### WILEY ONLINE ENHANCED LICENSE FOR ACADEMIC CUSTOMERS

This License (the "License" and/or "Agreement") sets forth the terms and conditions under which Wiley Subscription Services, Inc. ("Wiley"), a Delaware corporation, will provide The University of Tennessee, an instrumentality of the State of Tennessee on behalf of the campuses listed on Appendix A (the "Licensee"), with access to the Electronic Products and Services subscribed to by the Licensee via Wiley Online Library.

Recitals:

- 1) Wiley and the Licensee intend for this Agreement to apply to all purchases made by the Licensee that the Licensee makes during the term of this Agreement.
- 2) For sake of clarity, this Agreement does not modify any applicable State laws or Licensee policies regarding submitting purchases to a public bidding process (or, when allowable, the requirement that sole-source purchases be justified).

**Agreement:** The parties agree as follows:

The above-listed recitals are incorporated into this Agreement.

#### A. **DEFINITIONS**

The following terms shall be deemed to have the meaning as set forth below:

1. **Wiley Online Library** - The online service (or any successor thereto) available from Wiley or its affiliates on the Worldwide Web including all products, services and features offered via the service. Certain products and services under this License may be delivered from other platforms as noted in the Appendices. The terms and conditions hereof are equally applicable to those products and services.
2. **Licensee** - The University of Tennessee, which is authorized to sign this License on behalf of its campuses ("Campus" or "Campuses") listed in Appendix A, who have agreed to participate in this License. Each such Campus shall provide access to Wiley Online Library via its Secure Network for its Authorized Users as defined below, and is responsible for payments and implementation of the License. The term "Licensee" shall be deemed to include the University of Tennessee, each such Campus in the singular and all such Campuses, as the case may be. Campuses shall have the option to participate in this License upon the expiration of any other agreement between the Campus and Wiley. For the avoidance of doubt, when additional Campuses agree in writing to the terms of their participation in this License, they will execute the Letter in the form attached hereto as Appendix L. Appendix A will include information on the Internet Protocol (IP) addresses which are covered by this License and contacts for each such Campus. "Secure Network" as used herein means the network which provides access to Wiley Online Library for Authorized Users via the Campuses' IP addresses. Each Appendix for a Licensed Electronic Product will specify the initial financial terms for each Campus.
3. **Authorized Users** - Those persons who are authorized by the Licensee to have access to Wiley Online Library. Authorized Users must be current bona fide faculty members,

students, researchers, staff members, librarians, executives or employees of the Licensee, or contractors engaged by the Licensee, provided such contractors have been informed of, and agree to abide by, the Terms and Conditions of Use set forth herein and they access Wiley Online Library via the Licensee's Secure Network. Walk-in Users from the general public or business invitees may also be permitted by the Licensee to access Wiley Online Library from designated terminals with a Licensee-controlled IP address. These designated terminals shall be physically located in libraries or similar physical premises directly controlled by the Licensee.

4. **Intellectual Property Rights** – These rights include, without limitation, patents, trademarks, trade names, design rights, copyright (including rights in computer software), database rights, rights in know-how and other intellectual property rights, in each case whether registered or unregistered, which may subsist anywhere in the world.
5. **Electronic Products** - All products, services and content available in Wiley Online Library shall be deemed included within the definition of Electronic Products. Details specific to the type of electronic products or services licensed hereunder as well as pricing and the Licensee's access rights are provided in the appropriate Appendix. These products and services are defined as follows:
  - a. **Licensed Electronic Products** - The electronic (online) editions of Wiley journals and other publications and the content therein, including but not limited to major reference works, Current Protocols laboratory manuals and databases which the Licensee has licensed hereunder as specified herein and in the appropriate Appendices.

Licensed Electronic Products are listed in the Appendices as follows:

Appendix B Online Journals  
Appendix C Journal Backfiles  
Appendix D Online Reference Works  
Appendix E Online Books  
Appendix F The Cochrane Library  
Appendix G Current Protocols  
Appendix H Databases  
Appendix I Essential Evidence Plus  
Appendix J ArticleSelect  
Appendix K AnthroSource

- b. **Licensed Electronic Services** - The electronic features and services in Wiley Online Library available to the Licensee and its Authorized Users, as follows.
  1. *EarlyView* – publishes peer reviewed, fully citable articles online as soon as they are ready, before the release of the compiled journal issue.
  2. *Saved Title Alerts* – allows Authorized Users to request and receive via e-mail the tables of contents from any of the journals available online in Wiley

Online Library and to receive notification of articles newly published which match specified search criteria.

