1.2 *Authorized Users/Sites.*

Authorized Users are the full-time and part-time students, faculty, staff and researchers of the Subscriber and individuals who are independent contractors or are employed by independent contractors of the Subscriber affiliated with the Subscriber's locations listed on Schedule 2 (the "Sites") and individuals using computer terminals within facilities at the Sites permitted by the Subscriber to access the Subscribed Products for purposes of personal research, education or other non-corporate use.

1.3 *Authorized Uses.*

Each Authorized User may:

- access, search, browse and view the Subscribed Products;
- print, download and store a reasonable portion of individual items from the Subscribed Products for the exclusive use of such Authorized User;
- incorporate links to the Subscribed Products on the Subscriber's intranet and internet websites and in electronic coursepacks, reserves and course management systems and instructor websites, provided that the appearance of such links and/or statements accompanying such links will be changed as reasonably requested by Elsevier;

Upon notification by the Subscriber that it wishes to initiate the service as described below (the "Transactional Service") access, search, browse, view, print, make electronic copies and store for the exclusive use of such Authorized User or, if the Authorized User is a librarian/information specialist, for the exclusive use of another Authorized User certain journal articles and book chapters from the ScienceDirect® online service that are not subscribed to as part of the Subscribed Products, with each twenty-four (24) hour access period for a selected article or chapter, a "Transaction".

CW

The Subscriber may:

- deliver journal articles from Subscribed Titles (as defined herein) and, if any, book chapters from the Subscribed Products to fulfill requests as part of the practice commonly known as “interlibrary loan” from non-commercial libraries located within the United States, provided that the Subscriber’s staff reviews the requests and fulfills the requests in compliance with Section 108 of the U.S. Copyright Law (17 U.S.C. § 108) and the Guidelines for the Proviso of Subsection 108(g)(2) (Final Report of the National Commission on New Technological Uses of Copyrighted Works, 1978).

The Subscriber and Authorized Users may:

access the text and data mining service online via an API at <http://www.developers.elsevier.com> to continuously and automatically extract and index and/or process information from the Subscribed Products to which the Subscriber separately subscribes and load and integrate the results (the “TDM Output”) on the Subscriber’s text-mining system for access and use by Authorized Users; and

- distribute the TDM Output externally, which may include limited query-dependent excerpts from individual full text articles or book chapters surrounding the text entity matched (“Snippets”) or bibliographic metadata, such excerpts cumulatively not being sufficient to substitute for access to the original full text article or book chapter. Where Snippets and/or bibliographic metadata are distributed, they should be accompanied by a DOI link that points back to the individual full text article or book chapter. The Subscriber will make reasonable efforts to ensure that TDM Output is not used by the Subscriber or Authorized Users for commercial purposes, and to inform all third parties that TDM Output is not to be used for commercial purposes.

Text and data mining services online may be accessed by vendors or other third parties retained by the Subscriber for the permitted text and data mining purposes, provided information from the Subscribed Products, intermediate datasets and TDM Output remains the responsibility of the Subscriber and at the termination of the contracted work for the Subscriber, information from the Subscribed Products, intermediate datasets and TDM Output will be returned to the Subscriber or destroyed.

1.4 *Restrictions on Use of Subscribed Products.*

Except as expressly stated in this Agreement or otherwise permitted in writing by Elsevier, the Subscriber and its Authorized Users may not:

- abridge, modify, translate or create any derivative work based on the Subscribed Products, except to the extent necessary to make them perceptible on a computer screen to Authorized Users;
- remove, obscure or modify in any way any copyright notices, other notices or disclaimers as they appear in the Subscribed Products;
- use any robots, spiders, crawlers or other automated downloading programs, algorithms or devices to continuously and automatically search, scrape, extract, deep link, index or disrupt the working of the Subscribed Products without express written permission of Elsevier, which shall not be unreasonably withheld provided Authorized Users are engaging in activities for academic research or other educational purposes which do not affect overall platform stability, availability and performance; or
- substantially or systematically reproduce, retain or redistribute the Subscribed Products.

Authorized Users who are individuals who are independent contractors or are employed by independent contractors may use the Subscribed Products only for the purposes of the contracted research work for the Subscriber.

1.5 *Intellectual Property Ownership.*

The Subscriber acknowledges that all right, title and interest in and to the Subscribed Products remain with Elsevier and its suppliers, except as expressly set forth in this Agreement, and that the unauthorized redistribution of the Subscribed Products could materially harm Elsevier and its suppliers. Notwithstanding anything to the contrary contained in this Agreement, more extensive usage terms might be permitted for open access content in the Subscribed Products as identified in the individual journal article as stated in the applicable user (e.g. CC) license.

