**Licensed Materials:** The Licensed Materials include all Taylor & Francis journals available online as of December 31, 2009, and any new or transfer journals authorized in writing by Licensee for addition to the Agreement during the contract term for which the appropriate fees have been paid. All published content from 1997 forward that is made available online for the included journals shall be considered part of the Licensed Materials, although Licensee will enjoy perpetual rights for unsubscribed titles for years 1997 through 2009 only.

**Base Contract Value for 2010:** The Base Value of the contract shall be the 2009 base license fee less 10%, in addition to a 9% fee for full access to subscribed and unsubscribed titles. (A separate license fee has been previously paid for CRC Journals.) There will be a 0 (zero) % fee increase during the term of this Agreement. **The annual Base Value for the term of the Agreement shall be \$1,907,298.66 adjusted during subsequent years for lost, ceased, transferred, or newly selected journals authorized by Licensee.**

**Full Access Fee:** A Full Access Fee equivalent to 9% of the adjusted Base Value shall be paid for online access to the Licensed Materials by authorized users at all campuses of the University of California, regardless of the subscription status of the included journals at any given campus.

**Titles Lost to Publisher or Ceased:** Lost and ceased titles to which Licensee has existing subscriptions shall be deducted from the Annual Subscription Fee at the e-only capped price multiplied by the number of UC subscriptions. Adjustments shall be taken prior to calculating the Full Access Fee. Licensee will continue to have full online access to the archive of lost and ceased journals. In the case of titles transferring to another publisher, Licensor will make best efforts to secure continuing access rights for Licensee, which may be provided by the new publisher.

**Title Substitution:** Licensor will use all reasonable endeavors to notify Licensee of new titles and titles transferring from other Publishers for the succeeding year by November 15 of the previous year. Licensee may substitute subscribed titles with new and transfer titles of comparable value (in current year list price) without alteration to the Annual Subscription Fee no more than once annually by giving Licensor notice by January 31 of each year. That is, the combined list price value of substituted titles will be comparable to the combined list price value of replaced titles. Licensee will be able to exchange no more than 10% of the total list price value of titles in its Licensed Title list. Licensee will notify Licensor of new or transfer journals to be added and titles for which substitutions shall be made by January 31 of each year. Licensee will continue to have full online access to the archive of substituted journals.

**Transfer Titles:** Licensor will use all reasonable endeavors to notify Licensee of titles transferring from other publishers for the succeeding year by November 15th of the previous year. Beginning in year 2 of the Agreement, the cost to add these titles to the Agreement (beyond any titles added under the Title Substitution clause) will be the e-only value of the Licensee's current print or online subscriptions (in the year of addition) plus the 9% Full Access fee. Where Licensee does not hold current subscriptions, the cost will be the e-only list price plus the 9% Full Access fee. After the November 15<sup>th</sup> notification date, Licensee shall be granted full licensed rights (in the year of addition) to any journals that transfer to Licensor for which campuses already have made subscription payments; these journals may be added to the Agreement in the subsequent year at the capped e-only value of the Licensee's current print or online subscriptions. Licensor will add transfer titles to the Agreement only upon written authorization by the Licensee.

**New journals launched by Taylor & Francis:** Newly-launched journals shall be available to Licensee at no charge in the first year of publication. In the second year of publication, new titles shall be available to Licensee at 50% of the e-only list price plus the 9% Full Access fee; in the third year and following, new titles shall be available at full e-only list price plus the 9% Full Access fee. New journals shall only be added to the Agreement upon written authorization by Licensee.

**Print Cancellations and DDP Rates:** There are no restrictions on canceling print or other format subscriptions of the Licensed Titles by campuses. Print subscriptions of Licensed Titles are optionally available to UC campus libraries as follows:

UC Subscribed Titles: 5% of U.S. subscription list price (95% discount).

UC Unsubscribed Titles: 25% of U.S. subscription list price (75% discount).

Licensor will use all reasonable endeavors to transmit this deeply discounted print rate (DDP) rate to Serials Agents (Ebsco, Harrassowitz, Swets), along with a list of Licensed Titles to which it applies, no later than October 1 of each year.

**Perpetual Rights:** The Licensee shall be granted perpetual rights to the Licensed Materials as per section XII of this Agreement. In addition, Licensor grants to Licensee perpetual rights to all currently unsubscribed titles that were available from 1997 through 2009.

**Shared print archive:** At Licensee's request, Licensor will provide to Licensee a single print archival copy of the titles selected from the Licensed Materials, on a mutually agreed upon schedule, shipped to a single ship-to address at no additional cost beyond the Base Value of the Agreement. This term does not apply if Licensor ceases to produce paper editions of such titles.

Licensee will notify Licensor directly of titles to be shipped and of any changes to the ship-to address by January 31 of each year. The print copies will be housed in a UC or other designated regional or third party facility.

**Publisher Acquisitions:** Should Licensor acquire in whole or substantial part the title list or other assets of another publisher with whom Licensee has an existing contract, the terms of that existing contract shall be honored through the expiration of its then-current term unless otherwise mutually agreed to in writing by both Licensor and Licensee. Upon expiration, Licensor and Licensee shall negotiate in good faith to arrive at mutually acceptable terms for online access to the affected materials. Notwithstanding the foregoing, Licensor shall honor all perpetual and other surviving rights of Licensee provided under contract with the previous publisher.