**B. ACCESS PRIVILEGES**

1. Wiley grants to the Licensee and its Authorized Users, during the Term as defined below, a non-exclusive, non-transferable right and license to access, via Wiley Online Library, the full text and other material such as datasets published online in Wiley Online Library for the Licensed Electronic Products as listed in the Appendices attached hereto as may be amended from time to time.
2. In addition, Authorized Users will have access to all available tables of contents, article abstracts, chapter summaries and associated websites for all Electronic Products on Wiley Online Library.
3. The number of the Authorized Users who may simultaneously access Wiley Online Library is unlimited.
4. The Licensee acknowledges that the Electronic Products and Wiley Online Library and the Intellectual Property Rights contained therein are protected by law. All rights not specifically licensed herein to the Licensee are expressly reserved by Wiley.

**C. TERMS AND CONDITIONS OF USE**

1. The rights and restrictions governing access to Wiley Online Library and the Electronic Products by the Licensee and its Authorized Users are outlined in the Terms and Conditions of Use below.
  - a. Authorized Users may download, search, retrieve, display and view, copy and save to hard disk or diskette and store or print out single copies of individual articles, chapters or entries in the Licensed Electronic Products for the Authorized User's own personal use, scholarly, educational or scientific research or internal business use. Authorized Users may also transmit such material to a third-party colleague in hard copy or electronically, for personal use or scholarly, educational, or scientific research or professional use but in no case for re-sale, systematic redistribution, or for any other use. In addition, Authorized Users have the right to use, with appropriate credit, figures, tables and brief excerpts from individual articles, chapters or other entries from the Licensed Electronic Products in the Authorized User's own scientific, scholarly and educational works such as books and articles.
  - b. All Authorized Users have the option to create a My Profile Page, which will allow them to create data files and links to articles, chapters and entries of interest in the Licensed Electronic Products, and search criteria, which may be reused by them. In order to do so, the Authorized User will have to select and register a user name and password which the Authorized User must keep confidential and not disclose to or share with anyone else.

- c. The Licensee and its Authorized Users may create links to Wiley Online Library from their Online Public Access Catalog (OPAC) records, library catalogs, link resolvers, locally hosted databases or library web pages, provided those links are operated by the Licensee on a Secure Network, do not result in access to licensed content by anyone other than Authorized Users, and are not used in connection with any paid or commercial service or for any other commercial use whatsoever.
  - d. Authorized Users who are members of the Licensee's faculty or staff may download and print out multiple copies of material from Licensed Electronic Products for the purpose of making a multi-source collection of information for classroom use (course-pack) or a virtual learning environment, to be distributed to students at the Licensee's institution free of charge or at a cost-based fee. Material from Licensed Electronic Products may also be stored in electronic format in secure electronic data files for access by Authorized Users who are students at the Licensee's institution, as part of their course work, so long as reasonable access control methods are employed such as user name and password.
  - e. The Licensee's library staff may supply to another library, upon request by that library, either a single paper copy (by post or fax) or an electronic copy of an individual document from the Licensed Electronic Products, for the purpose of research or private study. The electronic copy must be supplied by secure electronic transmission (like Ariel) and must be deleted by the recipient library immediately after printing a paper copy of the document for its user.
2. Except as provided in Paragraph C.1 above, Authorized Users may not copy, distribute, transmit or otherwise reproduce, sell, or resell material from the Electronic Products; store such material in any form or medium in a retrieval system; or transmit such material, directly or indirectly, for use in any paid service such as document delivery or list serve, or for use by any information brokerage or for systematic distribution, whether or not for commercial or non-profit use, or for a fee or free of charge.
3. The Licensee and its Authorized Users may not remove, obscure or modify any copyright or proprietary notices, author attribution or any disclaimer as they appear on Wiley Online Library. Authorized Users may not integrate material from the Electronic Products with other material or otherwise create derivative works in any medium. However, brief quotations for purposes of comment, criticism or similar scholarly purposes are not prohibited herein.
4. Authorized Users may not do anything to restrict or inhibit any other Authorized User's access to or use of Wiley Online Library and the Licensed Electronic Products.