SECTION 2. ELSEVIER PERFORMANCE OBLIGATIONS.

2.1 *Access to Subscribed Products.*

Elsevier will make the Subscribed Products accessible to the Subscriber and its Authorized Users from the internet address set forth on Schedule 1 or as may be otherwise set forth herein. Subject to the terms of this Agreement, Subscriber and its Authorized Users shall have unlimited simultaneous access to the Subscribed Products.

2.2 *Quality of Service.*

Elsevier will use reasonable efforts to provide the Subscribed Products with a quality of service consistent with industry standards, specifically, to provide continuous service with an average of 98% up-time per year, with the 2% down-time including scheduled maintenance and repairs performed at a time to minimize inconvenience to the Subscriber and its Authorized Users, and to restore service as soon as possible in the event of an interruption or suspension of service.

2.3 *Withdrawal of Content.*

Elsevier reserves the right to withdraw from the Subscribed Products content that it no longer retains the right to provide or that it has reasonable grounds to believe is unlawful, harmful, false or infringing.

2.4 *Usage Data Reports.*

The Subscriber reserves the right to collect, analyze, and make results of such analysis available to both internal and external constituencies of usage data compiled by Elsevier and made available to the Subscriber. Such reports may be accessed by vendors or other third parties retained by the Subscriber solely for the purpose of usage analysis by the Subscriber and may not be accessed or used by vendors or third parties for any other purposes..

2.6 *DRM/Watermarking Technologies.*

Elsevier will on no less than three (3) months' notice provide the Subscriber with information about any proposed implementation by Elsevier of technical protection measures or digital rights management ("DRM") or watermarking technologies by which journal articles from the Subscribed Products would be technically enabled or disabled with respect to electronic access, legibility, usage, distribution or privacy rights.

SECTION 3. SUBSCRIBER PERFORMANCE OBLIGATIONS.

3.1 *Authentication.*

Access to the Subscribed Products will be authenticated by the use of Internet Protocol ("IP") address(es) and/or usernames and passwords and/or a delegated authentication mechanism that conforms to accepted industry practices, as identified on Schedule 2.

3.2 *Protection from Unauthorized Access and Use.*

The Subscriber will use reasonable efforts to:

- limit access to and use of the Subscribed Products to Authorized Users and notify all Authorized Users of the usage restrictions set forth in this Agreement and that they must comply with such restrictions;
- issue any passwords or credentials used to access the Subscribed Products only to Authorized Users, not divulge any passwords or credentials to any third party, and notify all Authorized Users not to divulge any passwords or credentials to any third party; and
- promptly upon becoming aware of any unauthorized use of the Subscribed Products, inform Elsevier and take appropriate steps to end such activity and to prevent any recurrence.

In the event of any unauthorized use of the Subscribed Products, Elsevier may suspend the access and/or require that the Subscriber suspend the access from the IP addresses where the unauthorized use occurred upon notice to the Subscriber and will promptly restore any suspended access once the unauthorized use has ceased and the Subscriber has taken corrective actions to ensure that such unauthorized use does not recur. The Subscriber will not be liable for unauthorized use of the Subscribed Products by any Authorized Users provided that the unauthorized use did not result from the Subscriber's own negligence or willful misconduct and that the Subscriber did not permit such unauthorized use to continue after having actual notice thereof.

SECTION 4. FEES AND PAYMENT TERMS.

The Subscriber will pay to Elsevier the fees set forth in Schedule 1 (the "Fees") as follows:

- the fees for 2014 to be paid by 31 May 2014; and
- for each subsequent year by 15 December of the year prior (e.g. by 15 December 2014 for the year 2015)

Late payments will be subject to interest charges of 1% per month on the unpaid balance. The Fees will be exclusive of any sales, use, value added, withholding or similar tax and the Subscriber will be liable for any such taxes in addition to the Fees.

The term of this Agreement will commence on 01 January 2014 and continue until 31 December 2018.

5.2 *Renewal.*

SECTION 6. ELSEVIER WARRANTIES AND INDEMNITIES.

6.1 Warranties.

Elsevier warrants that use of the Subscribed Products in accordance with the terms and conditions herein will not infringe the intellectual property rights of any third party.

6.2 Indemnities.

If any such action or claim is made, the Subscriber will promptly notify and reasonably cooperate with Elsevier. This indemnity obligation will survive the termination of this Agreement. NO LIMITATION OF LIABILITY SET FORTH ELSEWHERE IN THIS AGREEMENT IS APPLICABLE TO THIS INDEMNIFICATION.

