shall be entitled, in addition to any other remedies available pursuant to this Agreement or at law, to equitable, including injunctive, relief.
- 3. Any notice, request, statement or other communication to be given hereunder to any party shall be in writing addressed to the party as follows:

5. This Agreement constitutes the complete understanding of the parties and supersedes all prior understandings between the parties with respect to the subject matter of this Agreement. No modification, amendment, or waiver of any provisions shall be valid unless in writing and executed by the parties. Any waiver in one or more instances by either of the parties of any breach by the other of any terms or provisions contained in this Agreement shall not be considered a waiver of any succeeding or preceding breach. In the event that any clause of this Agreement is determined to be void or unenforceable, the remainder of the Agreement shall survive.
6. All Appendices attached or to be attached to this Agreement are incorporated herein and shall be governed by the terms and conditions of this Agreement unless otherwise specified in such Appendix. APPENDIX B (a) – LICENSED ELECTRONIC JOURNALS – CORE COLLECTIONS OF SUBSCRIBED TITLES

Licensee: Rutgers University

The Core Collection is defined herein as the complete collection of Wiley journals to which the Licensee subscribes and will pay full rate institutional online only subscription fees to obtain online access.

Archival Access: During the term of this License, Wiley will provide the Licensee with access to current electronic files of the journals in the Core Collection and retrospective content, generally back to 1997, depending on the start date of online publishing by Wiley, as well as tables of content, abstracts, full text and illustrations and any additional electronic journal content not included in the print versions of the journals, but not materials included in Backfiles.

Perpetual Access: Upon termination of this License, Wiley will provide the Licensee with perpetual access to current electronic files of the journals in the Core Collection and retrospective content, generally back to 1997, depending on the start date of online publishing by Wiley, as well as tables of content, abstracts, full text and illustrations and any additional electronic journal content not included in the print versions of the journals, but not materials included in Backfiles where Wiley has the rights to deliver this. Wiley, in its discretion, will either continue online access to the same material on Wiley's server or provide an archival copy in the electronic medium selected by Wiley, at a reasonable cost-based fee.

By providing such access Wiley grants to the Licensee a nonexclusive, royalty-free, license to use such material in accordance with the restrictions on use specified in Paragraph C of the Agreement, which restrictions shall survive any termination of the Agreement.

Wiley has designated Portico as a post-cancellation access provider of licensed material. If the licensed material is no longer available via Wiley InterScience, the Licensee may access the material on Portico's server as long as Wiley continues to designate Portico as a post-cancellation provider; the licensed material is available on Portico; Wiley maintains copyright over the licensed material and provided that Portico's procedures for providing access are followed.

Pricing:

(a) Year 1

- Core Collection Fee = 100% of current holdings value based on the current year full rate institutional online only price. Holdings are determined based on all full rate institutional subscriptions held by the Licensee in the year prior to the first year of the License.
Total Core Collection Fee = \$387,774.77 (2013 Core Collection Fee)

(b) Year 2 and subsequent years

- Core Collection Fee = 100% of the previous year's Core Collection fee plus a price increase based on the average journal price increase but not to exceed the Price Increase Cap specified below, plus any adjustments for new, canceled or deleted Electronic Journal titles.
- Total Core Collection Fee = \$1,226,778.80 (2014 Core Collection Fee)
- Price Increase Cap: 4%
If the average aggregate Wiley journal price increase for a calendar year is less than the Price Increase Cap, the lower percentage will be applied. The following titles are not available via this Agreement: *Econometrica*, *Quantitative Economics*, *Theoretical Economics* and *The Journal of the European Economic Association*. However, they may be ordered via Wiley's

Journals Customer Service department at cs-journals@wiley.com.

Electronic Journal Subscription Maintenance and Swapping: The Licensee may swap subscribed online journals in the Core Collection without financial penalty provided that such changes do not exceed 5% of the value of the total Core Collection for any calendar year. These changes will be reflected in amendments to this Appendix. Swapping will be accepted at the title level or for duplicate subscriptions. Swapping will only be accepted on a calendar year basis and Wiley must be notified of any changes in writing no later than the preceding November 1st. If the Licensee elects to swap a journal, that Licensee will lose access to the newly published content of that title permanently.

Wiley may, from time to time, cease publication of individual journals in which case the journal(s) will be removed from the Licensee's Core Collection, and the fees associated with the journal(s) will no longer be factored into the Core Collection Fee. Where possible, Wiley shall negotiate with successor publisher of individual titles, the rights to maintain and provide access to the issues which were initially published by Wiley.

Except as provided above, the Licensee must maintain all online subscriptions in the Core Collection as set forth in the attached list (Appendix B(a)1).