5. If an Authorized User fails to abide by these Terms and Conditions of Use or other terms of this License, Wiley reserves the right in its sole discretion to suspend or terminate such Authorized User's access to Wiley Online Library and the Licensed Electronic Products immediately without notice, in addition to any other available remedies. Except in the case of a material breach which Wiley deems dangerous to the integrity and security of Wiley Online Library, or for a breach which, if not immediately remedied, is likely in Wiley's opinion to continue to cause damage, Wiley shall give prior written notice to the Licensee of its intention to terminate such Authorized User's access and shall allow the Licensee and/or the Authorized User 30 days after receipt of such notice to cure the breach or agree to abide by the terms and conditions of this License.

D. **FEES AND CHARGES**

1. License Fees and other charges for online access to the Licensed Electronic Products by the Licensee and its Authorized Users, and other services provided by Wiley Online Library, will be initially specified in Appendices attached hereto, and may be specified in the Licensee's purchase orders and shall be due as set forth in the relevant invoice.
2. The Licensee is responsible for any charges associated with accessing Wiley Online Library and the Licensed Electronic Products, including, but not limited to, any computer equipment, telephone or Internet connections and access software.
3. The Licensee is responsible for ensuring that any third party authorized by the Licensee to make payments on its behalf shall promptly pay Wiley the full amounts due under this License.
4. Wiley shall annually send the Licensee an Invoice Agreement Letter. Upon the issuance of the Licensee's purchase order and payment of fees set forth therein, this License shall apply, or shall renew for the period set forth in the Invoice Agreement Letter. Except as specifically set forth in the Invoice Agreement Letter, the terms and conditions of this Agreement (including updated Appendices) shall continue to apply.

E. **MUTUAL OBLIGATIONS**

1. Wiley will:
  - a. make reasonable efforts to ensure uninterrupted online access to and continuous availability of the Licensed Electronic Products to Authorized Users in accordance with this License, and to restore access to such Licensed Electronic Products as promptly as possible in the event of an interruption or suspension of the Wiley Online Library service which is not attributable to any third-party service provider over which Wiley has no control (e.g., an Internet or telecommunications service provider);

- b. provide aggregate usage statistics to the Licensee which are compliant with COUNTER Codes of Practice or conform to the then-prevailing industry standard (except as otherwise specified in the attached Appendices) about the use of the Licensed Electronic Products by the Licensee's Authorized Users, consistent with applicable privacy laws and confidentiality requirements.

2. The Licensee will:

- a. take all reasonable measures to inform Authorized Users of the Terms and Conditions of Use governing access to Wiley Online Library and to emphasize to such Authorized Users the need to comply with whatever restrictions on access, use, reproduction and transmission are included therein;
- b. make access available to Authorized Users only through the Licensee's Secure Network and from valid IP addresses or other secure authentication methods as described in the appropriate Appendix; undertake reasonable measures within its control to prevent access to and improper use of the Licensed Electronic Products and Wiley Online Library by unauthorized persons; and take responsibility for terminating any unauthorized access of which it has actual notice or knowledge;
- c. provide Wiley with information about the Licensee's IP addresses which can be used by Wiley to authenticate Authorized Users. The Licensee represents that all such IP addresses shall be limited to the Licensee's Secure Network, and shall be listed in Appendix A as updated from time to time. The Licensee shall be responsible for ensuring that all IP addresses on Appendix A or otherwise provided to Wiley correspond with the Licensee's IP addresses and are limited to the physical addresses specified in this Agreement. Without limiting the Licensee's obligations hereunder or Wiley's rights and remedies in the event of breach, the Licensee agrees to pay Wiley, if Wiley so elects, for any access to Wiley Online Library for IP addresses that do not meet the preceding criteria.
- d. use all reasonable efforts to monitor compliance with the Terms of Use and promptly notify Wiley of any copyright infringement or unauthorized usage of the Electronic Products, which comes to the Licensee's attention; and cooperate fully with Wiley in the investigation of such infringement or unauthorized use and in any action, which Wiley takes to enforce its copyright and other Intellectual Property Rights, at Wiley's expense. Notwithstanding the above, the Licensee shall not be responsible for such unauthorized use which is without the express or implied consent of the Licensee, provided that the Licensee has taken reasonable steps to prevent such misuse and, upon learning of it, uses all reasonable efforts to ensure that such activity ceases, and notifies Wiley promptly of any such breach or infringement.
- e. neither the Licensee nor any Authorized User shall have the right to incorporate any material from the Licensed Electronic Products into any institutional or other repository. Author agreements are separately negotiated with Wiley and include provisions about what authors may and may not do with respect to materials authored by them and published by Wiley.