6.3 Disclaimer.

EXCEPT FOR THE EXPRESS WARRANTIES AND INDEMNITIES STATED HEREIN AND TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE SUBSCRIBED PRODUCTS ARE PROVIDED "AS IS" AND ELSEVIER AND ITS SUPPLIERS EXPRESSLY DISCLAIM ALL WARRANTIES AND REPRESENTATIONS OF ANY KIND WITH REGARD TO THE SUBSCRIBED PRODUCTS AND ANY OTHER DATA, DOCUMENTATION OR MATERIALS PROVIDED IN CONNECTION WITH THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO ANY ERRORS, INACCURACIES, OMISSIONS, OR DEFECTS CONTAINED THEREIN, AND ANY IMPLIED OR EXPRESS WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Except for the express warranties and indemnities stated herein and to the extent permitted by applicable law, in no event will Elsevier or its suppliers be liable for any indirect, incidental, special, consequential or punitive damages including, but not limited to, loss of data, business interruption or loss of profits, arising out of or in connection with this Agreement, or will the liability of Elsevier and its suppliers to the Subscriber exceed a sum equal to the Fees paid by the Subscriber hereunder, even if Elsevier or any supplier has been advised of the possibility of such liability or damages.

6.5 Liability for Gross Negligence/Willful Misconduct.

Notwithstanding the limitation of liability set forth in Section 6.4 above, Elsevier may be liable for damages incurred by the Subscriber as a direct result of Elsevier's gross negligence or willful misconduct in providing the Subscribed Products.

No modification, amendment or waiver of any provision of this Agreement will be valid unless in writing and signed by the parties.

The Subscriber will not assign, transfer or license any of its rights or obligations under this Agreement unless it obtains the prior written consent of Elsevier, which consent will not unreasonably be withheld.

7.6 Privacy.

Elsevier will not, without the prior written consent of the Subscriber, transfer any personal information of any Authorized Users received by Elsevier from the Subscriber under this Agreement to any non-affiliated third party, except (i) to applicable service providers to the extent necessary to perform their functions for Elsevier in support of this Agreement; (ii) where reasonably necessary to address security, safety, fraud or other legal issues; and (iii) if the Subscribed Products are acquired by another company, or use it for any purpose other than as described in this Agreement.

Freedom Collection: Electronic access to the full text of all articles from the Elsevier journal titles published since 1 January 1995 set forth in the Freedom Collection Journal List at <http://www.info.sciencedirect.com/content/journals/titles/#freedom> as may be updated annually with the changes effective as of 1 January of the following calendar year of the term of the Agreement.

Option to Substitute Subscribed Titles

The Subscriber may substitute any of the subscribed journal titles identified on Annex A to Schedule 1.1 ("Subscribed Titles") with one or more journal titles of total comparable value (at a rate of 85% of current year list price multiplied by 3.9, applicable to both the removed and added titles) once annually upon notice to Elsevier by 1 October prior to the start of the next calendar year or by 31 March of the subscribing year or at any time upon mutual agreement of the parties in writing. The foregoing does not apply to the following "Additional Collections" titles: the additional Cell Press titles, the French language publications described as the Elsevier Masson Collection, the Spanish language publications described as the Elsevier Doyma Collection, the clinical journal titles described as the Clinics Collection, the seminars journal titles described as the Seminars Collection, and the National Kidney Foundation titles. The foregoing may also not apply to a limited number of additional titles or collections of titles (published by Elsevier or third parties) that may become available on the ScienceDirect platform during the term of the Agreement.

Option to Substitute or Refund Withdrawn Subscribed Titles

The Subscriber may substitute any withdrawn Subscribed Title with one or more journal titles of total comparable value (at a rate of 85% of current year list price multiplied by 3.9, applicable to both the removed and added titles) at any time upon notice to Elsevier. In the event that no substitute journal title is selected, Elsevier will refund to the Subscriber the amount of the Fees paid for the withdrawn Subscribed Titles for the remainder of the term.

Option to Purchase Transferred Titles

The Subscriber may purchase an electronic subscription to, and thus add to its list of Subscribed Titles, any journal titles for which the Subscriber holds an electronic subscription through a third-party publisher whose publication rights are transferred to Elsevier and made accessible on ScienceDirect during the term ("Transferred Titles") at a rate of eighty-five (85%) of current year list price multiplied by the number of existing subscriptions held by Subscriber, or if there are no existing subscriptions, multiplied by 3.9. The foregoing rate does not apply to new titles from the Additional Collections (as defined above). With respect to such titles, Elsevier will reasonably determine and provide a quote to the Subscriber upon request. In preparing such a quote, Elsevier will consider its then-prevailing

business models, market conditions, prior subscription history, and competitive circumstances relevant for such Additional Collections.