New Titles: New Titles can be added under the following terms and conditions:

- (a) The Licensee may add new journals to its Core Collection at the full rate institutional online only subscription price.
- (b) Subscriptions to titles transferred into Wiley from another publisher will be added to the Licensee's Core Collection in the first year of transfer if the Licensee has one or more subscriptions for the calendar (or subscription) year in which the title is transferred. Individually negotiated pricing for access to transferred titles will also be maintained by Wiley, subject to the other terms of this Agreement. Subscriptions to titles transferred out of Wiley will be deleted from the Licensee's Core Collection in the year of transfer.
- (c) The Licensee may add previously canceled titles at the current full rate institutional online only subscription price to its Core Collection.
- (d) Wiley reserves the right to exclude titles from inclusion in the Standard or Custom Collections, however these titles may be added to the Licensee's Core Collection.

Print Subscription Pricing:

The Licensee can purchase print subscriptions to Licensed Electronic Journals which the Licensee subscribes to via a Core Collection at a deeply discounted rate. This does not apply to:

- (a) Titles new to Wiley Online Library unless subscribed to in the Licensee's Core Collection.
- (b) Titles not subscribed to by the Licensee, unless added to the Licensee's Core Collection.
- (c) Titles not available via Wiley Online Library.
- (d) Titles published in online-only format by Wiley. Print subscriptions available through any Print on Demand option are not eligible for a deeply discounted rate.

American Geophysical Union titles now published by Wiley are available at the following deeply discount rate which differs from other Wiley journals: 75% of list price.

Print subscriptions, other than subscriptions for titles available from Wiley in online-only format, should be ordered directly via the Wiley Customer Services department, or through an agent.

APPENDIX B (b) – ACCESS TO UNSUBSCRIBED JOURNALS VIA STANDARD COLLECTIONS

Licensee: Rutgers University

Standard Collections are defined herein as predetermined collections of the online editions of Wiley journals. The available Standard Collections are:

Full Collection
Scientific, Technical and Medical Collection
Medical and Nursing Collection
Social Sciences and Humanities Collection

The complete list of titles for Standard Collections is included in Appendix B(b)1. The Licensee will obtain online access to unsubscribed Wiley journals (journals not included in the Licensee's Core Collection) by licensing a Standard Collection.

Archival Access: During the term of this License, Wiley will provide the Licensee with access to current electronic files of the unsubscribed journals in the Standard Collection and retrospective content, generally back to 1997, depending on the start date of online publishing by Wiley, as well as tables of content, abstracts, full text and illustrations and any additional electronic journal content not included in the print versions of the journals, but not materials included in Backfiles.

Perpetual Access: Upon termination of this License, Wiley will provide the Licensee with perpetual access to the unsubscribed titles in the Standard Collection for the years that the Licensee has paid for access to the unsubscribed titles in the Standard Collection where Wiley has the rights to deliver this. Wiley, in its discretion, will either continue online access to the same material on Wiley's server or provide an archival copy in the electronic medium selected by Wiley, at a reasonable cost-based fee.

By providing such access Wiley grants to the Licensee a nonexclusive, royalty-free, license to use such material in accordance with the restrictions on use specified in Paragraph C of the Agreement, which restrictions shall survive any termination of the Agreement.

Wiley has designated Portico as a post-cancellation access provider of licensed material. If the licensed material is no longer available via Wiley InterScience, the Licensee may access the material on Portico's server as long as Wiley continues to designate Portico as a post-cancellation provider; the licensed material is available on Portico; Wiley maintains copyright over the licensed material and provided that Portico's procedures for providing access are followed.

Standard Collection Fee: The Licensee will pay a Collection Fee to access the Standard Collection in addition to its Core Collection Fee.

Pricing:

(a) Year 1

- Standard Collection pricing will be calculated as a percentage of the current full rate institutional online only subscription price of the unsubscribed titles in the Collection. The percentage is set based on the Licensee's number of FTEs, and the value of the Licensee's Core Collection. For this purpose FTEs are defined as full-time equivalent students and academic faculty.
- Licensee's FTE count: 60,636
- Total Standard Collection Fee: \$0 (2010 STM Collection Fee)

(b) Year 2 and subsequent years

- Standard Collection Fee = 100% of the previous year's Standard Collection fee plus a price

increase based on the average journal price increase but not to exceed the Price Increase Cap specified below, plus any adjustments for new, canceled or deleted Electronic Journal titles.

- Total Standard Collection Fee: \$25,324.00 (2010 STM Collection Fee)
- Price Increase Cap: 4%

If the average aggregate Wiley journal price increase for a calendar year is less than the Price Increase Cap, the lower percentage will be applied.

Adding and Deleting Titles from a Standard Collection

Each year after the first year of the License, Wiley may offer a package of new titles which the Licensee may opt to add to the licensed Standard Collection(s). The price will be calculated at a percentage of the full rate institutional online only subscription fee for the unsubscribed titles in the package. The initial percentage used to calculate Rutgers, the State University of New Jersey was 10%.

Wiley may, from time to time, cease publication of individual journals in which case the journal(s) will be removed from the Licensee's Standard Collection, and the fees associated with the journal(s) will no longer be factored into the Standard Collection Fee.