F. **PRIVACY AND DATA PROTECTION POLICY**

Wiley recognizes the importance of protecting the information it collects in the operation of Wiley Online Library and will act in compliance with the Privacy Policy posted at <http://onlinelibrary.wiley.com/privacyPolicy>.

G. **TERM AND TERMINATION**

1. The Term of this License shall commence on January 1, 2014 and end on December 31, 2015.
2. Wiley shall have the right to request the Licensee to terminate access to Wiley Online Library by an Authorized User who breaches Wiley's Terms and Conditions of Use or infringes the copyright or other Intellectual Property Rights in the Electronic Products or Wiley Online Library.
3. Either party may terminate this License if the other party materially breaches its obligations under this License and fails to cure such material breach, provided that the non-breaching party shall give written notice of its intention to terminate and shall allow the breaching party 60 days after receipt of such notice to remedy the breach.
4. Either the Licensee or Wiley may terminate this Agreement by providing the other party thirty (30) days prior written notice. If the Licensee executes this option, no refund of payment already received by Wiley will be owed to the Licensee.
5. A Campus or Wiley may terminate this Agreement by providing the other party thirty (30) days prior written notice. If the Licensee executes this option, no refund of payment already received by Wiley will be owed to the Campus.
6. Notwithstanding subparagraph G.3 above, either party's failure to perform any term or condition of this Agreement as a result of conditions beyond its control such as, but not limited to, war, strikes, fires, floods, governmental restrictions, acts of terrorism, public health emergencies, power failures, or damage to or destruction of any network facilities or servers, shall not be deemed a breach of this Agreement.

H. **WARRANTY AND DISCLAIMERS BY WILEY**

1. Wiley represents and warrants that it has the right and authority to make Wiley Online Library available to the Licensee and its Authorized Users pursuant to the terms and conditions of this License and that, to the best of Wiley's knowledge, Wiley Online Library and the Electronic Products do not infringe upon any copyright, patent, trade secret or other proprietary right of any third party.
2. Wiley Online Library may provide Authorized Users with links to third-party websites. Where such links exist, Wiley disclaims all responsibility and liability for the content of such third-party websites. Authorized Users assume sole responsibility for the accessing

of third-party websites and the use of any content on such websites.

3. Except for the warranties provided by Wiley in paragraph H. 1 above,
  - a. WILEY ONLINE LIBRARY AND THE ELECTRONIC PRODUCTS AND ALL MATERIALS CONTAINED THEREIN ARE PROVIDED ON AN "AS IS" BASIS, WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF TITLE, OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE;
  - b. THE USE OF THE ELECTRONIC PRODUCTS, WILEY ONLINE LIBRARY AND ALL MATERIALS IS AT THE AUTHORIZED USER'S OWN RISK;
  - c. ACCESS TO WILEY ONLINE LIBRARY AND THE ELECTRONIC PRODUCTS MAY BE INTERRUPTED AND MAY NOT BE ERROR FREE; AND
  - d. NEITHER WILEY NOR ANYONE ELSE INVOLVED IN CREATING, PRODUCING OR DELIVERING WILEY ONLINE LIBRARY, THE ELECTRONIC PRODUCTS, OR THE MATERIALS CONTAINED IN WILEY ONLINE LIBRARY, SHALL BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES ARISING OUT OF THE AUTHORIZED USER'S USE OF OR INABILITY TO USE WILEY ONLINE LIBRARY, THE ELECTRONIC PRODUCTS AND ALL MATERIALS CONTAINED THEREIN.
4. Wiley shall indemnify and hold the Licensee harmless from and against any damages, costs and fees (including reasonable attorney's fees) resulting from any judgment against the Licensee arising out of the claim of a third party that Wiley's license of the Licensed Electronic Products or the Licensee's use thereof constitutes an infringement of any copyright, patent, trade secret or other proprietary right of any such third party. This indemnity shall survive termination of the Agreement for two (2) years. This indemnity shall not apply if the claim involves content which has been modified or used in a manner not permitted under this Agreement or if the Licensee has failed to comply with other material terms of this Agreement.