Post Termination Access to Subscribed Titles

Upon termination of all of the Subscriber's annual subscriptions on ScienceDirect online, the Subscriber may, at its option, (1) acquire, load and technically format on a server that enables access and use by Authorized Users an electronic copy of all or part of its Subscribed Titles for the publication years paid for processing and shipping cost and/or (2) continue to access such Subscribed Titles online for an annual access fee to be reasonably determined and proposed to the Subscriber and/or (3) access such Subscribed Titles online through the Portico® electronic archiving service provided by Portico (in which case the Subscriber shall execute a separate Portico Journal Archive License Agreement whose terms and conditions shall also govern the Subscriber's use of such Subscribed Titles and take precedence in the event of any conflict or inconsistency with the Agreement), in accordance with the usage provisions of this Agreement, which provisions shall survive the termination of the Agreement. Elsevier will make available for inspection by a duly authorized auditor of the Subscriber, at the Subscriber's sole expense, the records concerning the calculation of the annual access fee one time per year during regular business hours upon thirty (30) days written notice to Elsevier. The electronic copy may not contain links and other features and functionality associated with the online version. If a particular Subscribed Title is withdrawn by Elsevier or not renewed by the Subscriber, but the Subscriber remains a ScienceDirect online subscriber, the Subscriber may continue to access online, at no additional charge, such formerly Subscribed Title for the publication years paid, provided that Elsevier continues to hold the electronic rights thereto.

Option to Purchase New Elsevier Journal Titles

The Subscriber may purchase an electronic subscription to, and thus add to its list of Subscribed Titles, any newly published Elsevier Journal title selected that is available on ScienceDirect at any time upon notice to Elsevier at a rate of eighty-five (85%) of the current year list price multiplied by 3.9. The foregoing rate does not apply to the new titles from the Additional Collections (as defined above), and the foregoing rate may not apply to additional titles or collection of titles (published by Elsevier or third parties) that may become available on the ScienceDirect platform during the term of the Agreement. With respect to such titles, Elsevier will reasonably determine and provide a quote to the Subscriber upon request. In preparing such a quote, Elsevier will consider its then-prevailing business models, market conditions, prior subscription history, and competitive circumstances relevant for such Additional Collections.

Archival Print Copy

Elsevier will deliver to a single ship-to address of the Subscriber, at no charge, one (1) print copy of the Subscribed Titles, that were published during each calendar year of the Agreement as such issues or editions are published. The parties will review by 1 February of every year whether such print copies were delivered in the prior year and Elsevier will ensure delivery of any missing titles for the prior year. The archival site for these print copies may be changed to the Center for Research Libraries, or another third party as mutually agreed.

Deep Discounted Price for Print Subscriptions

Provided that the Fees have been paid, the Subscriber will have the option to place orders for annual subscriptions to a selection of Elsevier print publications at a price reduced from the list price ("Deep Discounted Price" or "DDP"), as identified in the Deep Discounted Price catalog or other Elsevier catalogs, which discount will be equal to the higher of either 25% of the institutional list subscription fee or the personal subscription rate, by 1 October prior to the start of the next calendar year from Elsevier or its affiliate directly and from only one (1) authorized subscription agent, which will be selected by the Subscriber, and Elsevier or its affiliate will fulfill such orders in accordance with its customary practices. The Subscriber will notify Elsevier of its subscription agent's contact information upon placing such orders. The Subscriber may change its subscription agent no more than once annually by giving Elsevier notice by 1 October prior to the start of the next calendar year. The Subscriber will not place orders for

such DDP subscriptions on behalf of any other person or entity or with the intent to resell, rent, license, lease or otherwise transfer them to another person or entity.

Additional Discount Programs (including individual campus discounts)

Any of the individual campuses or institutions that are part of the Subscriber have an option to purchase subscription access to the following additional products at the discount noted below: eBook packages, book series packages, MRWs, handbooks online, Referex, Geobase, Embase.com, and Backfile packages. The discount available will be 20% off list institutional prices. Generally the terms and conditions of this Agreement will govern the usage of these products, it being understood that only the individual campus that elects to subscribe will have access and further that certain of these products may have unique additional terms and conditions, which will be identified in amendments (for example some products may be priced on the basis of number of users).

Further, Subscriber has an option to purchase subscription access to the above products for system-wide access at a 40% discount off list institutional prices.

Freedom Collection Cancellation Option

The Freedom Collection may be canceled at any annual renewal juncture at the Subscriber's option upon thirty (30) days advance notice, and the Fee will be deducted from Subscriber's Fees. Access and perpetual post-termination rights to other Journal Collection(s) shall be unaffected by any such cancellation.