The Licensee shall give prompt notice of an infringement claim to Wiley, shall provide such cooperation and assistance to Wiley as is reasonably necessary to defend the claim, and shall allow Wiley to have the sole control of the defense, provided, however, that the Licensee retains the right to participate in the defense at its own expense and no settlement shall be binding against the Licensee without the consent of the Tennessee Attorney General.

#### I. CONFIDENTIALITY PROVISIONS

1. While negotiating this Agreement and during the Term thereafter, Wiley may provide the Licensee with certain information, which may be oral or written (including information in electronic format), which is deemed confidential. For the purposes of this Agreement,

either of the parties of any breach by the other of any terms or provisions contained in this Agreement shall not be considered a waiver of any succeeding or preceding breach. In the event that any clause of this Agreement is determined to be void or unenforceable, the remainder of the Agreement shall survive.

4. All Appendices attached or to be attached to this Agreement are incorporated herein and shall be governed by the terms and conditions of this Agreement unless otherwise specified in such Appendix. In the event of any conflict between the terms of an Appendix or any Invoice Agreement Letter as defined in Paragraph D.4. above and the terms of this Agreement, the terms of the Appendix or Invoice Agreement Letter shall govern.
5. In compliance with the requirements of Tenn. Code Ann. § 12-3-309, Wiley hereby attests that it shall not knowingly utilize the services of an illegal immigrant in the United States in the performance of this Agreement and shall not knowingly utilize the services of any subcontractor who will utilize the services of an illegal immigrant in the United States in the performance of this Agreement.

## APPENDIX B (a) – LICENSED ELECTRONIC JOURNALS – CORE COLLECTIONS OF SUBSCRIBED TITLES

Licensee: The University of Tennessee

The Core Collection is defined herein as the complete collection of Wiley journals to which the Licensee subscribes and will pay full rate institutional online only subscription fees to obtain online access.

**Archival Access:** During the term of this License, Wiley will provide the Licensee with access to current electronic files of the journals in the Core Collection and retrospective content, generally back to 1997, depending on the start date of online publishing by Wiley, as well as tables of content, abstracts, full text and illustrations and any additional electronic journal content not included in the print versions of the journals, but not materials included in Backfiles.

**Perpetual Access:** Upon termination of this License, Wiley will provide the Licensee with perpetual access to current electronic files of the journals in the Core Collection and retrospective content, generally back to 1997, depending on the start date of online publishing by Wiley, as well as tables of content, abstracts, full text and illustrations and any additional electronic journal content not included in the print versions of the journals, but not materials included in Backfiles where Wiley has the rights to deliver this. Wiley, in its discretion, will either continue online access to the same material on Wiley's server or provide an archival copy in the electronic medium agreed to by Wiley and the Licensee, at a reasonable cost-based fee.

By providing such access Wiley grants to the Licensee a nonexclusive, royalty-free, license to use such material in accordance with the restrictions on use specified in Paragraph C of the Agreement, which restrictions shall survive any termination of the Agreement.

### **Pricing:**

#### **(a) Year 1**

- Core Collection Fee = 100% of current holdings value based on the current year full rate institutional online only price. Holdings are determined based on all full rate institutional subscriptions held by the Licensee in the year prior to the first year of the License.  
Total Core Collection Fee = \$733,876.24 (Minimum Total Core Collection Fee: \$10,000)

#### **(b) Year 2 and subsequent years**

- Core Collection Fee = 100% of the previous year's Core Collection fee plus a price increase based on the average journal price increase but not to exceed the Price Increase Cap specified below, plus any adjustments for new, canceled or deleted Electronic Journal titles.
- Price Increase Cap: 4%  
If the average aggregate Wiley journal price increase for a calendar year is less than the Price Increase Cap, the lower percentage will be applied. The following titles are not available via this Agreement: *Econometrica*, *Quantitative Economics*, *Theoretical Economics* and *The Journal of the European Economic Association*. However, they may be ordered via Wiley's Journals Customer Service department at [cs-journals@wiley.com](mailto:cs-journals@wiley.com).

**Electronic Journal Subscription Maintenance and Swapping:** The Licensee may swap subscribed online journals in the Core Collection without penalty provided that such changes do not exceed 5% of the value of the total Core Collection for any calendar year. These changes will be reflected in

amendments to this Appendix. Swapping will be accepted at the title level or for duplicate subscriptions. Swapping will only be accepted on a calendar year basis and Wiley must be notified of any changes in writing no later than the preceding November 1<sup>st</sup>.

Wiley may, from time to time, cease publication of individual journals in which case the journal(s) will be removed from the Licensee's Core Collection, and the fees associated with the journal(s) will no longer be factored into the Core Collection Fee.

Except as provided above, the Licensee must maintain all online subscriptions in the Core Collection as set forth in the attached list (Appendix B(a)I).

**New Titles:** New Titles can be added under the following terms and conditions:

- (a) The Licensee may add new journals to its Core Collection at the full rate institutional online only subscription price.
- (b) Subscriptions to titles transferred into Wiley from another publisher will be added to the Licensee's Core Collection in the first year of transfer if the Licensee has one or more subscriptions for the calendar (or subscription) year in which the title is transferred. Individually negotiated pricing for access to transferred titles will also be maintained by Wiley, subject to the other terms of this Agreement. Subscriptions to titles transferred out of Wiley will be deleted from the Licensee's Core Collection in the year of transfer.
- (c) The Licensee may add previously canceled titles at the current full rate institutional online only subscription price to its Core Collection.
- (d) Wiley reserves the right to exclude titles from inclusion in the Standard or Custom Collections, however these titles may be added to the Licensee's Core Collection.

**Print Subscription Pricing:**

The Licensee can purchase print subscriptions to Licensed Electronic Journals which the Licensee subscribes to via a Core Collection at a deeply discounted rate. This does not apply to:

- (a) Titles new to Wiley Online Library unless subscribed to in the Licensee's Core Collection.
- (b) Titles not subscribed to by the Licensee, unless added to the Licensee's Core Collection.
- (c) Titles not available via Wiley Online Library.
- (d) Titles published in online-only format by Wiley. Print subscriptions available through any Print on Demand option are not eligible for a deeply discounted rate.

American Geophysical Union titles now published by Wiley are available at the following deeply discount rate which differs from other Wiley journals: 75% of list price.

Print subscriptions, other than subscriptions for titles available from Wiley in online-only format, should be ordered directly via the Wiley Customer Services department, or through an agent.

Social Sciences and Humanities Collection

The complete list of titles for Standard Collections is included in Appendix B(b)1. The Licensee will obtain online access to unsubscribed Wiley journals (journals not included in the Licensee's Core Collection) by licensing a Standard Collection.

**Archival Access:** During the term of this License, Wiley will provide the Licensee with access to current electronic files of the unsubscribed journals in the Standard Collection and retrospective content, generally back to 1997, depending on the start date of online publishing by Wiley, as well as tables of content, abstracts, full text and illustrations and any additional electronic journal content not included in the print versions of the journals, but not materials included in Backfiles.

**Perpetual Access:** Upon termination of this License, Wiley will provide the Licensee with perpetual access to the unsubscribed titles in the Standard Collection for the years that the Licensee has paid for access to the unsubscribed titles in the Standard Collection where Wiley has the rights to deliver this. Wiley, in its discretion, will either continue online access to the same material on Wiley's server or provide an archival copy in the electronic medium agreed to by Wiley and the Licensee, at a reasonable cost-based fee.

By providing such access Wiley grants to the Licensee a nonexclusive, royalty-free, license to use such material in accordance with the restrictions on use specified in Paragraph C of the Agreement, which restrictions shall survive any termination of the Agreement.

**Standard Collection Fee:** The Licensee will pay a Collection Fee to access the Standard Collection in addition to its Core Collection Fee.

### **Pricing:**

#### **(a) Year 1**

- Standard Collection pricing will be calculated as a percentage of the current full rate institutional online only subscription price of the unsubscribed titles in the Collection. The percentage is set based on the Licensee's number of FTEs, and the value of the Licensee's Core Collection. For this purpose FTEs are defined as full-time equivalent students and academic faculty.
- Licensee's FTE count: 26,775
- Total Standard Collection Fee: \$69,824.44

#### **(b) Year 2 and subsequent years**

- Standard Collection Fee = 100% of the previous year's Standard Collection fee plus a price increase based on the average journal price increase but not to exceed the Price Increase Cap specified below, plus any adjustments for new, canceled or deleted Electronic Journal titles.
- Price Increase Cap: 4%

If the average aggregate Wiley journal price increase for a calendar year is less than the Price Increase Cap, the lower percentage will be applied.

**Adding and Deleting Titles from a Standard Collection**

Each year after the first year of the License, Wiley may offer a package of new titles which the Licensee may opt to add to the licensed Standard Collection(s). The price will be calculated at a percentage of the full rate institutional online only subscription fee for the unsubscribed titles in the package.

Wiley may, from time to time, cease publication of individual journals in which case the journal(s) will be removed from the Licensee's Standard Collection, and the fees associated with the journal(s) will no longer be factored into the Standard Collection Fee.

## **APPENDIX B (c) – 2014 ACCESS TO UNSUBSCRIBED JOURNALS VIA PICK-AND-CHOOSE CUSTOM COLLECTIONS**

Licensee: The University of Tennessee

Pick-And-Choose Custom Collections are defined herein as the online editions of Wiley journals to which the Licensee does not subscribe and pay a full rate institutional online only subscription fee. The Licensee will obtain online access to these unsubscribed Wiley journals (journals not included in the Licensee's Core Collection) by licensing a Custom Collection.

The complete list of titles for the Licensee's Custom Collection is included in Appendix B(c)1.

**Archival Access:** During the term of this License, Wiley will provide the Licensee with access to current electronic files of the unsubscribed journals in the Custom Collection and retrospective content, generally back to 1997, depending on the start date of online publishing by Wiley, as well as tables of content, abstracts, full text and illustrations and any additional electronic journal content not included in the print versions of the journals, but not materials included in Backfiles.

**Perpetual Access:** Upon termination of this License, Wiley will provide the Licensee with perpetual access to the unsubscribed titles in the Custom Collection for the years that the Licensee has paid for access to the unsubscribed titles in the Custom Collection where Wiley has the rights to deliver this. Wiley, in its discretion, will either continue online access to the same material on Wiley's server or provide an archival copy in the electronic medium agreed to by Wiley and the Licensee, at a reasonable cost-based fee.

By providing such access Wiley grants to the Licensee a nonexclusive, royalty-free, license to use such material in accordance with the restrictions on use specified in Paragraph C of the Agreement, which restrictions shall survive any termination of the Agreement.

**Custom Collection Fee:** The Licensee will pay a Collection Fee to access the Custom Collection in addition to its Core Collection Fee.

### **Pricing:**

#### **(a) Year 1**

- Custom Collection pricing will be calculated as a percentage of the current full rate institutional online only subscription price of the unsubscribed titles in the Collection. The percentage is set based on the Licensee's number of FTEs, and the value of the Licensee's Core Collection. For this purpose FTEs are defined as full-time equivalent students and academic faculty.
- Licensee's FTE count:
- Total Custom Collection Fee:

#### **(b) Year 2 and subsequent years**

- Custom Collection Fee = 100% of the previous year's Custom Collection fee plus a price increase based on the average journal price increase but not to exceed the Price Increase Cap specified below, plus any adjustments for new, canceled or deleted Electronic Journal titles.
- Price Increase Cap: \_\_\_\_\_  
If the average aggregate Wiley journal price increase for a calendar year is less than the Price Increase Cap, the lower percentage will be applied.

**New Titles:** New Titles can be added annually under the following terms and conditions:

- The price increase cap set forth above will only apply to the existing titles in the Custom Collection.
  - The price for the new titles will be calculated at the same percentage of the full rate institutional online only subscription fee initially used to calculate the original Collection Fee.
- (a) Wiley reserves the right to exclude titles from inclusion in the Standard or Custom Collections, however, these titles may be added to the Licensee's Core Collection.
- (b) The Licensee may add new journals to its Core Collection at the current full rate institutional online only subscription price.
